COLONY WEST HOMEOWNERS ASSOCIATION

POLICY AND PROCEDURE RESOLUTION

Policy of Colony West Homeowners Association located at #31 Colony West Drive, Champaign, Illinois 61820.

Adopted by the Colony West Homeowners Association Board of Directors on September 26, 1989.

Resolution pertaining to Architectural Control.

Resolved: The Board of Directors shall have the power to control all uses (including, but not limited to, painting) of any and all parts of all units visible from the outside to preserve uniform appearance and aesthetic quality, and may act affirmatively to preserve the same, and may assess the cost thereof, pursuant to Article III of the Declaration of Covenants, Conditions, Restrictions, and Easements. The Board is to levy a \$50.00 fine for any violation of the architectural control procedure. This fine will not be the top end of damages charged to the unit owner who violates the procedure because if the change is not considered by the Board to be conforming, then the unit owner will be responsible for repairing the area back to its original condition.

Motion passed unanimously.

POLICY AND PROCEDURE RESOLUTION

Policy of Colony West Homeowners Association located at #31 Colony West Drive, Champaign, Illinois 61820.

Adopted by the Colony West Homeowners Association Board of Directors on July 14, 1980.

Resolution pertaining to Architectural Request and Change Forms.

Resolved: An owner must fill out a "status of architectural or landscaping additions" form prior to Board consideration. The forms are for the purpose of recording changes from the purchase condition by the homeowners. The Architectural and Maintenance Committee will recommend approval or disapproval to the Board. A homeowner may appeal a disapproval before the Board. These forms will become part of the permanent file on each unit. Change request forms must be completed by the Homeowner prior to installation or construction because the signature of the homeowner commits them to further maintenance of the addition, commits them to liability for damage, and allows passage of the addition to future owner.

Motion passed unanimously.

POLICY AND PROCEDURE RESOLUTION

Policy of Colony West Homeowners Association located at #31
Colony West Drive, Champaign, Illinois 61820.

Resolution pertaining to: Fences

Summary of Fence Committee Findings and Opinions And Recommendations to the Board

1. As the fences of the TDI's in Colony West need significant repairs or replacement, they shall be replaced by vinyl fencing. This is based on the fact that several owners have recently replaced fencing and the life span of a properly maintained wood fence is twenty years.
2. **Specifications**
 - A. Fencing contractors shall be annually re-evaluated by the Fence Committee.
 - B. Fencing shall be purchased from a Board approved supplier and installed by the Board approved installer, or it may be purchased from the Board approved supplier and installed by the owner.
 - C. Two styles; privacy or semi-privacy; except as noted in 2-F (1 through 5)
 - D. Height: 4, 5, or 6 feet
 - E. Color: tan (matching siding)

F. Consistency in style: the following owners shall agree in advance as to privacy or semi-private and that choice shall be continued.

(1) The three separate groups of three individual homes each (39, 40, and 41 Colony West Dr.); (1, 2, and 3 Colony West Drive), and (10, 11, and 12 Colony West Dr.), which back up to Prospect Avenue.

(2) Units 1925-1933, which back up to Melrose Drive.

(3) Shared fences shall be privacy style and non-shared fencing shall be owner's choice unless otherwise noted.

(4) Individual homes 706 Phoenix through 814 Phoenix may choose either or both styles, unless you have any shared fencing which must be privacy style.

(5) All duplexes may choose either style of fencing.

3. **Guidelines**

A. "in need of paint" is not a reason for replacement fencing; it means the fence should be re-painted.

B. All decisions of the Board of Directors, upon the advice of the Fence Committee, shall be final, except in D below.

C. Manager shall walk the grounds and note the address of those units he or she feels are in need of significant repair or replacement and report those addresses to the Fence Committee.

D. The Committee shall function as the Final Inspection committee and at least two members shall give approval or disapproval for workmanship as each fence is completed.

E. The Fence Committee shall remain in place as a standing Committee of the Colony West Homeowner's Association until the work is completed and members shall be replaced by appointment by the existing Fence Committee members or by the Board.

F. The location of fencing may be adjusted up to 6 inches in any direction in order to save money by not removing old concrete fence holes. The relocating of these fences must be presented in writing to the Board or the Fence Committee to be assured that it does not create a new problem of some type.

G. Any changes in fencing, such as addition of or removal of some fencing shall be presented in writing to the Board or the Fence Committee for approval.

4. Shared Fencing:

A. Both owners shall agree.

B. Shared fencing shall be privacy style and non-shared fencing shall be owner's choice except in 2F (1 through 5). If the Board agrees that a shared fence needs replacement, and the owners cannot agree, then the fence shall be replaced in the exact height as previously built.

