

3rd Skin Metabolism Meeting

27-29 November 2017, Sunderland, United Kingdom

Introduction

The first two **Skin Metabolism Meetings** took place in Edinburgh, Scotland, 2011 and Valbonne France, 2013 and were both very successful. These meetings showed that this exciting scientific domain is highly relevant for chemical, cosmetic and pharmaceutical applications and allowed new scientific collaborations to be formed.

In order to maintain such collaborations and to increase the number of community members and students, LEO Pharma, L'Oréal, Charles River and University of Sunderland have joined together to co-organize this third meeting under the aegis of the DMDG, with contributions to preparation of the scientific program from Nestlé Skin Health, Bayer, Unilever, Pierre-Fabre, University of Newcastle and University of Strasbourg. The meeting will take place on 27th-29th November 2017 at the University of Sunderland, UK, with the use of a brand new conference facility.

The conference program covers six scientific sessions which will be kicked-off by an introductory lecture about the past and future of skin metabolism.

The meeting includes:

- Sessions
 1. Risk assessment
 2. Impact of skin metabolism on skin pharmacokinetics
 3. Drug transporters in the skin
 4. Illustration of studies in the skin metabolism field
 5. Which models can be used to study skin metabolism
 6. Novel analytical techniques for imaging drugs and metabolites in the skin

- Poster session including a poster blitz
- Related trade exhibition
- Welcome reception and conference dinner for all

Call for posters

Abstracts for poster presentation are invited and the closing date is 30th of September. abstracts should be: *arial, 10, black font, aligned to left of page, max. 100 words*

Poster abstracts should be sent to info@dmdg.org with copy to EDI-DermalServicesEvent@crl.com

Posters are displayed throughout the meeting.

Trade exhibition opportunities

There will be a small exhibition of relevant trade stands. The exhibition stand charges are detailed below:

£900 Exhibition stand including one full delegate

£980 Exhibition stand including two trade stand staff*

£130 Extra trade stand staff*

* Trade stand staff have no access to the technical program or conference dinner.

The exhibition package includes:

- Stand area with space for roller panel or poster board to display products and services
- One table measuring 75 cm deep x 150 cm wide
- Inclusion of an advert slide to be played on rotation on the main screen during breaks
- Logo acknowledgement in the delegate handbook

Please contact the DMDG secretariat if you would like an exhibition stand at the meeting (info@dmdg.org)

Sponsorship opportunities

Bronze (£250): Delegate pack inserts – sponsor to provide pack inserts (to comprise no more than two pages of A4 fixed together)

Silver (£500): Logo on meeting announcements, delegate handbook and rolling slides One full delegate

Gold (£1000): Logo on meeting announcements, delegate handbook and rolling slides Three full delegates

Please contact the DMDG secretariat if you would like to sponsor the meeting (info@dmdg.org)

Accommodation

Hotels nearby include:

- Premier Inn Sunderland City Centre (<http://www.premierinn.com/gb/en/home.html>)
- Travelodge Sunderland Central Hotel (<https://www.travelodge.co.uk/>) are next to the venue and early booking is advisable.
- A little further away, there is a Hilton Garden Inn (next to the Stadium of Light) (<http://hiltongardeninn3.hilton.com/en/index.html?ignoreGateway=true>) about 20 min walking distance or 2 stops away by metro.

Registration fees:

Students	£150.00
Early-bird Standard registrations (until 30 September)	£250.00
Standard registrations	£350.00
