We brought in more money on the online auction portion of the event in 2021 than in 2020.

In 2021 online items, donations, and fund a need purchases totaled \$6,101.04. In 2020 online items, donations, and fund a need purchases totaled \$5,201.36. In 2021 we had a total of 107 items, and in 2020 we had a total of 70 items.

The difference in the overall profit from 2020 to 2021 lies in offline / pre-auction donations that came in.

In 2020 we had a total of \$3,200: two individuals (both Board members) contributing \$100 each; one organization (vendor at convent) contributing \$500; one organization (solicited by Board member) contributing \$2,500. In 2021, although similar requests were made for Board, etc to re-ask past donors, we only had a total of \$300 in offline / pre-auction donations: one individual (Board member) contributing \$100; one organization (vendor at convent) donating \$100; and one pre-auction purchase at \$100.

Other Observations:

- Exterior requests for donations (especially through email / websites) was much higher in 2021. This is mainly due to the fact that we had the time to make these requests this year; whereas, in 2020 we only decided to hold the online event a few months beforehand. Much of the time that was spent selecting and learning the auction software last year was able to be spent on solicitations this year.
- Significant contributions again came from the Franciscan Peddler and from sister-crafted items (Thank you, Sr Ann and Sr Mary Louise). Additionally we were able to pull heavily from the Centennial Barn's alcohol overstock/reserves in light of the coming management transfer.
- Board participation (solicitations and donations) was much lower in 2021 than in 2020.
