Misleading Finals

NC State (-3) beat Virginia 35-31. However, Virginia had a 514-416 yard edge. The Cavaliers missed a FG, were stopped on downs at the NC State 8-yard line and threw an interception in the end zone.

Illinois (-2.5) beat Duke 45-19. However, Duke had a 438-419 yard edge. Duke was -5 in turnovers and those five turnovers led to 28 Illinois points.

Missouri (-5.5) beat Kansas 42-31. Missouri had a dominating 595-251 yard edge. Kansas led 21-6 at one point but at halftime became the first FBS team in 10 years to be tied at halftime despite being -200 yards.

Fresno State (+1) beat Oregon State 36-27. However, Oregon State had a 528-318 yard edge. Fresno State got a punt return TD after a bad snap that saw the punter kick the ball off the turf. Fresno also got an interception return TD in the final minute. Oregon State led 27-26 with under 90 seconds left. The Beavers saw their long snapper get hurt and they went 0-for-4 on two-point conversions.

Colorado (-24) beat Delaware 31-7. However, Colorado only had a 398-396 yard edge. The Buffaloes were +3 in turnovers. Delaware missed a FG and were stopped on downs at the Colorado 6-yard line.

New Mexico State (+3) upset Tulsa 21-14. However, Tulsa had a 376-291 yard edge. Tulsa was intercepted in the end zone and also missed a FG.

Michigan State (-3.5) beat Boston College 42-40 in double overtime. However, Boston College should have won the game. The Eagles fumbled in the end zone on their first possession. They still had a 457-380 yard edge in the game.

Bad Beats

Pitt (-21) beat Central Michigan 45-17. It was only 24-17 late in the third quarter. Instead of taking a knee in the final minute, Pitt scored a TD with :45 left.

Missouri (-5.5) beat Kansas 42-31. Kansas was leading 21-6 at one point in the game. Kansas was still leading 31-28 in the final two minutes when Missouri scored a pair of long TD's. It should be noted that Missouri did dominate the box score in the game (see above).

Kentucky (-8) beat Ole Miss 30-23. Kentucky was covering the whole game until Ole Miss kicked a FG with 1:10 left to go up 30-20. However, Kentucky got a FG with :08 left. The bad beat occurred on those who bet UNDER 51.

Syracuse (-7) beat Connecticut 27-20 in overtime. Connecticut was leading the game 17-6 with under six minutes left in the fourth quarter Syracuse scored a TD with under a minute left and got the 2-point conversion to go up 20-17. Connecticut marched down the field and got a FG in the closing seconds to force OT. UConn was covering for the entire 60 minutes. However, OT is not your friend if you are an UNDER or underdog bettor. Syracuse scored a TD, UConn didn't.

Minnesota (-42.5) beat Northwestern State 66-0. However, the game was called with 6:15 left in the fourth quarter. Most sportsbooks indicate that 55 minutes need to be played in a football game in order for their to be action.

Games in Rotation Order Thursday, September 11th

NC State 29 WAKE FOREST 22. Not an ideal spot for NC State traveling on a short week after playing a "to the wire" game vs Virginia last week. Wake is at home for a 3rd straight game and only off an FCS team. Ratings lean NC State, spot says Wake. We pass.

Friday, September 12th

HOUSTON 24 Colorado 18. Lots of drama surrounding the Colorado QB position. Coach Prime used three different QB's last week and there are rumors that 3rd string QB Ryan Staub might get the start here. That's not good news vs a Houston defense that ranks No. 4 in total and scoring defense. We bet Houston and UNDER here.

Kansas State 27 ARIZONA 26. Kansas State is 0-3 ATS this season and we've downgraded them more than any team in the country so far. They're coming off an outright loss as a 17-point favorite to Army last week where they only had the ball for 3 minutes in the second half. That's not a typo. Kansas State had 3 minutes of time of possession in a half! Arizona is 2-0 ATS and feeling good. We haven't bet it yet but we think K-State is the sharper side.

UCLA 36 New Mexico 20. We were impressed with New Mexico at Michigan in the opener. Not so much last week when they got outgained by Idaho State. UCLA has been horrific so far at 0-2 SU and ATS. The Bruins desperately need a win. Won't be a popular play with the locals, but we bet UCLA this week and lean OVER at current.

