The purpose of this Study is to provide a Response and Critique of a Video Teaching on how a Brother named Dana uses Paul's Journey and the Astronomical Alignments to explain a Model of the possible Rapture's Timing. It has to do also with the Names of several of the Ports that the Ship, in which the Apostle Paul was sailing it Note that this was Paul's Last Voyage as he was being sent to face Nero for Charges of Sedition in preaching the Gospel of Jesus, etc.

Acts Ship Voyage Solved.. Finally!

It is an Excellent Reference again is seeing others calculate the possible Rapture Window by other Means, as in Astronomy but based on the Journey of Paul. One would agree with the majority that Brother Dana stated and presented. One is not sure about using the exact YouTube Video Length 'Numbers' to be a 'Confirmation of the Rapture occurring. Perhaps but...

One has come across the suggesting that Paul's Journey, however had such 'Confirmations' in how, from Scripture Verses, the Name of Constellations, the Position of the Sun, Moon, the Locales and the Number of Days spent in each place infer the possible Correlation of how the Rapture Event could play out. Here is one's Response to his Observations.

1. *One liked the fact that he realized that on the Full Moon of July, being a Buck Moon, the Moon is at the 119th Degree, if the Ecliptic is rendered as a 360 Degree Circle on July 21-22. One is splitting the Days to account for the Hebrew Day.*

2. *This means that, on a July 23rd, the Day after, the Moon, still being Full, would reach the 120th Degree of Arc. This is exactly as one had shared about the Theory of Infinity in that it is at the 120th Arc that it occurs, if one flips the Formula or Equation, etc. The Point is that the Moon will be at that Position on July 22-23rd.*

3. One liked the Inference to the Binary Code of how the 119th Degree is as a Menorah of 1's and 0's that is signifying a 'Door'. Here is your Inference and link to the Leo New Year of July 23 and how that opens-up the Lion's Gate, etc.

4. When one saw and heard the Brother's Interpretation of Paul's Journey, one agreed but in this Angle of Research, he perhaps does not realize that it is synchronizing with the End of the Wheat Harvest. In fact, Dana commented that the Ancient Name for Messina was Scythe. And this is what the Instrument is, that the Grim Reaper has. Or it is an inference of how the Sickle is used to harvest the Grain, as in the Summer Wheat Harvest, etc.

5. One liked how the Inference was made that when the Rapture Event occurs, it will be on a Full Moon. And one has shared that for 2024, the End of the Wheat Harvest will coincide with the Full Moon, or the Buck Moon. This Date will coincide with July 22, which again is the End of the Summer Wheat Harvest.

6. Also realize that this 120 Degree Arc, when the Moon is at the 'Fracture' of the Milky Way, or the Point where the Head is eating the Tail of the 'Serpent in the Sky' or Dragon Ring, is that the Sun is juxtaposed opposite of it at the opposite Gate. Here is a Linear Rendition of the Gates and notice how they are 6 Months Apart and how they delineate the Year in half.

7. Realize that, as 1 Commentator wrote on the Video Posting, from the October 7, 2023 HAMAS Attack to the July 22-23 Date is a 9 Month Pregnancy Period. One had written about this Correlation and shared that Aspect too. But one's Point was also that in Hebrew, the October 7 Date was Tishri 23 or the 7th Month, 23rd Day or a '723' correlation to a July 23rd Date.

8. Here is where one leaps into the Movie Predictive Programming in how he even mentioned the Buck Moon. Remember, for all those that saw the Movie, 'The Knowing?' When the Professor was calling his Dad and how Judgment Day was to start on a Pentecost, once the Fire came down, the Forests were burning and what was showing prominently? A burning Buck. Coincidence?

9. One liked the Association with the Name of the Italian Port-Town of Rhegium. This is where it was surmised that its Meaning was that of a 'Fracture'. In one's Personal Interpretation, one believes that he 'Missed the Boat' about its 'Full' Rapture Implication. It is that when a Fracture occurs, that is like what is to occur at the Rapture Event. It will be a 'Fracture' of one's Natural Order and Domain, and Dimension. It will be as a New Born Baby being separated from the Mother's Womb, etc. It is a Separation, like with the Wheat from the Chaff, etc.

