

# THE ROYAL'S DARK TOWER

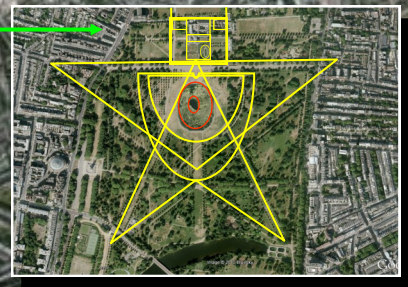

The purpose of this illustration is to depict the various ley-lines that suggest a Sauron type of tower motif that encompasses the Hyde park area adjacent to the Royal Palace in London. Sauron was Tolkien's The Lord of the Rings evil lord, the Necromancer also described as the chief lieutenant of the first Dark Lord, Morgoth. Tolkien noted that they were angelic powers from the Satanic rebellion. Does the Eye have an ever vigilant look upon those of the Royal Residence of Kingston Palace? Does the Owl representing MOLECH require human sacrifices? The various conjunction points lead to the most prominent 'Tower' of all the United Kingdom, that of Big Ben. The Sauron 'Tower' is also encompassed by the Luciferian Masonic Compass and Ruler work as a Stargate and harnesses the male and female sexual energies.
