CORONAVIRUS EMERGENCY ANS Small Business Guide and Checklist

Updated: April 1, 2020

The Coronavirus Aid, Relief, and Economic Security (CARES) Act allocated \$350 billion to help small businesses keep workers employed amid the pandemic and economic downturn. Known as the Paycheck Protection Program (PPP), the initiative provides 100% federally guaranteed loans to small businesses.

Importantly, these loans may be forgiven if borrowers maintain their payrolls during the crisis or restore their payrolls afterward.

The administration has released initial guidelines; they are available at **www.treasury.gov**. The U.S. Chamber of Commerce has issued this guide to help small businesses and self-employed individuals check eligibility and prepare to file for a loan.

Small businesses and sole proprietors can begin applying on April 3. Independent contractors and self-employed individuals can apply beginning on April 10.

Here are the questions you may be asking—and what you need to know.

You can apply through any existing SBA 7(a) lender or through any federally insured depository institution, federally insured credit union, and Farm Credit System institution that is participating. Other regulated lenders will be available to make these loans once they are approved and enrolled in the program. You should consult with your local lender as to whether it is participating.

While the program is open until June 30, 2020, the government is advising borrowers to **apply as soon as possible** given the loan cap on the program.

1

REMEMBER: The 500-employee threshold includes all employees: full-time, part-time, and any other status.

What will lenders be LOOKING FOR?

Borrowers will need to complete the Paycheck Protection Loan Application (which is available [HERE](#)) and payroll documentation

Lenders will also ask you for a good faith certification that:

1. The uncertainty of current economic conditions makes the loan request necessary to support ongoing operations
2. The borrower will use the loan proceeds to retain workers and maintain payroll or make mortgage, lease, and utility payments
3. Borrower does not have an application pending for a loan duplicative of the purpose and amounts applied for here
4. From Feb. 15, 2020 to Dec. 31, 2020, the borrower has not received a loan duplicative of the purpose and amounts applied for here (Note: There is an opportunity to fold emergency loans made between Jan. 31, 2020 and the date this loan program becomes available into a new loan)

If you are an independent contractor, sole proprietor, or self-employed individual, lenders will also be looking for certain documents (final requirements will be announced by the government) such as payroll tax filings, Forms 1099-MISC, and income and expenses from the sole proprietorship.

What lenders will NOT LOOK FOR

- That the borrower sought and was unable to obtain credit elsewhere.
- A personal guarantee is not required for the loan.
- No collateral is required for the loan.

3

How much can I BORROW?

Borrowers are eligible to have their loans forgiven.

How Much?

A borrower is eligible for loan forgiveness equal to the amount the borrower spent on the following items during the 8-week period beginning on the date of the origination of the loan:

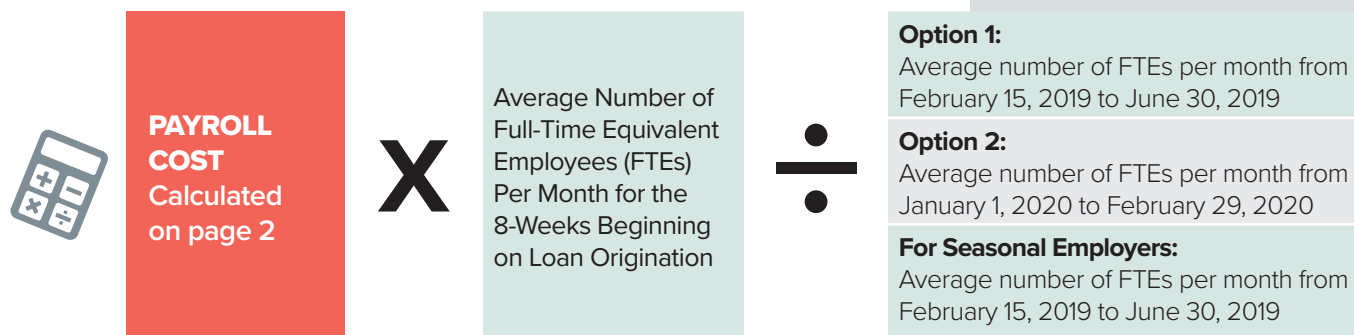

- Payroll costs (using the same definition of payroll costs used to determine loan eligibility)
- Interest on the mortgage obligation incurred in the ordinary course of business
- Rent on a leasing agreement
- Payments on utilities (electricity, gas, water, transportation, telephone, or internet)
- For borrowers with tipped employees, additional wages paid to those employees

NOTE: The government is now advising that because of high participation, it is anticipated that not more than 25% of the forgiven amount may be for non-payroll costs. The loan forgiveness cannot exceed the principal.

