The Last Stains On Your Wedding Gowns

May 1, 2015

The Lord had quite an extensive message about Love.

"Let's talk about love. Do you think we can exhaust the topic of love?"

Surely not, Lord.

"Love works in many different ways that many do not realize. It is an act of love and an act of mercy to pardon someone when they've said something to hurt you. To take up a reproach to them is not love --- to overlook their fault, that is love. To correct someone when it really isn't necessary is not love either. To find fault with others is not love. To degrade or humiliate others is not love.

"Love overlooks the shortcomings of others because she knows she has even worse faults that others overlook in her. Love sympathizes with the downtrodden, not adding more accusations against them. She sees that her fate could change tomorrow and she could be in that very same place. Love does not point the finger when someone falls. Rather she sees herself in that very same predicament and that tomorrow could be her turn.

"My Brides, if you secretly rejoice when someone has fallen, you have not love. I know you try to control yourself outwardly but inwardly you are rejoicing that fate finally caught up with someone who has been a thorn in your side for a long time."

Oh Lord, you are reading my mail.

"Yes, I know Beloved, you have not loved as I wished for you to love. Yet there is still a little time to show true concern without secret glee that someone has finally bit the dust. It isn't any easier when that someone is a rival or openly critical of you. I want you to consider well, Daughters, that God is not deaf, dumb and blind and He can and will read the hidden thoughts of your hearts. That is where I need you to change from.

"Way down deep inside. Way, way, way down deep inside. Not just a cosmetic 'I feel so badly for that person.' But a true, heartfelt grief for their embarrassment. One way to feel this is to genuinely reach out to them, offer them a helping hand, and of course, pray for their recovery.

"You know well how painful it is when I am dealing with you about pride. Love looks at another and feels their pain and wants nothing more than to take it off their shoulders. Which 'we' cannot do, because the lesson must go deep to make its mark and change. How many times I have wanted to reach out and comfort one of my children who has gone severely astray, but I couldn't or the lesson wouldn't stick. Rather, I have to step back and allow time to etch the lesson into their hearts so it will never happen again. So that at the next opportunity, they will

pass the test. This is very, very, painful for Me. And yet I am bound by responsibility to step back and allow time to wash over the soul until it is deeply engraved.

"If you would be perfect, if you would be a suitable spouse for Me, your hearts must be conformed to Mine. You must grieve when I grieve, and love when I love. There is no greater sign of your love for Me than the way you respond to your brother or sister when they are in trouble."

Oh Lord, I can see there is still wickedness in my heart. Please Lord, tell me how I can change that?

"You have been doing it all along Clare. Put yourself in their shoes."

Yes, I have. It's very painful.

"That will accomplish two things closely related: charity and humility. Continue to look at the good in others and the shortcomings in yourself. This is the great balancing beam --- your faults, their virtues. When you discipline your mind to take this approach, you draw near to the Kingdom of Heaven. And conversely, when you dote on their faults and your virtues, the kingdom of darkness draws nigh unto you.

"These are Satan's thoughts. The accuser, putting down others, exalting oneself. When you think that way, you think as he does. That should be enough right there to frighten you away from this kind of conduct. Wickedness draws in and entertains wickedness. Virtue attracts virtue.

"My Children, when you are taken up with the faults and shortcomings of others, you are inviting a serious fall. You are also causing Me to withdraw a distance from you and oppose you even in your 'holy' undertakings. For truly, how holy is an undertaking when underneath the surface you are seething with jealousy and fault---finding and even spreading it to others? Do you think anything you undertake with that heart is pleasing to Me? Well, you are right. It isn't.

"But even a little one, very little, meek and honoring others, even the little that these do is pleasing to Me because the motive is love.

"If love is not the motive, whatever you undertake will burn in the purifying fires. It matters not how astute, educated, well researched, and presented --- if it isn't done with love as the primary motive, it will burn in the fire. That is why so many who have gone to Heaven have discovered a housewife sitting on a throne, while the famous evangelists are walking in the outer courts or even outer reaches of Heaven without a reward. Her only motive in what she was doing was love for Me and for her brother. Whereas that famous one's motive was pride, influence, fame and vying to correct others. These habits are abhorrent to Me and the saints in Heaven. So, it matters not how sublime their discoveries, if the vessel is corrupt it will not be counted to them as righteousness.

"It is so much better for you to know these things now than to find out in that final hour. For if you repent, your sin will be washed away, never to be found. Your deeds done under that influence will not precede you into Heaven, but your new efforts done with the proper heart, will.

"So much is lacking in understanding of how Heaven judges the things of men. Rivalry and competition have no place in Heaven. I'm looking to crown the souls of those who truly see themselves as less than their brother --- souls that are always taking the seat furthest back, souls that make others look good while they themselves step back into the shadows. Rivalry is detestable."

Oh Lord, I see there is leaven in me, please help me. I am so ashamed of myself.

"Yes, I will help you, and I, too, am disappointed with these hidden attitudes. The more I lavish on a soul, the littler they should become, otherwise I cannot trust them with more --- and even what they have may work to their downfall."

Jesus, I am making my mind up here and now, I want no part of that sin. Please, Lord, help me overcome myself.