C. If one owner wants to replace and the other doesn't, and the Committee has determined that the fence is not in need of replacement, and then the owner who wants new vinyl fencing is free to pay for the entire fence according to the above guidelines.

D. Partial fencing may be replaced as long as it is done in complete runs. This is most relevant to the individual units.

E. All disagreements concerning style and height shall be resolved by the Board of Directors with the advice of the Fence Committee.

Resolution pertaining to Window Replacement/Specifications/Patio Door Replacement

Resolved: All replacement windows, patio and storm doors must be approved by the Homeowners Board of Directors prior to installation. Specifications are as follows:

REPLACEMENT WINDOWS: All windows must have an aluminum or vinyl exterior frame with the option of a wood clad interior frame. All windows must consist of 1/8" single or 1/2" insulated glass. Heat mirror may be added as long as the glass is not tinted. The original windows are horizontal sliders, but the owner has the option of installing double or single hung and/or fixed lite models. The exterior frame color must be a manufacturer's brown which matches the exterior brown trim of each unit or new tan colors.

STORM WINDOWS: All storm/screen window frames must be made of aluminum or vinyl and have an exterior color, which matches the exterior brown or new tan trim of each unit. The window is to be a model, which can mount over the existing prime window.

REPLACEMENT PATIO DOORS: All doors must have an aluminum or vinyl exterior with the option of a wood clad interior. The exterior frame color must be a manufacturer's brown which matches the exterior brown or new tan trim of the unit.

PATIO STORM DOORS: This unit which is applied outside of the existing patio door must be a sliding patio storm door and is to be mounted directly over your existing patio door. This doorframe must have aluminum or vinyl exterior and the color must match the brown or new tan trim of each unit.

Resolution pertaining to Assessments - Commons

Resolved: Commons assessments will be determined by dividing the sum of the HOA Operating Assessments, plus the Commons Reserve Assessments, by the total number of units in the Colony West Development. Each unit owner will pay this amount as a base assessment, to which HOA will add TDI only expenses and the Condo Association will add an assessment for Condo only expenses. (Refer to Assessment Resolution according to Association).

Therefore, the TDI contribution is determined by multiplying this amount by the number of TDI units, and the condominium contribution is determined by multiplying this base amount by the number of condominium units.

POLICY AND PROCEDURE RESOLUTION

Policy of Colony West Homeowners Association located at #31 Colony West Drive, Champaign, Illinois 61820.

Adopted by the Colony West Homeowners Association Board of Directors on October, 1979.

Resolution pertaining to Exterior Maintenance – Condominiums

Resolved: The language of 3.06 B of the HOA Declaration sets the general pattern for maintenance at Colony West and clearly establishes that this responsibility for maintenance on the exterior of all dwelling units, including condominiums, is the exclusive province of the Homeowners Association. The responsibility for maintenance is not discretionary with the Board, but rather mandatory and this may not be delegated by the Homeowners Board to the Condominium Board. The HOA can enlist the CWCB as its agent for seeing that maintenance is performed just as it could hire any painting contractor or resident manager to see to these obligations. However, the ultimate responsibility for seeing that the work is in fact performed and that funds are made available for the payment of said work is the responsibility of the HOA and should the HOA be derelict in its duty and property or persons damaged as result thereof, the legal responsibility would lie with the HOA without regard to any Board resolutions delegating this responsibility to the CWCB. However, the actions generally described as “repairs” are not within the dictates of Section 3.06 B. As a consequence, the responsibility for repairs of condominium buildings rests not with the HOA, but rather with the Condominium Board pursuant to Article 5, Section 6 F, where the Board is clearly empowered to undertake repair and replacements of certain common elements. While the maintenance obligation for the exterior of the Condominium Association rests with the HOA, repairs are clearly within the terms of the Condominium Association’s Declaration and properly addressed by the Condominium Board. It will be up to the HOA through its definition of the term “maintenance” to more clearly define the responsibility for work, which falls, in the gray area existing between pure maintenance and pure repair.

POLICY AND PROCEDURE RESOLUTION

Policy of Colony West Homeowners Association located at #31 Colony West Drive, Champaign, Illinois 61820.

Adopted by the Colony West Homeowners Association Board of Directors on April 27, 2021

Resolution pertaining to Common Violations. The notification/fine structure is as follows:

- First Offense: Written Notice of Violation
- Second Offense: Written Warning
- Third Offense (fine): \$50.00
- Fourth Offense (fine): \$100.00

Notice: If the violation is not corrected within 7 days, or if it is repeated within 6 months, you will be subject to additional fines/legal action. If you feel this violation was attributed to you in error, you must inform the Board of Directors.

