Dear Members,

As you know, the Chief and Council recently accepted a community petition to update our election code. The new Thessalon Election Law is based on our current code, and updated to be clearer, more flexible and to address community members' concerns. The Chief and Council are in the process of reviewing the changes, and there will be opportunities for community members to review and give feedback on the changes as well.

The changes to the election law will not take effect until after the election scheduled for November 2023. At the November elections, members will be asked to vote on approving the changes.

Miigwech