"My Daughter, that is what your journey on this Earth has been all about. These are the finishing touches, the final tests of how truly you love Me, how ingrained with Me your thinking is: how perfectly you love others, that you never want to see them downgraded, but always to see them advanced and that you find your joy in their advancement while you remain on the same level. These are hard tests, but very necessary. But all must pass them if they would overcome their flesh."

"Someday, someday, you will arrive at this place. Someday."

Sooner than later, I pray.

"That's up to you My love, the graces are there waiting in the wings. All that is needed is a firm purpose of amendment and refusing to do anything that is not charitable."

"All of you are insecure, all of you feel that you need to be affirmed. Many of you had devastating childhoods and it's taken you all these years to get a grip on yourself. Others were spoiled as children and their struggle is even more severe. Just remember, this is not about downgrading you and exalting others, for no one has more worth than the Blood I shed on the Cross. That is your net worth, if you want to judge as the world judges. Not one of you is loved more than another. I love each of you and see you fulfilled becoming who I created you to be. Yes, I get more pleasure from seeing a soul who is victorious in their life, but I don't love them any more for it. I love the failures just as much. It saddens Me to see the foolish course they have chosen for their lives. It truly grieves me."

"So, all I am saying to you, My Brides, is look deeper; look in My mirror, seek approval from Me alone. Do not turn and compare yourselves to others, this is satan's tactic to turn you from the path of virtue. Instead, allow Holy Spirit to reveal these diseased places in your souls and allow Me to heal you with My love."

"Take this to heart now, My Loves, take it to heart and turn over a new leaf. I am taking you to Heaven soon and these are some of the very last stains on your gowns."

"I love you, I will work with you and for you. Rely on Me to help you, do not attempt to do this on your own. I am in this moment imparting to each of you the grace to stand before Me. Work with it."

Well, that certainly is a challenging teaching, but one that is absolutely necessary for us in this final hour.

I just wanted to end this with the Scriptures from I Corinthians 13:1-8

If I speak with the tongues of men and of angels, but do not have love, I have become a noisy gong or a clanging cymbal. If I have the gift of prophecy, and know all mysteries and all knowledge; and if I have all faith, so as to remove mountains, but do not have love, I am nothing. And if I give all my possessions to feed the poor, and if I surrender my body to be burned, but do not have love, it profits me nothing. Love is patient, love is kind and is not jealous; love does not brag and is not arrogant, does not act unbecomingly; it does not seek its own, is not provoked, does not take into account a wrong suffered, does not rejoice in unrighteousness, but rejoices with the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails.

Let's pray for each other – I think this is an area we all need to grow in a little. God bless you.

What Is Dwelling Prayer? It Is The Prayer We Use To Get Close to Jesus

May 1, 2015

I've had a few people ask us about our method of prayer, and how we've gotten so close to the Lord. We've done a whole playlist on that, with a bunch of teachings on it. The longest one is basically Scripture to establish the precedent through Scripture for the kind of prayer that we do pray.

But, just to clarify something – this is not soaking prayer. This is what we call Dwelling Prayer. The prayer that we specially do and get so close to the Lord through is called Dwelling Prayer. That's a term that I basically coined to clarify the difference between that and different types of prayer and soaking prayer, and so on.

So, this is what Dwelling Prayer is. Based on the Scriptures, the Lord lives in our hearts. He is the entrance, the gateway to Heaven. And so, what we do, we come into His presence with thanksgiving and praise, as is written in the Scriptures. We worship Him. And, as we're worshipping, we enter into our hearts spiritually, where he is present – and we worship Him there in our hearts. We use our imagination to some degree, just to get started to see the Lord, and He takes over pretty quickly. Basically, we worship the Lord in living and dwelling in our hearts.

There comes a time during worship where He would like to impart something special to us – so there's a kind of holy silence that comes over us. A very sweet and special peace that the Lord inundates us in. And, we stay there with Him and we dwell with Him in our hearts – we continue to dwell with Him, for it's written: If we obey Him, then He will dwell with us. I go to a lot of

trouble to explain all the Scriptures to you in the hour-long teaching on prayer.

So, that's Dwelling Prayer. We dwell with the Lord and we listen for His voice, and we enter into our hearts with thanksgiving and praise and worship, where Jesus dwells. And, at a certain point, He may want us to be still and dwell in Him. And, so we do – and He speaks to us there. Many times, we'll see Him and He speaks to us.

Jesus is the True Shepherd – no-one comes to the Father except they come through the sheepfold, the gate of the sheepfold, which is where Jesus is.

Now, after we've been with Him for a while in dwelling prayer, sometimes it seems like we are seeing Him on the outside of us, you know like standing before us, sitting before us. And that's just spiritual vision – that can be in your heart, or be outside of you. But, you begin in the heart by worship, and this safeguards us from taking a wrong turn or getting involved with things that are wrong.

Sometimes He'll take you to Heaven. We had a lady just this week that had a tremendous breakthrough. Just nonchalantly, she sat down to pray and worship, and she thought, "Well, I wonder if He'll speak to me the way He does to Clare? I wonder what my home in Heaven is like, Lord?" And, wouldn't you know it, He just showed up on the spot, and He took her to her dwelling and she got to see it. And, this was all done in the spirit!

