

Meredith (Merrie) Shelton

Office Manager

Email: merrie@pccgreensboro.org

Born in Beckley, WV, Merrie's family moved to Greensboro, NC, before her first birthday and soon joined Meadowside Presbyterian Church which eventually became Presbyterian Church of the Cross where she remains an active member.

Merrie earned a Bachelor's degree in Office Administration from University of North Carolina Greensboro in 1976.

Hired by the Church of the Cross in 1973 as a college summer assistant to "do whatever needs to be done," after 40+ years of employment, that is still pretty much her job description although expectations now include clerical, financial, and communications.

She is a soprano in the PCC Adult Choir, sings occasionally at weddings and funerals, and is an active founding member on the Board of Directors of the B Natural Academy of Music and the Arts.

Married to Jerry Shelton, her high school sweetheart, they have a daughter, 2 sons, 3 grandsons, and, depending on when you ask, may have anywhere from 1-8 pets/granddogs at her home. An animal lover and country girl, Merrie enjoys reading, singing, family time, and especially trying to keep up with her grandchildren.
