

Open House List

- ✓ Carpets vacuumed
- ✓ Floors shine
- ✓ Kitchen/baths clean
- ✓ Lights on
- ✓ Rx drugs secure

Do you have Rx drugs on your open house checklist?

Before you show your home, *Realtor.com* advises you remove all prescription drugs from your medicine cabinet, even the ones you think are harmless. Agents across the country report tales of open house visitors rifling through medicine cabinets.

Count It! Lock It! Drop It!

Don't Be An Accidental Drug Dealer

Please make your open house successful on all accounts by securing all medications.

Lock your meds and help prevent prescription drug misuse.

Good luck with a safe and profitable home sale!