So, the Lord says that we have to worship Him in spirit and in truth. We're working on the truth part – and this is the spirit part!

So, that's what dwelling prayer is, and as I said, we've put a long playlist up for you to help you deal. We also have one, Discerning of Spirits – a playlist on Discerning of Spirits and the process that we use to verify that it truly IS the Lord speaking to us. One of those methods is to use the Bible, to prayerfully open the Bible allowing Holy Spirit to pick the page, and use the two pages to meditate until we feel a kind of sweet presence in our hearts, and we recognize that Holy Spirit is saying something special to us out of those two pages. And, that tends to be a very good form of substantiating we are with the Lord and not with a familiar spirit.

We also use a little book called the Bible Promises, which is a very short, condensed group of Bible promises that are Scriptures – we use that, as well. But, first, we do bind a Lying spirit, so that a lying spirit cannot use the book – only Holy Spirit can use it. We prayerfully allow Holy Spirit to open to the page that HE wants us to read, and then we study those Scriptures until we feel a quickening in our spirit that the Lord is speaking to us through one particular Scripture. That will give us and answer many times to whether we're hearing a lying spirit or Holy Spirit or we're in the flesh. I go into that, too, in a teaching on the three different voices that we hear in prayer.

So guys, I've done everything I can to share with you what the Lord has taught us. And, I'm telling you now, He chose us to share this with you, because I've got more faults than ANY of you, and all of you put together. And, I think He wanted you to "get it" – that your faults are NO impediment to Him. There's nothing about you that is off-putting, that the Lord won't speak directly to you. If He'll do it to me, He'll do it to you, I promise you. You couldn't possibly be worse than I am, especially compared to all the Graces that the Lord has given me.

I'm not saying that, trying to be humble. I'm saying that's the bottom line Truth! And, it's because of that He's asked me to share with you. So, there's not ONE person out there who can say, "I've got more sins than you – so He won't talk to me." Uh, uh...can't do that. The Lord has already picked someone who's done it all....

So, the Lord bless you, and there's tremendous hope for you to hear from the Lord in this way. We started a blog: HeartdwellingwithJesus.wordpress.com and we'll have the link on the page, in the description of this video for you. What that basically is going to be is, strictly Praise reports on people who have come to us, not being able to hear from the Lord, and have had breakthroughs and are now hearing from the Lord, and they share their testimony.

Thank you so much for your prayers and for your support. It's tremendously appreciated. We are a full-time ministry, and these videos take approximately 4-6 hours to do, every day. The Lord has asked me to do it – and I just do it out of obedience and love. So, we appreciate your prayers and your support.

The Lord bless you all, and let's stay in support of one another.

Oh How You Comfort My Heart!

May 2, 2015

Good Morning, Family!

Tonight, as I came into worship playing "Jesus, Holy Jesus", by Terry MacAlmon, and I beheld the Lord in the crown of thorns, suffering. I know that one of our listeners, Angel Wings, has been in the hospital - she had a rather extensive and painful surgery and we've been praying for her, we're very concerned for her. So, she's had a rough surgery.

I was lifting up to the Lord, along with all of your requests, lifting you up and placing you into His heart for resolutions and answers. But He was suffering, He was really suffering and I'm not sure if it was, Angel Wings or just things in the world, you know, or just things in the world or what all of the different things that were on His heart. But He was definitely wearing the Crown of Thorns and suffering.

Usually to me, the Crown of Thorns means scorn and contempt - I call it the Crown of Scorns. But it can be other things, too. He even had tears running down His cheeks.

But in spite of that, I let the song just run over and over again, and we were slow dancing, just kind of swaying gently back and forth to the music. I drifted off into a sweet reverie with the Lord, my forehead was nuzzled under His beard. Every once and a while, I'd draw back and our eyes would meet and He was becoming peaceful and calm. As the song repeated itself, I began to see that His suffering was alleviated and the pain surrounding His Head was beginning to dissipate and I even spotted a twinkle of joy in His eyes.

I told Ezekiel what was going on and he said, "I don't think we know how much the Lord suffers with us, how many times He cries with us." And right after he said that, the Lord began to speak to me.

He began:

"Never underestimate the power behind consoling your God. Do you know the heartbreaks I must suffer everyday, and when I come into the throne room of your heart and find you waiting there for Me, just longing to be with Me. Oh, you cannot imagine how you brighten My Heart.

"My Brides, just because you are not yet perfected on this Earth does not mean I can't receive consolation from you. Your tender affection to Me soothes the burning of My Heart for souls that are suffering sheer torture, and for souls that have totally turned their backs on Me. Both extremes I encounter day by day. Both extremes rend My sensitive heart.

"And when I come home to My waiting Bride, who has nothing but comfort for Me, slowly but surely the pains of the day begin to disappear and I find My joy in Her arms. Clare is right, I long for My Bride to come to Me with nothing on her agenda but to hear Me speak, and be in My presence, to worship Me and sit quietly beside Me. The refreshing waters of her heart are like a flowing brook surrounded by gardens gently perfuming the air with rivulets of water singing out to Me. Her praises and love thoughts dance in the air around Me, the sweet aroma of praise.

