2. Tuition covers the entire session & is based on the number of classes per week each child/children **per family (same parents)** enrolled. Example: 1 child taking (2) classes/week (OR) 2 children from **SAME Parents** each taking 1 class/week would pay the "2 Classes" Tuition.
3. If you would like a specific class not currently offered at a certain time, please inform the front desk. We add/change classes depending on interest & instructor/gym availability. We require a minimum of **4 paid students** to run a class.
