

BEYOND INTRODUCTION

BEGINNER LEVEL COURSE

3-HOUR COURSE

COST: \$130

The Beyond Introduction Course is a beginner to immediate level class designed for the shooter who has successfully completed the Introduction to Handgun Safety Course and has practiced the skills learned in the class yet desires more guided assistance. This course will also better prepare the student for the Defensive Handgun I Course. Time will be split between the classroom and range for practical exercise. Students will have an opportunity to fire different types of handguns during the course.

Instructional topics include:

- Four basic rules of firearms safety
- Things to consider when choosing a handgun
- How to choose a holster
- Revolvers vs semi-automatic pistols
- Test firing of compact/subcompact semiauto pistols, standard semi-automatic pistols and revolvers
- Basic defensive drills from the ready position: Standard Defensive
 - Response, reloads, multiple shots on target

Course cost includes handgun rental, targets, and reusable SharpShooters USA eyes and ear protection.

Ammunition is not included and must be purchased through SharpShooters USA when using a SharpShooters USA rental firearm.

Students will receive a certificate of completion at the end of the course.