"And there we sit together beside gentle waters, washing away the frets of the day from one another's lives. She soothes Me, and I reciprocate by soothing her. Her countenance comforts Me and Mine comforts her. Together we drift in this stress free zone heavily laden with the aroma of love.

"Oh, how I wish for My Brides to enter this place, this comfort zone, this garden of gentle delights where all the business and ugliness of the day is left far behind and a gentle caress of My cheek says more than even a symphony could express.

"I am deeply touched My Brides by your devotion to Me, your desire for Me, and your exclusion of the world and all its allurements. In a world so taken up with the doings of men, you are a rare garden on an exotic planet, somewhere yet untouched by man.

"This is what I longed for and sought after with Adam and Eve, but alas the Spoiler of everything good found an inroad to corrupt them. But in eternity there will no longer be any vestige of evil and I will have before Me My victorious creation, those who chose Me above all else, even life itself.

"Please, My sons and My daughters, do not hesitate to come into My presence this way. Offer Me your heart as My resting place. Offer Me the tender gaze of concern that I might forget the callous indifference of men. Give Me a place of repose that all My Creation should have afforded Me. Bring Me into the garden of your hearts and tend to My wounds. Never will you know the power of your love to heal My aching Heart, until you are able to see what I must see on Earth. Then you will understand the immense difference you made with your widow's mite. Until then, please remember to come into My presence with worship and the consoling fragrance of your heart. You are Mine and I am Yours. And that is forever.

I bless you now with eyes to see the difference you made in My world."

Jesus Asks Us To Have Uncommon Respect

May 3, 2015

Good morning, Family.

Well, the Lord was in an uncommonly humorous mood tonight. And I guess He had to be, because He's dealing with me being extremely tired. I think I came into prayer a zombie and I don't even know exactly why - allergies or something. I definitely was not altogether here, as I came

into prayer. In fact, I fell asleep a couple of times. I wasn't resting in the Glory of the Lord, I mean, I flat out fell asleep...

So, He had some suggestions for me on how to fix that, which I've been kinda been waiting for... I'll just go ahead and share this dialogue with you, 'cause He's so cute...He was so sweet with me. And let me preface this by saying that I spent a good hour and a half in worship, and it was just as flat as a pancake. I couldn't connect with Him, I couldn't pray the way I wanted to - it's like all the passion was just GONE. That can be a suffering, too, guys. Sometimes the Lord allows that to happen, and then someone else has a really special prayer time. Kind of like an offering, a fast offering for another soul. The Lord does that, too, but tonight I think it was just my fault and I came into prayer and worship, but never really... He connected with me several times, but I couldn't stay connected. I kept drifting off...

So, I finally gave up on trying to really get into some sweet worship with Him and I came to my computer and said, Here I am Lord.

He answered me, *"Here I am, too."*

OK

"You don't believe Me."

Please, can I see You, Jesus?

"Close your eyes."

And when I closed my eyes, I mean, we were nose to nose. I mean, if I were any closer... how could I BE any closer... 'oh ye of little faith.'

Lord, what is the matter with me? I wanted to worship tonight and it was so flat.

He said, *"Make better use of your time."*

What does that mean?

"Get here sooner."

OK

"No really, I do mean that. Try getting here much sooner, like 10:00."

(It's 3:31 right now...) OK

"That will help, Beloved. You are tired, but this is the time of the day when the sap is going down not rising up."

So, I'm a sap??

"Did I say that?"

Kinda.

"Yes, you're a sap, for Me."

OK

"You say OK a LOT."

I agree with You a LOT.

"Good answer. Very diplomatic, slightly flattering and absolutely TRUE!"

You're making me laugh, Lord.

"Oh that's good! I was afraid you were going to fall over dead, you were so excited about us being together tonight."

Oh, Lord, You're so kind and gentle and so much fun to be with! Thank You so much for cheering me up.

"Well, in truth, I want My Bride to know what she's in for when she gets here to Heaven. I am fun to be with, you know."

You can say that again!

"I am fun to be with, you know."

Oh, thank You so much for taking the time, Lord, to bring me back to life. What would you like to talk about tonight?

And He answered me, *"Respect."*

"I want My Brides to respect all men and women, regardless of age, race, education, station in life. I want souls to recognize Me by My respect for others. This is something you can do for Me. Lack of respect has led to terrible downgrading and a sense of loss and uselessness.

"It is even assumed that I don't respect the rights of every man, woman and child. It is not understood that equipping you with free will was a tremendous sacrifice on My part, because I wanted you to choose Me out of love, freely, not like a slave who has no choice.

"Respect is a mark of recognition that you are 'special' - and you all are indeed special to Me. When people disrespect you they are saying, 'Your life doesn't matter, you are disposable.' This has a tragic impact on humanity, it kills the will and the desire to dream. Nothing could be further from the truth. I love each and every soul with not only respect but I have dreams for them and a future that is rewarding. Yet, because authority has been wielded unjustly, they equate Me with authority, which is often callous and dismissive of an individual's rights.