10. *And that from the Port City of Rhegium, or 'Rapture', one will enter, as Paul did into that 'Birth Canal' of Messina. This will be, as one will traverse through the Sky, the Clouds to get to Jesus' who will be waiting at that Rapture Rendezvous Place. It is as one will be 'Delivered' and received by Jesus, on the other Side. This 'Rapture' Rhegium is the Door and that is what occurs, based on one's Research into the Lion's Gate Typology, but also based on Astronomy, etc.*

11. *One other Commentator noted how the July 21-22 Date is exactly 11 Years and 11 Days from the Movie, 'The World's End'. The Movie was released back in 2013. One has not seen it but one thought that was for sure, Hollywood Predictive Programming, nonetheless, etc.*

This same Type of Research, based on Astronomy and Scriptural Verses, which is great, would appear to 'Confirm' one's Estimation about a July (WWW) White Wheat Wedding Rapture Window. This is why the Window is from 21-23 in one's Book. And the Brother also mentioned different Time Zones as well. Lastly, one does refer you all to the same Day Count of how the New Testament, using the Apostle Pauls' other Missionary Journey, pinpoints also when Pentecost occurred. And it was not Shavuot. In Greek, there are 2 different Words.

17 Sailing on from there, we arrived the Next Day opposite Chios. The Day after that we arrived at Samos, and on the Following Day we came to Miletus.

*16 Paul had decided to sail past Ephesus to avoid spending time in the province of Asia, because he was in a hurry to reach Jerusalem, if possible, by **the Day of Pentecost.***

17 From Miletus, Paul sent to Ephesus for the Elders of the Church'. -Acts 20:16

If one has Time and for 2024, the '723' July 23 comes-and-goes, then one will develop this Aspect of the Research into the Pentecost New Wine Rapture Theory. But this was a really Good and Encouraging Video that one could Appreciate for obvious Reasons. Consider the issue of Timing. It was reported that on April 24, the Big Ben Clock in London stopped, Its Hands froze at 9am. Consider that in terms of the Acts 2 Pentecost, it was at 9am that the New Wine Oblation was to have been poured over the altar at the Temple Mount. And consider what Month, Big Ben had previously stopped, July.

According to Research, Big Ben's Bell sounds at 11am but with Chimes at 10:06am. This was despite the Hands of the Clock's Face showing 9am. Big Ben was silenced in August 2017 for 4 Years. But the Work was delayed, finally finishing in 2022. The clock stopped working twice in 1 Week on July of 2023. Then consider the Time-Frame from the Big Ben Time Freeze to the End of the Summer Wheat Harvest.

From April 24 Big Ben Freeze to July 21 = 88 Days

And? Consider the Movie Back to the Future, in that to Pierce Time and Space, the DeLorean Car had to reach 88 Miles per Hour. The Numerical Factor of 88 deals with the Suspension of the Space-Time Continuum. That is what will happen at the Rapture's Timing. It is also when the Planet Mercury has its Greatest Elongation, on July 22. It is called 'Mercury Rising'. Will the Bride of Christ see this occur, in a similar Fashion when the Calendar turns over to a New Year, Astrologically, the Leo New Year and when its Gates open?

NEW WINE RAPTURE THEORY

Philadelphian Door of Escape

The purpose of this Book, the 4th in a Tetralogy is about expounding on the Notion and Theory that the Pentecost of Acts 2 was and is on the Feasts of the First-Fruits of the New Wine. It is not on the Traditional Church and Jewish Teaching that it was on the Feast of the First-Fruits of the New Grain. And that in fact there are 3 'Pentecost' or Shavuot First-Fruit Feast of the Wheat, Wine and the Oil. One has developed this Theory over Years of Research that started with a fresh look and Interpretation of Leviticus 23:15-16.

END OF THE CHURCH AGE

Conclusion of the Commission

A study of the Astronomical and Mathematical Patterns heralding the End of the Church Age and the coming Transference of Testimony and the witness of the Gospel of Jesus Christ. The 7-year Sabbatical Cycle of time suggests that the Church Age is about to conclude and transfer the Gospel Witness back to the Dispensation of Israel to finish the 70th Week of Years.
