A MESSAGE FROM WALK #117 LAY DIRECTOR

To the Community:

Once again we are called by Him to serve His kingdom. It is time we put away earthly things to willingly serve 36 new pilgrims who most of us know little about.

Our conference room team has been assembled and it is a nice mix of first timers and veterans. Team meetings have been uplifting and are bringing us closer together for our mission. The support staff of Selma/Aldersgate have been so wonderful and generous in preparing and serving our meals.

All this for one thing - To Serve Him - to share His love with each other and our new pilgrims. This is His Walk and we do His Work. We are all grateful for the opportunity to be His hands and feet.

"The Lord is risen indeed." Luke 24:34

DeColores,

A MESSAGE FROM WALK #118 LAY DIRECTOR

Decolores! Emmaus Family! I am so excited yet so profoundly humbled as we prepare for CAEW #118. I attended CAEW #43 and God has truly amazed me in my 4th days. After my original walk, I began to see God's hand in absolutely everything- the mountaintops, the valleys and everywhere in between. One of the biggest blessings is most of my family, my husband's family and good number of close friends have all had their own journey to Emmaus. To be able share and labor together in this ministry is just another added blessing.

The symbol I have chosen for Walk #118 is the Lion lying with the Lamb under the shadow of the cross. To me this picture conveys that, because of Jesus' sacrifice on the cross, God's perfect peace will once again ultimately reign. Now that excites me!!!!

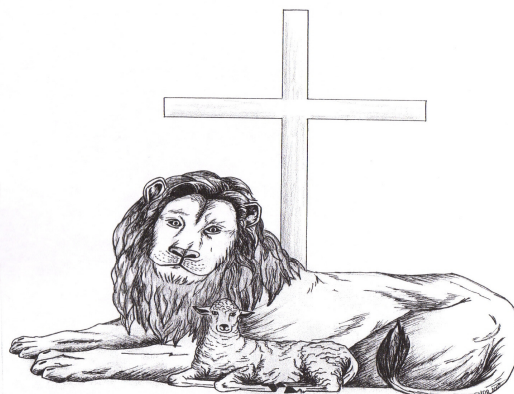

Please continue to pray for Walk #118. I may be serving as the Lay Director, but God is the one calling the shots. So, even in spite of me, this may just be "The Best Walk Ever"!

A MESSAGE FROM WALK #118 SPIRITUAL DIRECTOR

It's been almost 20 years since I attended my original walk to Emmaus. I was a student at Asbury Seminary in Wilmore, Kentucky, and it came at a point in my life where I was at a crossroad. As a seminary student, I felt like a fish out of water. Everybody else seemed to know so much, and as a novice Christian, I knew so little. Feeling inadequate would have been an understatement to say the least. I was ok with going into youth ministry, but there was no doubt that I wasn't "preacher material." Exploring other "options" for my life seemed to be the prudent thing to do. But it was at this crossroad that God used the Walk to Emmaus to speak to me in a way that I had never experienced before.

No doubt, many of you can relate. I wonder how many who are reading this attended your Emmaus walk at a crossroad in your life as well. What was it that God showed you? For me, it was the fact that God's plan for my life was far greater than my ability to mess it up; that His ability is always far greater than my inability; that His love for me doesn't depend on my character but on His.

Even though I didn't attend my Emmaus Walk at Alamisco, every time I walk on the grounds I am reminded of what God taught me almost 20 years ago. The amazing thing is that the lessons I learned are just as true today as they were back then. Whenever I find myself at another one of life's crossroads, I am so grateful for my original Walk to Emmaus and for those lessons He continues to teach me every time I work a walk.

De Colores!