"I want My Christians to treat people with uncommon respect, restore to them their sense of value and worth. Restore to them their sense of importance in the world. Reinstate them and show them that they are valuable. This is one thing that is lacking so seriously in human relations that you will be surprised at how it turns people 180 degrees around.

"Instead of kicking the dirt and walking away shuffling uselessly, it will restore hope and put a spring in their step that belies new hope, enthusiasm about who they are and who they can become.

"I have wonderful plans for every man woman and child on this Earth. Wonderful plans, but so many assume that I am dull and boring, that I'm all about rules and regulations, all about being quiet and pious, all about dark and restricting. Yet you know that is absolutely untrue. Heaven is a place of glorious light, a place of purpose and creativity, a place where joy makes every foot dance, every heart leap and feel deeply necessary to My plans.

"Yes, that is what I want to convey. You are important to Me. I have plans for you, beautiful plans, things you will love, not dark and restrictive but filled with brightness and new hope. When you show respect to others you bring them into My dimension. You are declaring their beauty, and their reason for being. You are saying, "To God, you are very important." Not just a castaway or byproduct of your culture, but truly a diamond in the raw.

"You are an individual, different, there is none like you - and this is not flattery, this is Truth. And because you are unique, the plans I have for you are unique and especially fitted to the nature I created in you.

"Separating people from the crowd, taking away the numbers assigned to them and acknowledging their unique identity. The beauty of who they are is even a mystery to them, but by showing uncommon respect you say 'There is something special about you; hidden greatness, something beautiful inside.' In essence, you are affirming Me in My Creation and that each one I create has intrinsic beauty that is waiting to be brought to the surface.

"This goes so much against the grain of society and human relations that it will stop a soul in its tracks and make them wonder, 'This person is different... What is it about them that has touched

me?' And that's when they find out: God is living in you, you are His ambassador and to Him this soul is worth every pain of Calvary, every lash of the whip, every mocking, every blow of the hammer. At what a great price they have been purchased. Yes, that is the true worth of every man, woman and child - nothing less than My passion.

"So, when you show respect you declare this in a subtle and hidden way, but it reaches the soul and touches them. They feel the difference in you from others, they feel Me. And in recognizing Me, half the battle is won. I am not who they thought I was. NO, I am the one who created them fearfully and wonderfully made, unlike any other, unique and worth dying on the cross for.

"This is what I want you to convey in your relations with others. Respect. Uncommon respect. That causes others to stop and ask themselves, 'What is so different about them?' And when you get their attention, that is half the battle, they aren't in a defensive posture anymore, rather they are curious and want to know your secret.

"I bless you, My Children, with a new grace: uncommon respect and My fragrance to touch hurting souls and bring them here to Me."

God's Correction

May 4, 2015a

The Lord Bless you and keep you.

Tonight the Lord kinda got right down to business with the message, so I'm just going to go ahead and begin it and we'll go from there.

I asked Him, Lord, what would you like to talk about

tonight?

He said, "*Punishment.*"

And I thought, 'Oh boy I'm not hearing the Lord!' Punishment. That didn't sound like a very good topic but I thought, 'ok,' and I double-checked in my discernment and it was indeed the Lord. So, we moved on from there.

He began: "*My Punishment is not for sinners in this life, it is for those I love and it is not punishment but education. Everything has an equal and opposing reaction and no deed is without effect in the world.*"

And I was reminded of the Scripture that said, Every son comes to me, I chasteneth and correct because he belongs to me. Hebrews 12:6

Anyway, He went on.

"*It is far too much misunderstood that when bad things happen as a consequence of someone's actions, it is punishment to make them feel badly. How far that is from the truth! It is not punishment, it is an adjustment in their understanding so they may take care to be responsible for every word, and every deed.*

"Each has a circle that ripples out from around them, it bumps into other circles, blends with them and gives birth to yet another circle."

As He was talking I saw something like a lake with drops of water falling, one at a time. And it created a pattern of circles that eventually reached one another and blended into another wave.

The Lord continued, *"When God is at the center of these circles and what you do is a result of obedience to what you believe, grace abounds, souls are healed and converted. But when you are in the center of this circle, you draw away from the other circles. You are like a vortex that takes from others, creating emptiness, disorder and lack."*

"Far too many live the life of one who is for themselves and who take from others by drawing to themselves. If only you could see how very powerful this dynamic is. I have not come to beat or punish my Bride, rather I am here to educate her to make the right choices with the power she has to affect the world. When one of My children acts selfishly or out of jealousy, she draws the good in others to herself and it gets swallowed up and sinks to the bottom of the lake. It has no more effect; rather it becomes dead and stagnant in that soul.

"However when one reaches out to do good and gives, the circles continue to bump into one another even to around the world and much good is spread. The world becomes a better place.

"When I chasten and correct, it is for the welfare of not only the one I chasten, but for the whole Body; that all may learn the ways of charity and to avoid evil, because evil hurts and deprives life from others.

