

LAB RAT ACADEMY

SCIENCE LABS

Anatomy

- Introduction to Biology
- Basic Anatomy
- Organ Comparison
- Aquatic Anatomy
- Advanced Anatomy

Astronomy

- Astronomy 1
- Astronomy 2

Cell Biology

- Cell Biology
- Microscopes

Chemistry

- Chemistry Basics 1
- Chemistry Basics 2

Earth Science

- Rock and Minerals
- Plate Tectonics

Genetics

- Genetics and Inheritance

Magnetism

- Magnetism

Nutrition

- Nutrition

Physics

- Physics Basics 1
- Physics Basics 2
- Optics

See online for more details

YEAR-LONG LABS

Middle School Science - \$350/semester

- Life Science
- Physical Science

High School Science - \$500/semester

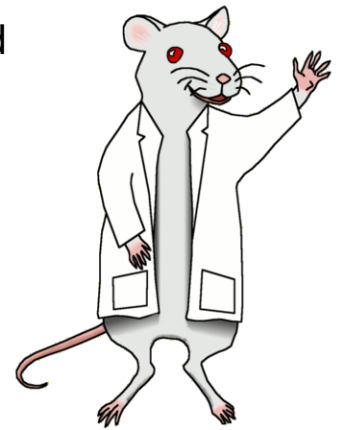

- "a-g" Biology
- "a-g" Chemistry
- "a-g" Earth Science
- "a-g" Physics

Contact us for more information on year long labs.

Each Science Lab is \$120 per student and is comprised of four 1.5 hour labs. For more details visit www.LabRatAcademy.com

Art Labs

- Watercolor
- Soft Pastel
- Oil Pastel

Register today!!!

Labs are scheduled as they are requested, so let us know what labs you are interested in. Check out our Calendar to see what is already in the books.
