Mr. Kauffman,

09/18/2017

I wanted to thank you again for the generous donation of tactical lights to our department. I would also like to thank you for the tremendous work you and STAND T.A.L.L. are doing for law enforcement.

I think I can speak for all the law enforcement agencies you have provided assistance to that quite clearly you and your organization truly care about the well being of those in the law enforcement community. Your donation gives our officers a greatly enhanced level of safety, thus also assisting every member of the public who we're sworn to protect. By actively partnering with law enforcement agencies such as ours, STAND T.A.L.L. is striving for a better, safer communities.

We're truly honored by the thoughtfulness and caring you and your organization have shown.