"I do not chasten out of spite, but out of love, in the hopes that the soul will see the effect she has had on others. She stops when she is chastened and asks herself, 'Lord why did you allow this to happen?' And I am quick to reply, if she remains truly open. Her chastening produces in her the result that her sin produced in others, so she can taste and feel the harm she has done. In this way I give her new grace to overcome this sin and she can rise above her own selfish motives and conquer the evil that is offered to her at every moment by the demons who are waiting in line to make her fall.

"I do not rejoice when I see the injury she must endure, I mourn with her. And that is why My Brides must do the same, even if they were the victims of her iniquity."

Lord, how do we know whether we have done something wrong or we're just getting opposition?

"I work in your conscience. You will feel a darkness, a sadness inside where the offense has been done, when you think of it. There will be a sticking point that says, 'Wait a minute... there is something here for you to consider....' It is a gentle conviction not a harsh condemnation. It is not accusatory in feeling, rather it is convicting. Until the soul says to herself, 'I think I might not have done the right thing here.' And as that thought grows, so does the conviction, until she realizes the source of her suffering, 'it happened because...'

"Then I begin to deal with her about repercussions and how many people she hurt by her actions. I want her to see the effects of her sin so she will understand how destructive it was. It is not

because I am angry that I allow her to get into an accident, or to lose something very important. No, it is to stop her dead in her tracks and get her attention.

"When you are under attack you will not feel gentle conviction. When you are under attack from the enemy, you will feel heavy condemnation, as if anger is being hurled at you, and it is, if you could see it in the demonic dimension. You are being attacked, downgraded, debilitated, robbed of your peace and joy, feeling hopelessness. That is a dead giveaway that what is being fed to you is from the demonic realm.

"With conviction comes hope, and the desire to right the wrong, sorrow for having hurt others, that is if your conscience is sensitive and well-formed according to My Heart. You begin to see the side of yourself that you've been hiding from: jealousy, rancor, laziness, retaliation. The uglies begin to surface and you so want to avoid looking but you just can't. It is too obvious if you are being honest with yourself.

"You see, I am teaching you to look from My perspective. That means you have to step out of yourself and see how OTHERS have been impacted. Then your motives begin to surface, you begin to see the darkness in yourself that has been hidden. You see this because you are in an elevated perspective and can see all the ripples as they impact others, rather than being just at the center of your ripple.

"My Brides, be ever so vigilant. The devil comes to kill, steal and destroy. Anytime you are entertaining a thought of that nature you can be sure who the author of it is. Do not be leagued to the devil, do not throw in your lot with the devil whose purpose is to destroy what is good and uplifting. Resist his suggestions and pray to Me to overcome yourself, whatever your motive might be. I am watching this great drama to see which virgins are filling and which are emptying their lamps. Do not be left behind with the foolish. Rather protect that which is good in others and see to your own lamp, that it is properly trimmed.

"And to those of you who feel it is your job to reveal error in My servants, be ever so careful. For I alone am qualified to judge, lest you step into My place and usurp My authority. There is still much you don't understand; there is still much quarreling and division among you. As Scripture has it, I wish to feed you on solid food, but you are not mature enough yet because you are saying 'I am with this one.' and 'I am with that one.' and 'I was baptized by this one.'

"Is this not the immaturity of a child yet in diapers? Yes I say to you it is. This is why you are lacking for sound teaching that could prepare you for My coming, because you are busying yourselves with foolish ideas. Please, please, take heed. Do not go on recklessly injuring others, there is a price to pay. I prefer to love you with blessings rather than to correct you with chastisements.

"I am going to visit each of you this week, with this lesson. I am going to reveal to you where you have gone astray, I will be gentle and convicting, not disciplinary. Why? Because I love you tenderly and of course you love Me, so you don't want to offend Me. So, if I reveal to you how you are offending Me, it is by your love for Me that you will stop and it will be well with you and with Me. So, receive My blessing of insight into your own thoughts and doings now, and have courage. I love you with the shed blood of Calvary. I beg of you: do not abuse that love."

Wow what a message! Well, we've all fallen short and we've all got things that I'm sure need to be addressed. I'm going to be on the lookout this week for what the Lord is speaking about and I pray for all of you that you'll be touched this week with His love and if there is anything out of order that God will reveal it to you.

Love you, Youtube family. Thank you so much for listening to our channel. Thank you for your prayers. We really do need your prayers, they're so appreciated.

The Lord bless you with His joy and His peace and His courage for this coming week. Amen.

Charity Covers a Multitude of Sins

May 5, 2015

Good Morning, precious Youtube family.

It's the anniversary of when I first came to know the Lord when He sought me out and inundated with His grace and forgave me of my sins and I repented and wow... that was a long time ago. I'm guessing at 35 years ago, but I don't have the mathematical skills right now to figure that all out. Anyway, the Lord had a message for us this evening and wow, He's talking about us not having much more time. That's very, very encouraging for me to hear. And tonight's message is about charity covering a multitude of sins. So, I'll go right ahead with it.

"Look around you, My Brides, and see where justice needs to be done. Look for those in your environments who are lacking in food, medicine, utility bills, car repairs, doctor bills. There are many elderly and young families who are in need. Look around you and help them. Do you have a car you don't need? Give it away. Do you have clothing, furniture, things for the kitchen and necessities that others could use that you could get by without? Give them away.

