New teachers will become participants of the sick leave bank when they commence their employment.
2. Additions will be made to the bank at the beginning of each school year or date of employment according to the above limitations.
3. In the event that the bank becomes depleted to twenty (20) days during the school year, each member of the bank will donate an additional day up to a maximum of three (3) days per teacher.

All certificated teachers under contract shall be entitled to sick leave as provided in the Rules and Regulations of the State board of Education, 4 AAC 15.040. Except that a teacher will be credited with six (6) days on the second day of the teacher's contract term to a maximum of one and one-third (1.33) days per month. The remaining six (6) days of sick leave will be credited the teacher on the second day of the second semester. If a teacher does not complete his/her contract, the value of any days used but not earned will be deducted from his/her final pay.

In the event a teacher's sick leave and sick leave bank allocations have been exhausted and the teacher remains unable to return to work, that teacher may be granted upon written request leave without pay not to exceed the contract year of that illness.

For the purposes of this Article, temporary disabilities such as pregnancy and pregnancy-related medical conditions are to be treated the same as any other medical condition.

### **B. Bereavement/Illness Leave**

Death in the immediate family entitles the teacher to use up to seven (7) days sick leave, except that if the circumstances of the death in the immediate family require travel outside the State of Alaska the teacher may use up to ten (10) days sick leave.

Association leave will be noncumulative.

#### **E. Personal Leave**

Requests to the Superintendent will be as early as possible, but no later than 24 hours prior to the date personal leave is to begin.

All personal leave requests require a recommendation for approval by the site Principal with final approval by the Superintendent.

As an additional incentive to encourage instructional staff members to conduct their personal business during the summer months, or during other nonduty days, and keep teachers in their classrooms as many days as possible during the school year; the District will annually pay each teacher \$150.00 for each day of unused personal leave. The payment for unused personal leave will be processed prior to June 30 each school year.

#### **F. Sabbatical Leave**

A teacher may apply for sabbatical leave as and to the extent provided by law (AS 14.20.280 and following) which leave may be approved at the discretion of the Board on terms and conditions agreed between the teacher and the Board.

#### **G. Court Leave**

Compensated leave shall be granted to the teacher who is obligated to be present in court under an order of any court of competent jurisdiction either as a witness or juror, but not as a plaintiff or a defendant in personal litigation. The teacher shall promptly remit to the District any compensation received for court attendance while on court leave.

## **H. Emergency Leave**

In the event of a situation deemed an emergency, a teacher shall be granted leave with pay subject to approval of the Superintendent, or local administrator, if the Superintendent cannot be contacted in time. Each teacher may be entitled to a maximum of four (4) days per year for such leave (provided all other appropriate types of leave have been used up).

## **I. Maternity Leave**

Maternity and adoptive leave shall comply with Family Leave Acts; “Alaska Family Leave Act” AFLA & “The Family and Medical Leave Act” (FMLA).

If a teacher has accumulated ample days within their sick leave account, upon request, up to nine weeks of leave can be charged against accumulated sick leave with the birth or adoption of a child.

The nine-week period will commence upon the birth or adoption date.

# **ARTICLE XII WORKING CONDITIONS**

## **A. Automatic Rehiring**

1. A tenured teacher shall be automatically rehired unless Notice of Non-Retention is received by the teacher prior to May 15.
2. A non-tenured teacher shall be automatically rehired unless Notice of Non-Retention is received by the teacher on or before May 15 or if May 15 is not a workday, the first workday thereafter.

## **B. Teacher-Initiated Transfer**

1. A transfer or reassignment request may be initiated by any teacher.
2. The Board agrees when filling teaching vacancies and new teaching positions to consult teacher intent forms which may have been filed with the District, and where possible to select within the District when qualified applicants are available.
3. District teachers will be considered on the basis of experience, qualifications, and length of service to the District. However, the specific needs of The Lake and Peninsula School District will be given first priority in the final selection of the successful applicant.

## **C. District-Initiated Transfer**

1. Notice of involuntary transfer for a subsequent school year shall be given as soon as practical, but not later than May 1 of the current school year. Prior to making an involuntary transfer, the Superintendent shall review requests for voluntary transfers and shall consult with the teacher. Written reasons will be provided with the Notice of Transfer.