Saturday, September 13th

Memphis 30 TROY 24. Lots of money has come in on Troy here. The Trojans led Clemson 16-0 last week before allowing the game's final 27 points. We won a bet with Memphis last week but did not come away impressed as the final scoreboard was misleading (Memphis "Pick 6" late). With that being said, our ratings like Memphis at current and also the OVER.

Oklahoma 38 TEMPLE 12. Very quietly, the market has loved Temple this year and has been rewarded with two easy covers. They were bet from dog to favorite vs UMass in the opener and a big group liked them last week vs Howard. The market loves them again here catching Oklahoma off the big win over Michigan. We understand betting Temple at +28, but our ratings like OU at current.

Oregon 38 NORTHWESTERN 10. We think Oregon had one of the most impressive performances of the season last week in their 69-3 demolition of Oklahoma State. That was actually the score after the third quarter. We now have Oregon No. 1 in our power ratings (see page 5). This is a tricky game here traveling to Northwestern's lakeside stadium and the Ducks have a rivalry game vs Oregon State and a trip to Penn State on deck. Some UNDER money showed yesterday. We haven't bet side or total.

Buffalo 34 KENT STATE 13. Kent State is the worst team in CFB but there are other MAC schools that might give them a run this year. Buffalo is not one of them with the Bulls having the best defense in the MAC. We're not built to lay more than three TD's on the road in conference play

MICHIGAN 37 Central Michigan 9. We've downgraded Michigan significantly this season so far. We weren't impressed with their performance vs New Mexico and last week they should have lost by more than to Oklahoma (out-gained by 120 yards and were +2 TO's). With that being said, our ratings like Michigan here. However, it's tough to get significant margin when CMU's offense runs a slow tempo (No. 133). UM head coach Sherrone Moore is suspended here.

Clemson 28 GEORGIA TECH 25. Lots of money on Georgia Tech here including us. The Yellow Jackets are 2-0 ATS and will get back QB Haynes King here. Clemson is 0-2 ATS. After getting beat much worse than the scoreboard vs LSU, they followed it up by trailing Troy 16-0 as a 31-point favorite (CU did win 27-16). GT has several big wins over ranked opponents under HC Key including vs Miami last year. Even after the line move, we like GT getting the hook.

ALABAMA 33 Wisconsin 13. Alabama responded from the shocking loss to Florida State by crushing ULM 73-0 last week. They will get a much tougher test here especially from a Wisconsin defense that has allowed just 10 points so far. We do think Wisconsin's offense is in trouble. We don't see much value here.

AUBURN 40 South Alabama 15. South Alabama impressed us last week in their 2-point loss to Tulane. It was a back-and-forth game with USA starting hot, going cold and then almost forcing OT. Meanwhile, Auburn took care of business vs Ball State. The Tigers defense will get a stiffer test here but we do expect their offense to continue to look improved. A sharp group bet OVER yesterday. We're on the sidelines.

HOME TEAM IN CAPS Connecticut 32 DELAWARE 20. Both teams deserved covers last week. UConn led Syracuse 17-6 late in the fourth quarter but ended up losing in OT. Meanwhile, Delaware lost 31-7 to Colorado but the Blue Hens only got out-gained by 2 yards. This is one of the bigger home games in Delaware history with this being their first season of FBS play. Still, we like UConn to take care of business.

Georgia 27 TENNESSEE 23. The biggest game on Saturday. The Bulldogs have dominated the series with eight straight wins by an average of 25 ppg and UGA has gone 7-1 ATS. We've seen Tennessee take the money though this week as this line has crashed (was +7.5 on Sunday). Has Georgia been playing possum so far this year? They haven't impressed vs Marshall or Austin Peay. Meanwhile, Tennessee is 2-0 ATS and off a 72-17 win. While we are a part of the Tennessee money at "+7.5", we lean UGA at current and there are whispers of big money coming in on UGA later this week.

