

EL & EL Wood Products
5° ENTRY DOOR COLLECTION

Millwork that creates distinction.™

Introduction

At EL & EL Wood Products it is all about the details. There are many alternatives when it comes to choosing a new entryway for your home. When you choose a Plastpro Fiberglass Door it's all about the options. EL & EL and Plastpro have come together to offer the most comprehensive line of 5⁰ Entry Door Units in the market place today. Choose from Plastpro, ODL or Trimlite glass designs in your choice of Smooth or Textured Door styles that are available in many prefinished colors (shown on p13 of this book).

We offer options to fit any budget and choosing one of our door designs is the first step in creating a beautiful entryway that can provide exactly the look you want for your home.

EL & EL understands that your home is a reflection of who you are. That's why we've designed a range of doors and glass options to help express a character that is undeniably yours.
