

100 Extraordinary Women Campaign at Governor Dodge State Park

Are **YOU** an Extraordinary Woman who wants to make a difference? Do you know an Extraordinary Woman who deserves to be honored? Are you aware of a premiere WI state park that is long overdue for an adequate equestrian campground? The Friends of Governor Dodge State Park-Equestrian Committee is excited to announce a new campaign to help make it all happen, **100 Extraordinary Women**. With your help, we can raise \$100,000 in 6 months.

100 Extraordinary Women is a national organization that empowers women to join together to support causes they believe in and create a bigger impact than they could on their own. Through this online giving campaign, extraordinary women donate/pledge \$1,000 to the Friends of Governor Dodge-Equestrian capital campaign. The options make it easy... give a one-time donation or pledge over 5 years (\$200 per year or as little as \$16.67 per month.) Women can even form groups and give a gift together, e.g., family members, sisters, bowling teams, book clubs. Men can donate in honor or in memory of an extraordinary woman in their life.

Names of **Extraordinary Women** will appear on special, individualized bricks that will be incorporated into a lovely display at the park's future campground. Be part of this exciting initiative. When women come together, extraordinary things happen!