Important: Repeated violations and/or non-compliance will result in appropriate action being taken by the Board at the owner's expense via a special assessment.

Neglecting/refusing to pay a fine or special assessment will result in legal action up to and including a lien on your property.

Resolved: That the Colony West Board of Directors has passed a resolution to regulate the amount for fines. The offenses that incur a fine include:

1. Storage of Personal Items: All personal items should be kept in your storage shed or inside the fenced area.

2. **Garbage Removal:** garbage is only permitted outside a fenced in area in preparation for trash pick-up. Trash should only be placed outside a fenced area the night before a pick-up. Empty receptacles should be returned to the fenced area promptly.

3. **Window Treatments:** all window treatments should be standard and/or conventional in nature (curtains, drapes or blinds --- no sheets). Those visible from the exterior of all buildings must be white or off white in color. Inside the unit can be colored or patterned if desired. Window treatments must be in working order, installed appropriately, and free from breaks or tears.

4. **Signage:** Open House directional signs may be placed on the day of an Open House held on either Saturday or Sunday. Other types of signs are not allowed to be posted anywhere on Colony West property. This includes windows or unit exteriors where signage is visible.

5. **Fencing and Gates:** all fences are the responsibility of the owners and must be maintained. Fences should never fall into disrepair due to neglect. If your fence needs to be repaired or replaced, your prompt attention is required and a timeline for the completion of the replacement or repair must be submitted to the Homeowner's Association Board of Directors. Any fence repair or replacement needs to meet Colony West requirements and regulations. If you opt to have a fence gate, it must also meet the approved regulations for the purposes of uniformity. Non-standard gates are not permitted on fences.

6. **Patio and Storm Doors:** patio and storm doors should never fall into disrepair due to neglect. If your door needs to be repaired or replaced, your prompt attention is required. The Board of Directors must approve all replacement windows, patio and storm doors prior to installation. Existing specifications must be adhered to and are in writing at the Colony West office

7. **Yard/Patio Maintenance:** Grass and weeds in excess of 6 inches are not allowed in front or inside the back fence of the townhomes, duplexes, and individual homes (TDI's).

Resolution pertaining to Pets

Resolved:

- A) Residents owning pets will assume full responsibility for personal injuries or property damage caused by the pet and each pet owner indemnifies Colony West Association, Board of Directors, and Management and holds it harmless against any loss, claim or liability of any kind or character whatsoever arising from, or growing out of the privilege of having a pet at Colony West.
- B) Owner's patio and or yard must be kept clean of dropping so that animal odor does not offend neighbors and attract insects at all times.
- C) There can be no more than two (2) pets per unit.
- D) All Colony West pet owners must follow all Champaign County Animal Control Ordinance concerning pets on leashes and the proper disposal of pet waste immediately. No tethering or leaving pets outside of your unit unattended at any time.
- E) It is a requirement that all pet owners register their pets with the office. Any pet not so registered will be considered a non-resident and will be remanded to the Champaign City Animal Control. Those who fail to register their pet will be fined.
- F) Fines will be levied for any violation of pet policy per Policy & Procedure Resolution F4, see Colony West Website, www.colonywest.info.
- G) The Colony West Homeowners Board of Directors has the authority to demand an owner permanently remove any pet from the property which is in violation of the property's rules and regulations.

POLICY AND PROCEDURE RESOLUTION

Policy of Colony West Homeowners Association located at #31 Colony West Drive, Champaign, Illinois 61820.

Adopted by the Colony West Homeowners Association Board of Directors on September 26, 1989

Resolution pertaining to Amendment to Plantings

Resolved: Plantings are not permitted outside of fences or around the exterior of dwelling units or fences without prior written consent from the Homeowners Board of Directors. All approved plantings must be maintained by the owner, at their expense, and landscaped using edging and mulch. The Homeowners Association has the authority to handle outside plantings and patio plantings that encroach on walkway areas and charge the expense to the unit owner responsible for the plantings.

POLICY AND PROCEDURE RESOLUTION

Policy of Colony West Homeowners Association located at #31 Colony West Drive, Champaign, Illinois 61820.

Adopted by the Colony West Homeowners Association Board of Directors in 2011

Resolution pertaining to Trees/Private Property

Resolved: The Association will continue to trim, prune, and remove trees that are on private property not inside a unit fence when deemed necessary. Planting and removal will be Colony West responsibility outside of fenced areas. Trees within the confines of an owner's fence are the owner's responsibility. If a fence is extended, with Board approval, to encompass any tree or landscaping it will then be the owner's responsibility for maintenance. With the removal of an original fence the boundary for owner maintenance will remain the same.
