## LCBA Presents the “End of Summer Classic”

If you have not had the opportunity to listen to Ray Olivarez of Olivarez Honey Bees you don't want to miss the *End of Summer Classic 2021*. You will get no greater cutting edge information from anyone in the beekeeping industry better than Ray. Even though some details are not finalized we wanted to get the word out. We anticipate the turnout to be large that is why we have selected the Lorain County Fairground as our venue. Lots of space, parking, fresh air and commercial buildings with all the accessories! We'll have something for everyone. Come enjoy the day with us!
