**RE: Road Repaving**

Dear Mr. [REDACTED]

Thank you for contacting the Pima County Department of Transportation regarding your repaving request for the [REDACTED] subdivision at [REDACTED]. Currently, [REDACTED] subdivision at [REDACTED] is not scheduled for repaving due to lack of funding.

For your information, on July 3, 2018, the Pima County Board of Supervisors approved a resolution placing a \$430 million general obligation bond proposal on the November 6, 2018 ballot to fund regional road reconstruction, preservation and repair. The Board's decision to call the bond election came after pursuing many other options unsuccessfully. Pima County can afford to sell these bonds **without increasing property taxes as previous bond debt** is being paid off rapidly. For more information, please visit [www.pima.gov/roadrepairbonds](http://www.pima.gov/roadrepairbonds), call 724-8149 or email [bondinfo@pima.gov](mailto:bondinfo@pima.gov).