Pittsburgh 31 WEST VIRGINIA 23. Backyard Brawl. Lots of money on Pitt this week. It's more of a "play against" a WVU team that was upset by Ohio last week 17-10 and should have lost by more. WVU then lost two of their best players for the season in RB White and WR Bray to injuries. Tough seeing them keep pace with a Pitt offense averaging 53 ppg on offense and only allowing 3.3 yards per play on defense. We bet Pitt but prefer UNDER at current.

NORTH TEXAS 31 Washington State 26. An interesting game for both teams who have had inconsistent performances so far. Both teams are 2-0. Both have a 3-point win and a comfortable win. The market has been back and forth. We needed a "+7" to be involved on Washington State. We might see it later in the week.

TEXAS TECH 44 Oregon State 21. Oregon State is 0-2 SU and 0-2 ATS in a pair of home games that were competitively priced (+2.5 vs Cal, -1 vs Fresno). Last week's loss to Fresno State was very misleading (see page 1). Now they face a Texas Tech team that ranks No. 1 in ypg margin at +402.5. The Red Raiders have faced the weakest schedule in the country so far in Kent State and Arkansas Pine Bluff. We lean Oregon State but prefer the OVER.

Usc 41 PURDUE 18. While they have only played Missouri State and Georgia Southern so far, USC ranks No. 1 in yards per play, No. 1 in yards per game and No. 1 in yards per game on offense. They are +6.8 in yards per play margin (also No. 1). While Purdue looks like a competent team (unlike last year) under new coach Odom, we don't see the Boilers keeping pace here.

Smu 45 MÎSŠÔURI STATE 17. SMU blew a 14-point 4Q lead to Baylor last week and lost in double overtime. Statistically, they deserved to lose the game getting out-gained by 150 yards but they definitely had their chances to win. Speaking of wins, Missouri State got their first win as an FBS team as they upset Marshall 21-20 last week. The Bears deserved to win by more (outgained Marshall 474-274). Unique road spot for SMU here. We're not involved.

MISSOURI 38 UL-Lafayette 11. ULL is playing with a backup QB. Daniel Beale was only 14 of 22 for 86 yards last week in a win over FCS McNeese St. Now he faces an SEC defense. The market is fading his ability to have success as Missouri and UNDER has received a lot of play. We bet Missouri but are passing at current.

Iowa State 38 ARKANSAS STÂTE 17. This is a tough spot for Iowa State. They are 3-0 having won an important rivalry game in Ireland. They just beat their arch rival Iowa at home for the first time in nearly 15 years. We don't expect an "A" game from them. However, Arkansas State's defense is allowing 7.8 yards per play (No. 133). Over got some play early but we think this is a rock solid line right now.

TEXAS 49 Utep 7. Even though Texas won 38-7 last week, we weren't overly impressed as they benefitted from several San Jose State turnovers. There are also the social media clips out there that legit make you wonder if QB Arch Manning is 100% right now. UTEP had a 42-17 blowout win over UT-Martin last week (only favored by 7.5). We like the OVER.

MIAMI 37 South Florida 19. You can't be more impressed with what USF has done so far this season. They blew out ranked Boise State on the scoreboard and then upset No. 13 Florida as a 18-point underdog. This is going to be a really tough spot for them playing a third straight ranked team. Miami is only off FCS Bethune-Cookman and is playing a 3rd straight home game. We bet Miami.

Liberty 27 BOWLING GREEN 23. Liberty continues to disappoint losing outright as a 6-point road favorite last week. Meanwhile, Bowling Green trailed Cincinnati 21-0 early but out-played the Bearcats in the second half of a 34-20 loss. Our power ratings like Bowling Green here but we need a "+7" to show for us to be involved. Lean UNDER.

FIU 28 Florida Atlantic 27. The Shula Bowl. Two new coaches that East Carolina 32 COASTAL CAROLINA 23. Quietly, Coastal is off both have wins over FCS opponents and this is their first chance at a big win. We came away impressed with FIU's defense vs Penn State as the Nittany Lions scored a couple of TD's late. FAU had a bunch of turnovers vs Maryland but rebounded last week. Early sharp group was on FIU but we're not involved yet.

Appalachian State 29 SOUTHERN MISS 26. Both had misleading finals vs FCS teams last week. Appalachian State only beat Lindenwood by 7 despite a 503-216 yard edge. App St had 4 turnovers. Meanwhile, Southern Miss beat Jackson State by 18 despite only a 363-322 yard edge. That's creating some value on Appalachian State here.