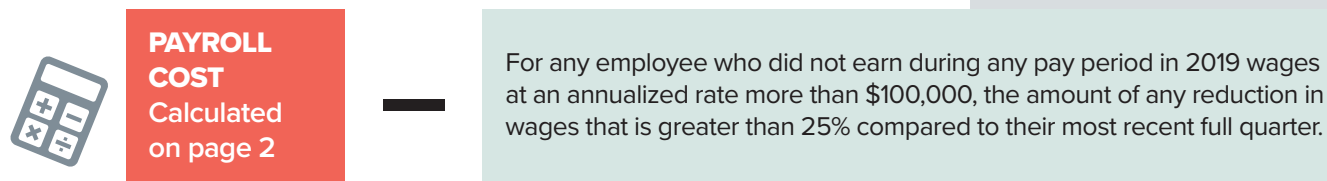

How could the forgiveness be reduced?

The amount of loan forgiveness calculated above is reduced if there is a reduction in the number of employees or a reduction of greater than 25% in wages paid to employees. Specifically:

Reduction based on reduction of number of employees

Reduction based on reduction in salaries

What if I bring back employees or restore wages?

Reductions in employment or wages that occur between February 15, 2020 and April 26, 2020 (as compared to February 15, 2020) shall not reduce the amount of loan forgiveness **IF** by June 30, 2020 the borrower eliminates the reduction in employees or reduction in wages.

WHAT'S NEXT?

Look out for more information about eligible lenders and additional guidance from the SBA soon.

This could be the bank you already use, or a nearby bank. There are thousands of banks that already participate in the SBA's lending programs, including numerous community banks. You do not have to visit any government institution to apply for the program. You can call your bank or find SBA-approved lenders in your area through SBA's online [Lender Match](#) tool. You can call your local [Small Business Development Center](#) or [Women's Business Center](#) and they will provide free assistance and guide you to lenders.

Who is eligible for the loan?

You are eligible for a loan if you are a small business that employs 500 employees or fewer, or if your business is in an industry that has an [employee-based size standard through SBA](#) that is higher than 500 employees. Yes. Sole proprietors, independent contractors, gig economy workers, and self-employed individuals are all eligible for the Paycheck Protection Program.

What is the maximum amount I can borrow?

The amount any small business is eligible to borrow is 250 percent of their average monthly payroll expenses, up to a total of \$10 million. This amount is intended to cover 8 weeks of payroll expenses and any additional amounts for making payments towards debt obligations. This 8 week period may be applied to any time frame between February 15, 2020 and June 30, 2020. Seasonal business expenses will be measured using a 12-week period beginning February 15, 2019, or March 1, 2019, whichever the seasonal employer chooses.

How can I use the money such that the loan will be forgiven?

The amount of principal that may be forgiven is equal to the sum of expenses for payroll, and existing interest payments on mortgages, rent payments, leases, and utility service agreements. Payroll costs include employee salaries (up to an annual rate of pay of \$100,000), hourly wages and cash tips, paid sick or medical leave, and group health insurance premiums. If you would like

to use the Paycheck Protection Program for other business-related expenses, like inventory, you can, but that portion of the loan will not be forgiven.

When is the loan forgiven?

The loan is forgiven at the end of the 8-week period after you take out the loan. Borrowers will work with lenders to verify covered expenses and the proper amount of forgiveness.

What is the covered period of the loan?

The covered period during which expenses can be forgiven extends from February 15, 2020 to June 30, 2020. Borrowers can choose which 8 weeks they want to count towards the covered period, which can start as early as February 15, 2020.

How much of my loan will be forgiven?

The purpose of the Paycheck Protection Program is to help you retain your employees, at their current base pay. If you keep all of your employees, the entirety of the loan will be forgiven. If you still lay off employees, the forgiveness will be reduced by the percent decrease in the number of employees. If your total payroll expenses on workers making less than \$100,000 annually decreases by more than 25 percent, loan forgiveness will be reduced by the same amount. If you have already laid off some employees, you can still be forgiven for the full amount of your payroll cost if you rehire your employees by June 30, 2020.

Am I responsible for interest on the forgiven loan amount?

No, if the full principal of the PPP loan is forgiven, the borrower is not responsible for the interest accrued in the 8-week covered period. The remainder of the loan that is not forgiven will operate according to the loan terms agreed upon by you and the lender.

What are the interest rate and terms for the loan amount that is not forgiven?

The terms of the loan not forgiven may differ on a case-by-case basis. However, the maximum terms of the loan feature a 10-year term with interest capped at 4 percent and a 100 percent loan guarantee by the SBA. You will not have to pay any fees on the loan, and collateral requirements and personal guarantees are waived. Loan payments will be deferred for at least six months and up to one year starting at the origination of the loan.

When is the application deadline for the Paycheck Protection Program?

