

*Stacy grew up near Rockford, Illinois, and lived there until attending Pensacola Christian College, graduating with a major in Business Administration and a minor in Bible in 1991. He served as an administrator in Christian education from 1991-1995 and then worked in the personal finance and banking industries until 2008. During his years of secular employment, he remained active in the Christian educational ministries of our local church, Gospel Light Baptist Church, in Salisbury, North Carolina, until the Lord called him back into the ministry in June 2006. As we prayed for God's clear direction, He began to preach at nursing homes, prisons, and our church. It was during a mission trip to Peru in 2007 that the Lord called us to be missionaries. Stacy was ordained in December 2007 and earned his master's degree in education from the University of Carolina in 2022. He is currently pursuing his doctorate in Intercultural Studies at Columbia International University*

*Jennifer was born in the South Shore area of Massachusetts but also lived briefly in Florida. She also attended Pensacola Christian College, where she majored in Education with a minor in Business. From 1991-1995, she taught various grade levels, from kindergarten to high school. She also spent several years in banking before moving into the property management industry.*

*We have four children: Tim, Matt, Hannah, and Rebekah. Tim and his wife, Kathryn, live and work in the Bangor area with their daughter, Genevieve, while Matthew and his wife, Naomi, live and work in the Atlanta area with their son, Weston. Hannah and her husband, Matt, live in Florida and work for the ministries of Pensacola Christian College. Rebekah and her husband Jacob live and work in the Atlanta area as well.*

*Since arriving in Peru in 2011, we founded the New Life Christian School and Gospel Light Ministries in 2015, and the Iglesia Bautista Luz del Evangelio in Manchay in 2016. In addition to pastoring the church in Manchay, we oversee a homeschool ministry for Peruvian children, teach weekly Bible institute, seminary, and discipleship courses, hold marriage and family conferences throughout the country, and train local church leadership throughout Peru. In 2020, we founded Gospel Light GLM International as a nonprofit organization to facilitate capital project donations.*