OHIO STATE 41 Ohio 10. You have to be super impressed with Ohio so far this season. Despite having a new head coach the Bobcats nearly upset Rutgers in the opener and then upset West Virginia last week in front of a record home crowd. They should have won by more as OU had a 429-250 yard edge vs WVU. The defending National Champs are 2-0 ATS and are off FCS Grambling with a bye on deck. We bet Ohio on the openers but wouldn't at current.

VIRGINIA TECH 31 Old Dominion 22. The Hokies are 0-2 and head coach Brent Pry is probably coaching in his last season. They led Vanderbilt 20-10 at halftime last week and lost 44-20. Now they're facing a dangerous Old Dominion team with a mobile QB. Multiple sharp groups have bet ODU this week (opened as high as 13.5). It's to the point now where we'd lean VT at current.

ILLINOIS 40 Western Michigan 13. Illinois is the most overrated team in the country. They rank No. 9 in the AP poll and we don't even have them in the Top 25 of our power ratings. They had a very misleading 45-19 win over Duke last week where they were +5 in TO's (outgained 438-419). We're not sure if this is the spot to fade them but the Illini do have huge games at Indiana and USC on deck.

GEORGIA SOUTHERN 31 Jacksonville State 26. Jacksonville State has been impressive so far with a 2-0 ATS mark. They nearly upset UCF as a 20-point underdog and did upset Liberty last week. On the other side, Georgia Southern is off two blow out losses on the west coast. They rank dead last in defensive ypp, total and scoring defense. However, we think this is a "buy low" spot for them. They did lead Fresno 14-10 at halftime and nearly put up 400 yards on USC last week so it hasn't been horrific. A sharp group quietly bet Georgia Southern a few days ago and we gave them out to VIP clients today.

OLE MISS 35 ARKANSAS 28. Both teams are 2-0. Ole Miss is off an SEC road win at Kentucky but we weren't overly impressed. OB Simmons was banged up a bit at the end of the game but should be available here. We have liked what we've seen from the Arkansas offense as they rank in the Top 5 in ypp, ypg and ppg. A lot of money has come in on Arkansas here as this line opened as high as 10. We're a part of it but can't recommend them at the current 7.

SOUTH CAROLINA 26 Vanderbilt 22. Both teams have already played Virginia Tech this season. South Carolina was outgained by the Hokies in the opener and benefited from a punt return TD. Meanwhile, Vanderbilt outgained Virginia Tech by 242 yards and won by 24 on the road. Like Illinois, we think South Carolina is one of the most overrated teams in the country. Last week the Gamecocks had a pair of punt return TD's and still only beat FCS South Carolina State 38-10 (were -42.5). We bet Vanderbilt and think the Commodores are live.

KENTUCKY 36 Eastern Michigan 11. If you read the market tea leaves, it looks like Kentucky will be without their starting QB for this game. We don't think Calzada is worth that much. Plus Eastern Michigan has been horrible this year. They got blown out by Texas State in the opener and last week suffered the biggest upset of the CFB season so far. They lost to Long Island as 22.5-point favorites. It was legit as they were outgained 479-311. We like Kentucky here.

LSU 29 Florida 20. The Gators are a TD underdog here and have a road trip to Miami on deck. Lose both and at 1-3, the Gators could be making a coaching change heading into the bye. Last week they fell to USF as 18-point favorites. LSU slept walked through a 23-7 win over Louisiana Tech. Napier and the Gators responded last year after some tough early losses. So far the market likes them here. We don't and would be interested in LSU at -7.

NOTRE DAME 29 Texas A&M 23. ND upset A&M in College Station last year. We bet the OVER in this one. Both team's defenses have taken a step back this season. Both teams have upgraded at WR and should have improved pass attacks. ND comes in off a bye after getting upset by Miami in the opener. Safe to say, their season is on the line. Texas A&M is just 3-12 ATS under Mike Elko including 0-2 ATS this year. They've only played UTSA and Utah State so we'll get a better look at them here. Market likes A&M and we don't disagree.

to one of the worst starts in CFB this year. They were destroyed 48-7 to Virginia in the opener as a 2-TD underdog and then only led FCS Charleston Southern 3-0 entering the 4Q last week as a 4-TD favorite (they ended up winning 13-0). Meanwhile, ECU is 2-0 ATS. They outplayed NC State in second half of the opener and destroyed an FCS team last week. We gave out ECU to VIP clients this week.

