How exciting was World Series? We had our first ever World Series give away, no play out of the bunkers, 6 foursomes, two Bad Mega Johnny's, one Bad Johnny and a no show. Does it get any better than that? Yes! We had a first time World Series winner. Shawn Smith turned back the clock and played like it was 2018 when he was a 15. He didn't want to take any chances so not only did he win World Series but he came in first in DGA. He won by three shots over Mansour Rismanchi, who also finished 2nd in DGA and World Series. Shawn finished 33/33 and came in second in both the front and back. He also had 10 Net Birdies and quite honestly three's a crowd, selfishly speaking. Great job Shawn and congratulations on your DGA/World Series win. More to come in the follow up email from the Commissioner.

Bob Nowark won the front and then went on to a Net 51 on the back to have a bad Mega Johnnie, four shots short of a Desi (had to look that one up, that website sure has amazing information). That 18th hole is a killer just ask Bob and Larry Thiry who also had a Mega Johnnie not to mention 21 equities. But Bob was in the Net Birdie and Net Eagle pots and even with the plunge was a money winner in 17th place. Dennis Grote won Net Par 3's and Gross Par 3's and not a surprise that wasn't a Sandy winner.

In match play, Andrew Keller had a super back nine and beat our very own Match Play Commissioner 3 & 1. It will be Andrew's 3 time in four tries in the match play finals. Good luck Andrew.
