Awesome views

Bring it hill climbers! This is open riding
We can open up the area if we get to 96db
Can be hard to get to
Color of the tour buggies
Truly ugly what is happening
More on deflation plain growth, need for restoration

Area Reopen after 1994 Closures

Amazing that is still exist
You have gone as far as you can go so walk down and swing on the rope!
One of STRD's Board Members Grandbabies favorite hill
Also one of the best views of all the dunes except maybe Banshee Hill
Kid friendly area with high Visibility
Fun trails with lots of blind spots so be careful!

Memorial

Gold Memorial
Fun place to ride and ends at private property
Our first project with many more to come
This tree was fully visible and a early land mark for Hauser Road/ next Restoration project
OHV care about wild life too
County Land with only access to the River. Man made diversion of the river in 1919