LOUISIANA TECH 26 New Mexico State 17. New Mexico State comes in 2-0. Their middling performance vs Bryant in the opener looks better after Bryant upset ÛMass last week. And speaking of last week, the Aggies upset Tulsa. Louisiana Tech's defense looks legit. After getting a shutout in Week 1, they allowed just 23 points to LSU. We didn't bet side or total.

IOWA 40 Massachusetts 3. Tough laying 35 points with this Iowa offense. However, UMass is in the running for worst team in CFB this season. They were crushed by Temple in the opener as a 2-point underdog and then lost to FCS Bryant last week as a 2-TD favorite. Our ratings like Iowa but we haven't bet it yet.

Navy 34 TULSA 21. Tulsa was quietly getting a lot of play in the markets. Groups bet OVER 3.5 wins, bet them in Week 1 and bet them again in Week 2. Last week they lost outright as a road favorite to New Mexico State. QB Francis was concussed but we thought the backup Baylor Hayes looked better. Hayes played at East Tennessee State under new coach Tre Lamb. Navy couldn't cover a huge spread vs UAB last week. We're not sure they can cover this one either.

Duke 28 TULANE 27. Lots of love for Duke here. They have went from "+3" to favorite in some spots. It makes sense considering they had a very misleading 45-19 loss to Illinois last week. A game Duke was -5 in turnovers. Meanwhile, Tulane is +6 in turnovers already this season. Duke QB Darian Mensah is returning to the place where he started last season. Sumrall should know how to defend him but we like the "buy low" spot for Duke here.

Utah 36 WYOMING 13. Both teams are 2-0 SU and 2-0 ATS. We really like what we have seen from the new Utah offense. They've scored 43 and 63. They couldn't do that offensively vs "air" a year ago. Wyoming has looked improved and this is a weird spot for Utah with a big game vs Texas Tech on deck. We're passing.

UAB 33 Akron 22. Akron has scored zero points so far this season. UAB's defense has allowed 40 points per game this season. It's the resistible force vs the movable object! Our ratings like Akron here but we haven't gotten to the window yet.

Air Force 28 UTAH STATE 23. We might have more question marks about Air Force than any other team in CFB right now. Not that we think they are bad, it's just they have played one game and it was against an overmatched FCS opponent. They had a bye last week. Meanwhile, Utah State is 2-0 ATS under new coach Mendenhall. There has been some back and forth in the market on this one. We bet Air Force -3 on the open thinking the line would go up, but it was just a numbers play. NEVADA 28 Middle Tennessee 21. Nevada was very fortunate to beat Sacramento State last week. The Wolf Pack got a "Pick 6" late. Sacramento then had not one, but two TD's called back and then they missed a FG. On the other side, Middle Tennessee did lose to a FCS school in Austin Peay this year. Tough trusting Nevada laying this kind of number. We lean with MT.

ARIZONA STATE 38 Texas State 24. Arizona State comes in of the upset loss to Mississippi St. The Sun Devils were impacted by the Cowbells early but were clearly the better team in the second half before allowing a long 3rd & long TD pass in the final minute. They're facing a high-powered Texas State offense off an upset win over UTSA. We came away impressed by their new QB Brad Jackson. Minnesota 22 CALIFORNIA 21. We bet Cal and the UNDER on the openers and so far the market agrees. This is a unique spot for Minnesota and a very late start time for their body clocks. More importantly, their best player RB Taylor is banged up and might not play. Both teams are off FCS opponents. We like what we've seen from true frosh Cal QB JKS this year but this Minnesota defense that ranks No. 1 allowing just 96.5 ypg will be a tough test. Spot says Cal, ratings say Minnesota. We're passing at current.