"There are needy all around you. Be like My Father in Heaven and shower good upon those in need. You haven't much time left to do good for others, make the very best of it. The hour will soon be here when you will no longer be able to do good, your statistics of how you gave will be frozen in time. Your records from Earth, closed for eternity. Make good use of your last moments here on Earth. Give to those who ask, anticipate the needs of the poor around you. Keep your ears open to the conversations that might give away a need you could help with. Look for ways to give. Your time here is short.

"This is a great way for you to show your love for Me. When I was hungry, you fed Me, when I was lonely, you visited Me. When I had no ride, you drove me, when I lacked medicine, you bought it for me. Don't you see? I have put these very people in front of you to test your charity and love for Me. I want to see if you will do what I would do. You have some resources, all that is needed is the recognition of the plight of others and a loving heart that goes out to them.

"Charity covers a multitude of sins. There are things about yourself in this life that I have kept deeply hidden from you. But because of your charity they will be erased forever. No this is not works righteousness, this is Gospel love,. This is giving and covering for lack. This is My Heart in

action and how great your reward will be for doing what I would have done had I been in your shoes. I expect it of you. I provide for you because I expect it of you. I want to see if you will spend money on your pleasures or on the desperate needs around you.

"This entire life of yours has been a test to see if you belong to Me, to see if you belong in Heaven. Many of you have fallen far short of what was expected of you, however you have recognized your failures and applied yourself to make up for them. You have repented, turned around and are now doing what was wanted of you from the beginning. Your failures shall no longer be remembered.

"Some of you have done what you could with the nothing that you had. To you shall be the reward of the widow's mite. Others have given only of your extreme abundance, the records in Heaven for you are rather short and lacking. For some it was not money as much as it was time and going out of your way for others. This, too, has its rewards.

"But what I am saying to you now is that I am providing opportunities for you right now to make up for your selfishness and apathy. Take advantage of this time, it is My provision of Mercy for the Bride.

"Listen carefully, My Bride. I do not judge you according to what you do not have, but according to what you do have and how you share it. Something as simple as sharing a cake you made with a hungry poor one has great merit in My sight. Driving a stranger to get gas for his tank, great merit. Letting others use your phone, great merit. Carrying groceries to help a mother overloaded with children, great merit. These are the little things that MEAN A LOT to Me. These things show a certain tenderness of heart for the needs of others. I will reward you greatly for these little acts of love.

"Do not grow weary in well doing, even explaining to the unaware that 'Time is short and soon there will be terrible events and a judgment against your country because of her sins. Do you know Jesus?' This, too, is very important. Whether they receive it or not is not the important thing, it is the sharing that is important. My spirit will convict them of their need for me.

"Taking the plight of others around you to prayer when you have no other means of alleviating their suffering also has great merit. These are the things that matter, little things done out of love, not fear. Things you did because you identified with their situation, yes, this is so important. So, I am going to turn you loose on the world right now with this blessing: Go your way with your eyes wide open to the hopes and dreams of others who are struggling to get from point a to point b.

"I open your ears to the silent pleas of the helpless around you, and I impart to you this night the grace to respond joyfully with no desire to be rewarded, but only to comfort others in their need.

"I bless you now to go out and love your neighbor as you love yourself."

Buy of Me Fire-Tried Gold

May 6, 2015

The Lord bless you, precious Youtube family.

I spent a little time in worship – well, more than a little time. But during worship the Lord was comforting me over some issues that I had allowed to disturb my peace. As soon as I was done with that, I asked Him, “Lord, what would You like to speak about tonight?”

"Dying to yourself. This is a concept that isn't much thought of these days, and yet did I not say that unless a grain of wheat falls to the earth and dies, it remains alone; but if it dies, it bears much fruit."

He who loves his life loses it, and he who hates his life in this world will keep it to life eternal.
John 12:24-25

"There is so much for people to do, but they have encased themselves in their comfort zones. They live where they feel drawn to live, they choose everything to their liking - and this is why so many are lost and lonely, lukewarm, walking down a road with no real destination other than the status quo. Living for the pleasures of the flesh."

"The enemy uses the flesh to encase a soul in their likes and dislikes: where to live, what work to do, how to dress, how to eat, how to be secure. But I say: you must live like the sparrows to be free! Live for the Spirit and follow My will for your life. You have only to look around you and see the frustration and unhappiness of those who live to the comfort of their bodies. Something is dead inside, the spark of life is gone - buried under layer after layer after layer of likes and dislikes according to the flesh."

"Life is an adventure, full of new experiences when one lives it for Me."

Gee, Lord. It sounds like you're getting ready to move us.

"No, not yet. You know the move I have in mind for you."

Yes, and you know the struggles I have day after day and again especially today over that event.

"Yes. You are living for Me, Clare. You did not choose where you live, I did. And you obeyed. You've been offered other alternatives, but each time you've chosen what I wanted. This is why you are alive inside. Had you lived for yourself, well... you don't want to know."

Nursing home?

"Perhaps."

