I. PURPOSE

The purpose of this policy is to provide the individual, the family, and the legal representative with Notice of Costs for which ABLED, Inc. will pay while the individual is in services. It is implemented to comply with Regulations: Title 404 Chapter 4-005.04.

II. AUTHORITY

This procedure is approved by the Board of Directors and/or its designee.

III. PROCEDURAL DIRECTIVES

The guidelines below will be followed for people supported, in regard to Notice of Costs:

A. Transportation & Miscellaneous Expenses

The ISP Team is responsible for determining each individual's leisure and transportation needs and available resources.

1. Local transportation will be provided by ABLED, Inc. for persons while they are receiving support.
2. Transportation will be provided by ABLED, Inc. for health care needs, job or volunteer activities when such support is needed (as determined by the ISP Team).
3. Transportation for self-employment will be discussed by the ISP Team.
4. Travel expenses to the closest shopping center will be paid by ABLED, Inc. for buying supplies, sundries, clothing and personal items that aren't available within the community.
5. It is the ISP team's responsibility to review the current financial status of people supported by the agency and discuss an appropriate plan for leisure and transportation expenses; if the person cannot afford the costs, alternative funding should be sought (possible sources may be donated money, families, miscellaneous accounts, etc.).
6. Any reimbursement by people supported by the agency to staff will be made first to ABLED, Inc. who will then reimburse the employee.
7. All expenses will be paid by the person(s) supported by the agency who are going on the trip, including staff expenses (motel, meals, tickets, etc.), if such support is needed for the person to participate in the activity.
8. The ABLED Executive Team will be notified and will approve all out-of-the-area transportation.

B. Damaged or Missing Personal Items

Replacement or compensation for a person's personal items that are damaged or missing will be discussed and determined by the ISP team(s). ABLED, Inc. will replace any food paid for by individuals which is eaten by staff or by individuals who do not reside at the location. This excludes visitors/guests invited by the individuals to socialize in the residence.

C. Other Funding Sources

There will not be a charge for services or items that are covered through other funding sources, including items necessary to provide habilitation and transportation related to habilitation.

D. Room and Board Payments

Room and Board covers things such as: rent, utilities, food/meals (including staff on duty), house insurance, minor residence repairs, household furnishings, bedding, curtains, cleaning supplies, and contracted services.

E. Costs Paid by Individual/Payee/Legal Representative

Expenses that are the responsibility of the individual and/or payee include but are not limited to:

- personal medication,
- lifeline,
- renter's insurance,
- damages to property caused by the individual beyond minor repairs,
- surgical and medical expenses,
- larger bed and bedding,
- personal trips,
- personal phone calls,
- haircuts,
- clothing,
- hobbies,
- leisure activities, and
- personal hygiene items - soap, toothbrush, toothpaste, comb, mouthwash, shampoo, etc.
