This course is open to:

- Those who have been studying and or working with your abilities as a Psychic, Intuitive, Medium or Card Reader and are already comfortable with connecting and maintaining connections.
 - You may be holding sessions already but not sure how to "take it to the next level".
- Or you may just be ready to start holding sessions.

In either scenario this class may be correct for you if you are ready to grasp how to earn a steady income from your gifts.

This intensive program is designed to strengthen your confidence and skills as well as take you to a higher level in your practice. These will be fast paced, goal driven classes. Your goals for your practice being at front and center. Classroom work, Phone and In Person Readings as well as...Participate in a Psychic Fair, Small Platform Demonstrations & Business building insights.

Class format:

Half of class time is spent working/practicing and Half of class time is spent in discussion.

Areas covered:

Include Phone Readings, Remote Readings, Chat Sessions, In Person Sessions, Home Parties & Galleries. Regardless of what area you are most confident in- all connections can be done Remotely (Phone, Skype, FaceTime, FB, Zoom) as well as In Person.

- ✓ Define your own authentic style
- ✓ Clarify what a session with you is all about
- ✓ Solidify your process
- ✓ Learn the skill of "Linking" with another Practitioner
- ✓ Embrace the benefits of working together with another Practitioner
- ✓ Gain the confidence to "hold your own" under a variety of scenarios you come across
- ✓ Gain skills in "Go Direct" connections in all of your sessions
- ✓ Practice Greetings vs Readings with Spirit
- ✓ Learn to push yourself, raise "your own bar" and most importantly gain confidence in a higher level of sessions
- ✓ Grasp Spiritual Business Building Success*
- ✓ Homework (Optional) will be given

**** You are also entitled to 2 free 30-minute development sessions remote or in person with Genevieve at no charge as part of this series. (\$1 40 value). You may choose to use this private time to gain Spiritual Business Building tips personalized to you- such as setting up your website, marketing tips, success tips to fostering "repeat" clients, pricing, retaining clients, solidifying an income, launching your vision for your personal business or taking your existing business and "ramping it up. (not transferrable and not used for a reading). Giving readings and receiving sitter feedback from Genevieve's personal clients is a required part of this program. Genevieve reserves the right to decline an individual's attendance if she pre-screens and feels it is not the correct class for you at this time. In which case any money paid would be refunded in full once that decision was made.**