Applicants are eligible to apply for the PPP loan until June 30th, 2020.

I took out a bridge loan through my state, am I eligible to apply for the Paycheck Protection Program?

Yes, you can take out a state bridge loan and are still be eligible for the PPP loan.

If I have applied for, or received an Economic Injury Disaster Loan (EIDL) related to COVID-19 before the Paycheck Protection Program became available, will I be able to refinance into a PPP loan?

Yes. If you received an EIDL loan related to COVID-19 between January 31, 2020 and the date at which the PPP becomes available, you would be able to refinance the EIDL into the PPP for loan forgiveness purposes. However, you may not take out an EIDL and a PPP for the same purposes. Remaining portions of the EIDL, for purposes other than those laid out in loan forgiveness terms for a PPP loan, would remain a loan. If you took advantage of an emergency EIDL grant award of up to \$10,000, that amount would be subtracted from the amount forgiven under PPP.

GUIDE TO SBA'S ECONOMIC INJURY DISASTER LOANS

The Coronavirus Aid, Relief, and Economic Security (CARES) Act expands the Small Business Administration's long-standing Economic Injury Disaster Loan Program (EIDL). The EIDL program was created to assist businesses, renters, and homeowners located in regions affected by declared disasters.

Who is **ELIGIBLE**?

In general, all of the following entities that have suffered substantial economic injury caused by a disaster provided they were in existence on January 31, 2020:

- Businesses with fewer than 500 employees
- Cooperatives, ESOPs, and tribal small businesses with fewer than 500 employees
- Sole proprietors
- Independent contractors
- Most private nonprofits

What are the **LOAN PARAMETERS**?

- The maximum EIDL is a \$2 million working capital loan at a rate of 3.75% for businesses and 2.75% for non-profits with up to a 30-year term
- Payments on Coronavirus EIDL loans are deferred for one year
- Up to \$200,000 can be approved without a personal guarantee
- Approval can be based on a credit score and no first-year tax returns are required
- Borrowers do not have to prove they could not get credit elsewhere

- No collateral is required for loans of \$25,000 or less. For loans of more than \$25,000, general security interest in business assets will be used for collateral instead of real estate
- The borrowers must allow the SBA to review its tax records

How can I access an **EMERGENCY \$10,000 GRANT**?

- Eligible applicants for an EIDL can receive a \$10,000 emergency grant within three days of application (through Dec. 31)
- There is no obligation to repay the grant. To receive the \$10,000 emergency grant, it is not necessary to have an approved EIDL loan. However, if you are able to secure a PPP loan, the \$10,000 grant will be subtracted from the forgiveness amount

NOTE: The Paycheck Protection Program (PPP) created by the CARES Act prohibits borrowers from taking out two loans for the same purpose. For more information on PPP loans, visit uschamber.com/sbloans

GUIDE TO THE EMPLOYEE RETENTION TAX CREDIT For COVID-19 Impacted Employers

The Coronavirus Aid, Relief, and Economic Security (CARES) Act created a new employee retention tax credit for employers who are closed, partially closed, or experiencing significant revenue losses as a result of COVID-19.

Who is **ELIGIBLE**?

Private employers, including non-profits, carrying on a trade or business in 2020 that:

- Have operations partially or fully suspended as a result of orders from a governmental authority due to COVID-19, or
- Experience a decline in gross receipts by more than 50% in a quarter compared to the same quarter in 2019 (eligibility ends when gross receipts in a quarter exceed 80% compared to the same 2019 quarter)

With respect to tax-exempt organizations under 501(c) of the tax code, the requirement to be partially or fully suspended applies to all operations of the organization.

Employers who receive a Paycheck Protection Program (PPP) loan are not eligible for a tax credit. To learn more about PPP loans, visit [uschamber.com/sbloans](https://www.uschamber.com/sbloans)

How much is the **TAX CREDIT**?

This new employee retention tax credit is a 50% tax credit for the first \$10,000 of compensation, including the employer portion of health benefits, for each eligible employee.

- Compensation does not include paid sick or family leave for which the employer is reimbursed under the Families First Coronavirus Response Act
- The credit only applies to wages paid after March 12, 2020 and before January 1, 2021

WHICH EMPLOYEES COUNT toward eligibility?

- For employers with more than 100 employees: Full-time employees who are (i) being paid but (ii) not providing service due to either a full or partial shutdown or a reduction in gross receipts count toward eligibility
- For employers with 100 or fewer full-time employees: All employees, regardless of whether those employees are providing service, count toward eligibility
- Employers may not claim the same employee for this credit and the Work Opportunity Tax Credit for the same period. In addition, employers may not claim the same wages for an employee under this credit and also under the employer credit in section 45S for FMLA

How is the **CREDIT PAID**?

