March 2014 President's Message

Well members, March is upon us. Fred Hal is in full swing. I have seen former president Tim Campbell at Friends of Rollo with current member Don Udlock. Friends of Rollo usually has some great prizes and I hope to obtain a list and send them to everyone. They include discounts for trips, rods, reels and other goodies.

Rich Jenkins was at Izorline, one of our discounters and raffle prize suppliers. Former member Mario Ringo could be found at P Line and Gary Gillingham was at Accurate. Wil Ebersman was everywhere. Dan Hernandez and Phil Friedman Youth organizations. I saw a lot of club members who stopped by Dan Hernandez where I worked the entire show.

This month marks the opening of rock fishing and with it our annual participation in the Fish for Food Program in Oxnard. If you are attending, please wear a club T shirt. I know Challengers, LA Rod and Reel and Westside will show up in their club shirts.

If you get this before Fred Hall is over go to Cousins Rods and enter for a chance to win one of their rods or lures.

Our sponsor Turners had some good deals and I hope to pick up a seeker and other rods for the Awards Banquet next year.

If you attend and listen to a speaker, please obtain the speaker's name and contact information as a possible speaker. There is a group of guys in Pasadena who make rods with Batson blanks I met. They might make excellent speakers on rod building and rod repair.

If you cannot make Fred Hall in Long Beach or Del Mar, on April 5 and 6 Pacific Sports fishing magazine sponsors' version of Fred Hall at the Orange County Fairgrounds and in November is Bassathon, see Dick or Randy for more information as they are usually there. All these events have speakers who discuss local fresh and saltwater fishing and over the years I have gained a wealth of knowledge from attending.

To the new members, remember July is Swap meet month. You can bring any tackle or sports related items to the meeting and buy, sell or trade with other members. You can do this any month but we usually make July a special time for this activity.

All trips appear to be open, so plan to go out and fish with us this year. We are a FISHING club. Please make an attempt to support the club so we can expand our trips to offer as wide a variety of opportunities as possible to our members.

See you at the meetings and on the water.

Your President

Thanks for those who showed up for our first official freshwater outing. Laney H., Randy M., Jose Domingez and Jose Jr. Alex Perez and his two brothers Michael and David and their friend who's name I forgot, sorry! were all the principal players. The weather was great; we had the whole shoreline to ourselves two float tubers floating by. After a couple of hours we all migrated to the upper lake fishing the east and west boat ramp areas. In time we all called it a day, Randy stayed on as usual to try his skills. I don't know how he did though. That raps it up on this subject.

Lake Perris is next on the list. Keep Saturday the 22nd open. Fish anyway you wish, float tube sailboat cove, rent a boat, take your own boat. I'll be there with my boat about 6:30ish. Once again the Wednesday meeting I'll tally up who's interested in going. 6265739156 hm.# or 626-3213728

DINNER MEETINGS

Once again for 2014 we are able to meet at Mimi's Restaurant in Monrovia. It has become more and more difficult to find meeting space as time goes on. In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please note that the gratuity should already be added onto your bill.

RAFFLE NEWS

CLUB ROSTER

Club Rosters should be available from Membership Chairman Pierre Sycip if you need one. Just ask Pierre for an updated 2014 Roster.

2014 FISH for FOOD

The 2014 Fish for Food event is scheduled for Tuesday March 18 from 7 a.m. until 3 p.m. Once again it is at Channel Islands Sport fishing. Mark your calendar now and Will Ebersman should have more information at the March meeting. All fish is donated to the Ventura County Food Bank. This is an inexpensive day on the water followed by lunch and a free raffle for the fishermen

For those of you who signed up for the Fish for Food event just a reminder. If for some reason you cannot attend and you signed up for the Pacific Islander, please let William or I know ASAP so we can find a replacement. Also let's wear our Turners T shirts, hats, etc that day. The other Clubs wear their Club shirts, hats and jackets every year.

MARCH MEETING DEADLINE

The 2014 March meeting is the deadline for paying your dues if you wish to receive a 2014 Turners Rod & Reel Club T Shirt. Also your dues must be paid in order to participate in the Whopper Board and Angler of the Year for 2014.

Please see Pierre at the March meeting if you haven't verified your shirt order yet. Long sleeve shirts are available but only by special order in advance and at a small additional cost. Honorary members who do not pay dues must notify Pierre if they want a shirt this year at the cost of \$10. We need to get the order in right after Fred Hall so please take care of this small item of business

UNITED ANGLERS of Southern California

For those of you who have not yet attended the Fred Hall Show by the time this newsletter comes out, there has been one big change. The United Anglers Board decided not to participate in Show this year. So don't bother looking for their booths this weekend at the show. I expect that Mr Davis will be mentioning this in his article or at the next meeting.

validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2014 are the same as last year: \$45 for an individual and \$60 for a family membership. That entitles you to one T-shirt for individuals and 2 T-Shirts for family members.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2014, your 2013 membership card is void. In order to receive the discount, a current 2014 membership card will be required. Island Tak Trip 11/16/2013

By

Jim Clough

Friday got home from work, cleaned up, ate dinner headed over to Mike's house and then headed to Oxnard. Arrived about 9:30. Everybody else was there. Put stuff and went for some sleep. Started fishing about 8:00. started off slow. A few small rockfish caught. I finally got bit and in the weeds it went. Worked it free and brought it in. A nice calico. We tried several other spots. Some lings were caught. Some nice reds landed. Tried for halibut. No biters. Everybody got a few fish. Lots of good talk with good friends. All members on this trip.