Boston College 29 STANFORD 16. We bet against Boston College last week and came away impressed especially by their QB Lonergan who was originally at Alabama. Lonergan is completing 76% of his passing with an 8-to-0 TD-to-INT ratio so far. How in the world can Stanford QB Gulbranson and his 0-to-3 TD-to-INT ration and 11.0 QBR (No. 128) keep pace? The market must not think so as despite a horrific spot traveling across the country playing at 10:30, BC is taking money.

Week 3 Computer Projected Lines for Every CFB Game

For the past eight seasons we have posted computer projected lines for every game on Wednesday. Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 506-441-14 (53.4%) clip! Last week our computer went 2-2-1 and for the season now stands at 4-8-1 That's pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 5 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be Michigan -27.5.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is one of the first books in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). In 2023, we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). So far this season we are 30-20-1 60% (CLV 47-3-1 +2.73 ppg) Below is some of what we bet already for Week 3 which includes bets we made in the summer for this week

Thursday, September 11th

GREEN BAY 26 Washington 23. A great Thursday Night matchup between two of the NFC's best. Both teams got wins and covers over division rivals on Sunday. Green Bay was more impressive with a 5.7-3.8 yards per play edge vs the Lions. Washington did have a dominant 6.6-3.7 ypp edge vs the Giants but the team looked out of sorts at times. We have some back and forth in the market on this one. As of now, we're not involved.

Sunday, September 14th

New England 23 MIAMI 22. Both come in at 0-1. Miami was arguably the most disappointing team in Week 1. The Dolphins were destroyed by the Colts in a game that closed Indy -1. At half-time, Indianapolis had run 43 plays and Miami had 43 yards. We think Mike McDaniel is the most overrated coach in the NFL. Lots of "Ivy League" betting pros swear by the guy because he looks and acts like them. In reality, McDaniel is soft and his team is soft. New England had a disappointing debut as the Pats were clearly outplayed by the Raiders. We trust Vrabel's ability to bounce back over "the nerd".

CINCINNATI 26 Jacksonville 23. Cincinnati had the most fortunate Week 1 win as they got outgained 327-141 and only managed 2.9 yards per play on offense in a 17-16 win over Cleveland. Getting Al Golden as DC did pay off as their defense look improved but they also benefited from a couple of missed Cleveland kicks. Jacksonville easily dispatched Carolina in the debut of HC Coen. We've seen a lot of support for Jacksonville here as the look-ahead line was Cincy -6.5. We lean Jacksonville getting the hook.

BALTIMORE 27 Cleveland 17. Both teams found historic ways to lose football games last week. Cleveland held the Bengals to seven second half yards but still lost. Meanwhile, Baltimore blew a 40-25 lead in the middle of the 4Q. They were the first team in NFL history to lose a game with 40 points and 235 rushing yards. We trust Baltimore to bounce back but this is too steep of a price to lay against a Cleveland defense that held Joe Burrow to 2.9 yards per play last week.

Dallas 26 N.Y. GIANTS 20. The Dallas offense was going up and down the field vs Philadelphia until the weather delay last Thursday. Then they struggled to get first downs. Meanwhile, the Giants offense averaged just 3.7 yards per play in a 21-6 loss to Washington. QB Wilson should not be the starter by mid-season. He's cooked. Career is over. We think Dallas bounces back here but we're not wild about laying the 6.

L.A. Rams 24 TENNESSEE 18. The Rams got a nice win over Houston last week. Now they're traveling across the country to a feeble Tennessee team that managed just 133 yards and 2.4 yards per play. QB Ward had a 7.3 QBR in his first start. That's not good going up against a Rams defense that held the Texans to 9 points. The Rams seem like they will be a very public play. We're passing. Buffalo 27 N.Y. JETS 22. Both teams were involved in super entertaining Week 1 games. The Jets outplayed the Steelers with a 394-271 yard edge and a 6.4-5.0 yards per play edge. However, they lost 34-32. Meanwhile, the Bills had a miraculous 41-40 come-from-behind win over the Ravens. We like the spot here for the Jets and we're hearing that there is going to be a big buy order on the Jets if the line gets to 7.

