Regular Monthly Meeting

Salute to the Flag: Regular meeting call to order:

Vice-Chairman Raymond Guzic, Jr., Supervisor- Scott Guzic, Solicitor Thomas Swope, and EADS Engineer Thomas Kakabar

Chairman- Jaime Hartline has conflicting meeting schedule.

Ronald Muldoon, Chuck Grouse and Kami Rocker representing the PA Recreation and Parks Commission, Shami Susko representing the Cambria County Planning Commission, Sally and Linda Behe, and Kristin Baudoux representing the Mainline Newspapers.

Public Participation:

As Discussed:

- Chuck Grouse, Kami Rocker and Shami Susko-representing PA Recreation & Parks Association and the Cambria County Planning Commission, spoke about the importance of a multi-municipality planning for grant funding, promoting tourism, and recreation. Considering forming a planning commission with one representative from each municipality involved in the creation of a comprehensive plan. Currently Portage Borough, Portage Township, Cassandra Borough is all in favor of the plan. Cresson Township, Cresson Borough, and Gallitzin Township and Gallitzin Borough will be invited to join. Washington Township Supervisors are in favor of the commission.
- Sally and Linda Behe- inquired about the Memorial Benches they purchased. Also requested a special placement for the benches ordered, benches are to be delivered within two weeks. Concrete pads need to be poured before placement of the Memorial Benches.
- Ronald Muldoon- provided the Supervisors with a list of concerns with the Memorial Community Center Library Museum.
 1. Library insurance- with the display of historical memorabilia in the museum, should and accident or theft occur, who would be responsible? The solicitor suggests an indemnification agreement, Washington Township would not be liable for items broken or stolen.
 2. Parking- has become an issue, signage and line painting need to be completed. Signage for the Library hours of operation.
 3. Landscaping- needs to be completed- lowest maintenance as possible.

The remote-control winching system for attic storage – works well. The problematic gutter that does not catch the rain, perhaps it is undersized, and the need for an ongoing security tech- perhaps placing the installer Summit Securities on retainer, for future security difficulties.

Motion made by Scott Guzic 2nd Raymond Guzic, jr., to authorize and accept resolution 8-2022 with commitment letter as supporting document. Roll call, all in favor, motion passed.

- The exhaustion of the Greenways, Trails & Recreation Grant- bench pads and Craig Fencing.
- The exhaustion of the Marnier East Grant funding \$60,000.00 before year end.

Solicitor's Report:
