DESCRIPTION: Staghorn bows were made in Merrill WI by Bill Pyle. Staghorn used the finest materials and Bill was a master craftsman. Because of the quality and workmanship, Staghorns were also among the most expensive bows on the market.

This 48# hunting bow is a great looking and performing recurve. No delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes. No chips or dings. No stress lines or crazing. A few scratches and scuffs on the limbs. This is a really nice bow in excellent condition for its age. Comes with a used string in reasonable shape.
