

The St. Anthony Academy logo is symbolic of the principles upon which the school was founded. At the top is the Sacred Heart of Jesus, under whose protection and guidance we place ourselves. The education provided by our school has ever in mind the goal of finding virtue and truth, hence our motto "virtus et veritas." Our patron, St. Anthony, the "Hammer of Heretics," and a model of purity, is symbolized by the hammer and the lily. The open book is the Holy Bible, and the monstrance represents our love for the Blessed Sacrament.