2. The May 1 date notwithstanding, involuntary transfers may be made at any time for (1) program change; (2) decrease, increase, or change in enrollment; (3) community unrest; or (4) a resignation that occurs after the end of the school year at a site that needs a teacher experienced in the District's programs.
3. A teacher who is involuntarily transferred shall have the option, in lieu of accepting the involuntary transfer, of being placed on a one-year leave of absence without pay. The teacher must communicate their decision to the Superintendent or Director of Personnel within 30 days of notification of involuntary transfer.
4. After the beginning of the school year, involuntary transfers shall be contingent on the teacher's customary/reasonable personal and professional property arriving at a new site prior to the commencement of teaching responsibilities at the new site. It shall be the teacher's responsibility to pack, label, and ensure that his/her property is readied for transport by the District. A teacher involuntarily transferred, after the beginning of the school year, will be reimbursed for loss due to having to break a lease, forfeit a deposit, and/or up to one month's rent lost as a result of the transfer.
5. In addition to transportation the District shall reimburse parcel post and/or air freight to a maximum of \$1,500 per contract, for customary and reasonable moving expenses for teachers involuntarily transferred. Except for summer transfers, travel and administrative leave will be provided to the site to secure housing prior to the transfer.
6. Teaching couples shall not be separated through an involuntary transfer unless mutually agreed upon by the teachers and the administration or unless the transfer is mandated by a lack of a position for one member of the couple.
7. A teacher involuntarily transferred under this provision will receive two (2) weeks prior notice. An involuntary transfer found necessary after the conclusion of the school year will require the District to notify the affected teacher by written notice to his/her summer address (via certified mail or email) and a phone call to his/her summer telephone number on file with the District.

#### **D. Personnel Files**

All teachers' permanent files and site files shall be maintained under the following conditions:

1. The permanent personnel files or any duplicate thereof shall be housed in the District Office and shall be open only to the Superintendent and appropriate designee(s). Material in the files, subsequent to employment in the District, shall be open to a teacher for inspection, upon advance notice, in the presence of the Superintendent during normal working hours. The file shall not be removed from the District Office, except as required by law or proceedings during a Board hearing or arbitration.
2. A teacher shall be sent a copy of all materials placed in his/her file at the time of its insertion in the file, except for material originating from or signed by the teacher.

3. Evaluation forms and other documents by supervisors pertaining to a teacher's performance shall be placed in a teacher's personnel file.
4. Material which is derogatory to a teacher regarding the teacher's conduct, service, character, or personality shall not be placed in the personnel file until the teacher has had an opportunity to read the material. The teacher shall acknowledge that he/she has read such material by affixing his/her signature to the copy to be filed. Such signature does not indicate agreement with the contents of the material.
5. No material, subsequent to employment in the District, in a teacher's personnel file shall be removed without the consent of the Superintendent and the teacher. Material which is shown to be factually inaccurate through the grievance procedure shall be removed from the file.
6. A teacher has the right to respond in writing within thirty (30) days after receipt of any material that is to be filed in his/her permanent file; said response shall be attached to the original/relevant document and included in the file.

#### **E. Requests for Personnel File Copies**

A teacher shall be entitled to a copy of his/her permanent and site files upon written request at a cost of twenty-five (\$.25) cents per page.

### **ARTICLE XIII REDUCTION IN FORCE OF TENURED TEACHERS**

- A. For purposes of this Article, a reduction in force is defined as the nonretention of a tenured teacher pursuant to state law.
- B. Responsibility for determining the level of staffing in the District rests solely with the Board which will consider the recommendations given by the Superintendent.
- C. The Board reserves the right to determine the retention or nonretention of any program that will best serve the interest of the District.
- D. When the Board deems it necessary or desirable to reduce staff, the reduction, insofar as possible, will be implemented through attrition. If the reduction in staff cannot be implemented through attrition, any tenured teacher not retained will be given recall preference if the following conditions prevail:
  1. The teacher is an active candidate.
  2. The teacher meets the job qualifications for the position, i.e., certification (endorsement) and experience requirements.
  3. The teacher has performed satisfactory service.

