 Gospel: Luke 16: 1-13. *“Trustworthy Stewardship”*

Jesus teaches stewardship and accountability at every turn. He urges us to be concerned for the needs of others. His challenge is that we use God’s gifts wisely and well. And He gives us the Power to do all of this. At the heart of our faith is a spirit leading us to acknowledge that it is God’s love and goodness that provides so abundantly for all of our needs. And at the center of our love for God is the challenge to share this gift with our brothers and sisters.

There is no way we can claim to love God without being accountable to Love itself and without living our lives in the service of others. It is our task to enter into this mystery over and over again so that we will always see something we have never seen before. It’s all about listening to the Jesus story with open ears and a fresh heart. It is about crossing over into uncharted lands. It is about constant, interior conversion.

And it is trusting that if we are faithful in very little, we will indeed be faithful in much.