DETROIT 26 Chicago 20. Both teams sit at 0-1. Both teams suffered division losses. We trust Detroit to bounce back much more than Chicago. The Bears had yet another typical performance on MNF. They led 17-6 in the fourth quarter then allowed 3 straight TD drives to a Minnesota team with a QB making his first career start. The Lions did look overwhelmed at times at the point of attack vs Green Bay. That's concerning considering that is what they hung their hat on for so many years.

PITTSBURGH 21 Seattle 20. While the scoreboard was close, Seattle did get outgained 384-230 by San Francisco. On the other side, Pittsburgh actually won despite getting outgained 394-271 by the lowly Jets. QB Rodgers did throw 4 TD passes. We're not wild about these West Coast teams playing 10:00am starts early in the season. However, we do think Seattle is the sharper side here. A respected group took them "+3" on Wednesday.

HOME TEAM IN CAPS
San Francisco 24 NEW ORLEANS 19. Despite losing 20-13 and failing to cover, New Orleans did a little better than expected vs Arizona in the box score. San Francisco is traveling again and is dealing with some injuries at WR. They did get McCaffrey back last week and controlled the box score vs Seattle. The look-ahead line on this game in the summer was San Francisco -7.5 so clearly there has been an adjustment made. Also consider Arizona was laying 5.5 last week at New Orleans. We want to take New Orleans but the price isn't right.

ARIZONA 24 Carolina 18. Bryce Young looked very bad last week in Carolina's 26-10 loss at Jacksonville. Now they are on the road again. We weren't too thrilled with Arizona's performance but they got the win and cover at New Orleans. We have heard whispers that there will be a buy order on Carolina here if the line gets to "+7". We're not interested in the side right now. Lean UNDER. INDIANAPOLIS 22 Denver 21. Both teams are 1-0. Indianapolis was super impressive in a 33-8 win over Miami as they outgained the Dolphins by more than 200 yards. Meanwhile, Denver overcame several turnovers in a 20-12 win over Tennessee. The Broncos limited rookie QB Ward and the Titans offense to just 133 yards and 2.4 yards per play. The look-ahead line on this game was Denver -3.5 in the summer so there has been an adjustment. We like the Colts especially in a teaser up to +8.

KANSAS CITY 24 Philadelphia 23. A rematch of last year's Super Bowl which saw the Eagles dominate the Chiefs. We weren't impressed with either team in Week 1. The Eagles did get the win but failed to cover vs the Cowboys. DL Jalen Carter set the tone early with one of the dumbest things we've ever seen spitting on Dak even if it was in retaliation. Kansas City was outplayed by the Chargers in a loss. We've seen a market adjustment here with Philly being favored. It's only the second time in 68 career home starts that Patrick Mahomes in an underdog role (lost to Buffalo in 2022). We lean KC here as they avoid but prefer to tease them.

MINNESOTA 24 Atlanta 21. A matchup of two young QB's in Penix and McCarthy. Atlanta probably deserved better last week as they outgained Tampa Bay 358-260. Meanwhile, McCarthy looked overwhelmed in the first three quarters at Chicago on MNF. However, he rebounded and led three 4Q TD drives to get the comefrom-behind win. Several orders on Atlanta "+4.5" came in on Wednesday. Also notable was the line movement as Atlanta took a lot of big game-day action vs Tampa. That's where our money is.

Monday, September 15th

HOUSTON 24 Tampa Bay 20. We like Houston to get a bounce back win here. They lost 14-9 in L.A. last week but we didn't downgrade them too much. Meanwhile, Tampa Bay was extremely fortunate in a 23-20 win at Atlanta last week. The Bucs were outgained by nearly 100 yards. Backing 0-1 teams vs 1-0 teams has been a winning trend in the NFL over long periods and that's what we will do here.

L.A. Chargers 24 LAS VEGAS 22. Both teams had impressive week one wins. The Chargers got the upset over the Chiefs in Brazil. There was nothing fluky as they had a 394-347 yard edge and were +0.4 in yards per play. Meanwhile the Raiders controlled matters as they upset the Patriots 20-13. The Raiders were +1.4 in yards per play. Pete Carroll vs Jim Harbaugh go way back to the USC/Stanford days of nearly 20 years ago. We lean with Pete here and we've seen a couple of orders come in on them.