- E. To the extent that it is consistent with the District's program needs, which includes job qualifications as described above, length of service with the District will be given priority in determining the order of nonretention and recall.
- F. A tenured teacher who is nonretained due to a reduction in force shall be accorded recall rights for one (1) year unless the teacher specifically waives this right in writing. Said recall rights are lost if a certificated position is offered by the District via (1) phone call, or (2) certified letter, and the teacher fails to accept it within ten (10) days of offer, or notice of attempted delivery of offer, or if he/she accepts employment with another District. The teacher is responsible for ensuring that the District has a current address on file. The District will not be required to guarantee recall rights to any teacher the District is unable to contact due to that teacher not providing the District with a current address.
- G. No new teachers shall be hired until all nonretained tenured teachers satisfying the requirements listed above in D have been recalled.
- H. Teachers who are nonretained shall have the option of purchasing coverage under the District's health insurance plan.

#### **ARTICLE XIV GRIEVANCE PROCEDURE**

- A. For the purpose of this Agreement, a grievance is defined as an alleged violation of this Agreement.
- B. A grievant is a teacher(s) or the Association. When the Association files a grievance on behalf of a teacher or teachers, the Association shall notify all potentially affected teachers and obtain the signatures of those wishing to participate in the Association's action.
- C. Effort shall be made to settle grievances at the lowest possible level of the grievance procedure.
- D. Grievances will be processed in the following manner and within stated time limits. The time limits as specified in the grievance procedure, however, may be modified by the prior written consent of both parties.

Step 1: An aggrieved teacher shall promptly attempt to resolve the grievance informally between the teacher and his/her immediate supervisor.

If the grievance is not resolved informally, it shall be reduced to writing by the teacher, who shall submit it to the supervisor.

If a teacher does not submit his/her grievance to the supervisor within fifteen (15) school days after the facts upon which the grievance is based first occur or first become known to the teacher, the grievance will be deemed waived. The aggrieved teacher may be accompanied by one member of the Association when presenting the written

grievance.

The supervisor will reply in writing to the teacher with a copy to the Association within five (5) school days after receipt of the written grievance.

Step 2: If the grievance is not settled in Step 1 and the teacher wishes to appeal the grievance to Step 2, the teacher may file the grievance in writing with the Superintendent within ten (10) school days after receipt of the supervisor's written answer. The written grievance shall give a clear, concise statement of the alleged grievance, citing the specific provision(s) of the Agreement alleged to have been violated and including relevant facts upon which the grievance is based, the issue(s) involved, and the relief sought. The Superintendent or his/her designee shall review the grievance, arrange for necessary discussions, and send a written answer to the teacher with a copy to the Association no later than ten (10) school days after receipt of the written grievance.

Step 3: If the grievance is not settled in Step 2 and the teacher wishes to appeal to Step 3, the grievant may appeal the Superintendent's disposition to the Board through the Superintendent. If the teacher does not send his/her appeal to the Board within ten (10) school days after the receipt of the Superintendent's answer, the grievance will be deemed waived. If the grievant appeals to the Board as provided, the Board shall hold a hearing to hear the appeal of the Superintendent's decision within twenty (20) school days of the receipt of the appeal. If administration or other staff members are involved, they shall present the facts to the Board as they see them. The Board shall render its decision with respect to the grievant within ten (10) school days of the hearing.

Step 4: Grievances not settled in Step 3 of the grievance procedure may be appealed to arbitration by the grievant Association.

The Association shall provide written notice of a request for arbitration to the Superintendent within twenty (20) school days of receipt of the Board's answer in Step 3.

When timely request has been made for arbitration, the parties or their designated representative shall attempt to select an impartial arbitrator. Failing to do so, the Association shall request the American Arbitration Association (AAA) to submit a list of arbitrators. The selection of the arbitrator shall be made with the procedures established by the AAA.

The arbitrator shall schedule a hearing on the grievance. After hearing such evidence as the parties desire to present, the arbitrator shall render a written decision. A decision of the arbitrator shall be binding upon the parties.

Each party shall bear the travel/lodging costs of producing its own witnesses and the costs of preparation of exhibits and other materials. The fee and expenses of the arbitrator shall be shared equally between the Association and the Board.

#### E. Conditions

1. All disputes concerning the arbitrability of an issue will be presented to the arbitrator at

the hearing schedule on the merits. Either party may appeal the decision and the determination of the arbitrator on the issue of arbitrability to the courts.

2. No reprisal will be taken by either party as a result of their testimony or participation in a grievance.
3. A grievant will have complied with time limits if his/her appeal or initial grievance is postmarked on or before the applicable date.
