

## Day Two

*(1:6) Elohim said: "Let there be a solid plate in the middle of the waters, and let it separate the waters from the waters."*

*(1:7) Elohim made the solid plate and separated the waters which were under the plate from the waters which were above the plate.  
And it was so.*

*(1:8) Elohim named the solid plate, "Skies."  
And it was evening and it was morning,  
Day Two.*

Elohim spoke again, but this time Elohim made "a solid plate" that "separated the waters" of "the Deep." Update your list.