The refundable credit is applied against the employer portion of payroll taxes. The Treasury Department will develop a process for employers to receive an advance payment of the tax credit.

HOW THE “FAMILIES FIRST CORONAVIRUS RESPONSE ACT” IMPACTS YOUR ORGANIZATION

On March 18, President Trump signed bipartisan legislation, called the "Families First Coronavirus Response Act," providing for the following:

- **Free testing for coronavirus:** All individuals who need a test, including those with private insurance, Medicare, Medicaid, CHIP, VA, FEHBP, and TRICARE, as well as the uninsured, will have access at no cost.
- **Paid emergency leave:** The bill provides two weeks of paid sick leave and up to three months of job-protected leave to allow workers to follow quarantine recommendations and care for their family members impacted by the virus.
- **Enhanced unemployment insurance:** It extends emergency unemployment insurance to help cover workers who are furloughed or quarantined due to an outbreak in their workplaces.
- **Food security:** It expands food assistance through the Women Infants and Children (WIC) program, food banks, Meals on Wheels, SNAP, and provides electronic benefit transfer amounts to families who would usually receive free and reduced-price meals at school.
- **Health security:** It invests additional federal funding into Medicaid to give states the option to expand Medicaid coverage for COVID-19 testing.

On March 27, Fisher Phillips hosted and presented a webinar focusing on the new law's impacts on organizations.

Top 10 Things You Should Know . . .

About the Reemployment Assistance System When Filing Your Claim

Reemployment Assistance (RA) provides temporary financial assistance to qualified individuals who have lost their jobs through no fault of their own and who continue to meet eligibility requirements of state law.

The program is not a right to all who have lost their job.

Keep these top 10 key facts in mind when you are filing for RA benefits to ensure accurate and quick payment of benefits.

We're here to help.

1. **Accurately Report the Reason You Are Unemployed**

Accurately report your reason for separation from your job when you initially file your claim for benefits. It is important that you provide the RA office with the precise reason for your separation so that we can best assist you and help you to avoid fraud.

2. **Report Any Wages You Are Earning**

You must report your gross wages (before your taxes are taken out) for each week you work and certify for benefits, even if you don't get paid until later. Be sure to accurately report on all earnings during your weekly claim certification – even those from part-time or temporary work. If you collect more RA benefits than you are eligible for because you fail to report earnings, you may be committing fraud and may be prosecuted.

3. **Register with the Employ Florida Marketplace (EFM)**

You may seek help in finding a job through EFM. EFM provides valuable resources that are available for your use, including job referrals, resume building and re-employment services.

4. **Be Available for Work**

In order to collect benefits, you must continually verify that you are able, available and willing to accept suitable work. Possible conflicts like attending school during work hours or limitations with child care or transportation could limit your work availability and be an eligibility issue. Report such issues on your claim forms.

5. Actively Search for Work

You must search for work each week that you file a claim for benefits. If you do not search for work during a week in which you file a claim, benefits may be denied until you show that you are actively seeking work.

6. Develop an Effective Work Search Plan

Many Reemployment Assistance claimants do not have an effective plan for searching for work. The Employ Florida Marketplace is a great place to learn about different kinds of jobs, their availability, and how to get training. Visit www.EmployFlorida.com for more information and assistance with planning an effective work search.

7. Avoid Errors and Ensure Proper Payment of Benefits

To prevent errors in payment of RA benefits that may result in an overpayment, it is important that you read all of the information that is provided to you when you file your claim for benefits. Improper payment of benefits will cause a delay or denial of future benefits.

<http://www.floridajobs.org/job-seekers-community-services>

8. Don't Delay – As Soon As You Begin Working Again, Report Your Return to Work

As soon as you begin working, be sure to notify your state's RA office and stop claiming benefits if you are working full time. Do not wait until you receive your first paycheck to report your return to work. The RA agency uses state and national resources to track new hires, so it is in your best interest to report your return to work immediately to avoid the serious consequences of an improper payment.

9. Follow the Rules to Prevent Yourself from Committing Fraud

Anyone who collects RA benefits is legally responsible for making sure he or she follows the requirements set by state law. Failure to follow the rules can result in serious consequences. Consequences for not following RA regulations can include prosecution by government authorities, repaying the benefits with penalties, forfeiting a future income tax refund, losing future eligibility to collect RA benefits and a possible jail sentence.

10. Know Your Responsibilities and Ask for Help

As a recipient of Reemployment Assistance benefits, you have a legal responsibility to know and follow all rules and reporting requirements. Navigating through the RA system can be confusing. If you have a question about your responsibilities or the requirements of receiving benefits, your state RA office is here to help. <http://www.floridajobs.org/job-seekers-community-services/reemployment-assistance-center/connect-general-information/connect-resources>