"But most definitely you would feel lost. My Children, when you live to yourself, you frustrate My plan for your life, you limit what I wanted to do with you. The place you live in is extremely important to My agenda for your life. You have no way at all of knowing what a certain move will bring. You only look at the shallow externals: the climate, job opportunities, your relatives, the culture and appearance of a place.

"But, I look at it to see if it's fit for you spiritually. Is it the place you need to be to grow, to reach out to others, to have opportunities to grow spiritually, to touch lives - a place that truly fits My plans for your lives?"

I know, Lord. I'm always shocked when people say they are going to live somewhere because they like the climate. I used to do that and I was so lost. But somehow you brought good out of it.

"Yes, and I can use every circumstance as an opportunity to grow. But I prefer to put you where I know you will mature and advance the quickest. For this to happen, I need you to be detached from your own likes and dislikes."

I wanted to share with you all. When we went on our tour bus, I remember, with our four children – the Lord had us in Iowa in the dead winter! The absolute dead of winter - fifteen below, in the middle of Iowa. And then, when He moved us on, it was Florida in worst heat of the summer! Ugh. You surely put our flesh to the test.

"And this is what I need of My vessels unto honor: flexibility and a willingness to go where I lead, when I lead. There is so much richness in a life lived in the Spirit and so much sediment in a life lived for the flesh.

"My Children, I have such wonderful things for you to do, but your obstinacy in choosing your location ties My hands. There are connections waiting to be made, a broadening of your horizons, a deepening of your understanding, if only you would come under the yoke of obedience.

"There is no reason why a person has to be tied to a house, a piece of land, a city, a country. The world is an exciting place with many opportunities for those who are willing to live for the Spirit alone and go where I send them."

Lord, I know I have failed you out of fear of the new and different. I still to this day regret not going to Youth With a Mission in Holland.

"Yes, but it came around again, didn't it? I did a work around with your life and you are where I want you at present. But so many derail the plans I have for their lives by holding on to the past and what is familiar and comfortable."

Jeremiah 29:11 'For I know the plans that I have for you,' declares the LORD, 'plans for welfare and not for calamity to give you a future and a hope.'

"But will you trust Me?" He added. "Will you acknowledge that I am God and there is none other? That My plans are far superior to your plans? Will you acknowledge that nothing is impossible for Me? And that you can trust Me with your life?"

"You must come to terms with these issues if you are to live the fullness of the life I have called you to."

Gee, Lord, it sounds like we're gonna be around for a long time...

"This is for those who will come after you, Clare, and for those who are listening now and feel a tug in their hearts to do something totally different with their lives."

"I have sat here, from My perspective in Heaven, and seen the possibilities for My Children on Earth. I have seen all the places that would have suited them so perfectly, but these places never even entered their mind, nor did they seek Me to find out where I wanted them."

"I have given you life and strength and a purpose. Hope and the drive to move onward. Please, do not ignore Me. Make it your top priority to seek Me until you find Me and know for sure where I want you. Hold in abeyance all your plans and dreams and seek Me until you find Me and know without a doubt where I am calling you to go. You will never regret it."

"Pay attention to that restlessness that doesn't quite feel right with this plan or that plan. That is My Spirit intervening and holding you back because I have something better for you, with better timing."

"You see, when you come to serve Me, your life is no longer your own. Most people, however, try to run their new life in Me on two tracks: what they want... and what I want - within the context of what they want. Rather than totally abandoning their will and their way to Me, they compromise and then expect to be happy and fulfilled. But it will never happen until they totally abandon their agenda."

"Some are still catering to their earthly parent's expectations. Some have their eyes on a career goal and prosperity, and within that context they choose what they think is My will. But they are so far from the truth that they would be shocked if I revealed it to them. Yet, I know the course they are holding onto for dear life will lead them into mediocrity and unhappiness. I can only wait until they discover that's not what they wanted after all. And sadly by then, more than half of their life is spent and sickness has found its way into their bodies."

"I am just saying this for your own good, Children. Choose Me and My Will with uncompromising faith and clarity. Seek Me and wait on Me. Lay down your agendas, let your earthly parents lead their own lives, but you? Follow Me."

"Many are confused about what it means to honor and obey your mother and father. It does not mean to let them take My place in your life and let them dictate what your life should be. Honor them in their old age, help as you can, celebrate their birthdays with them, treat them with respect and reverence in all your dealings. But never give them the helm - this is meant for Me and Me alone."

Is it not written, Anyone who loves their father or mother more than me is not worthy of me...Matthew 10:37

Then the Lord quickened the church at Laodicea to me. This was the lukewarm church, and I believe the church that lived by their comforts and the status quo until the interior fire in their souls just fizzled out.

Revelation 3:17-19 You say, "I am rich, and have become wealthy, and have need of nothing," and you do not know that you are wretched and miserable and poor and blind and naked. I advise you to buy from Me gold refined by fire so that you may become rich, and white garments so that you may clothe yourself, and that the shame of your nakedness will not be revealed; and eye salve to anoint your eyes so that you may see. Those whom I love, I reprove and discipline; therefore be zealous and live your life for Me and Me alone.

"I bless you now with the courage to deny yourself, pick up your cross and follow Me."

What Must Befall This Nation and The Earth

May 7, 2015

The Lord bless you with His sweet, sweet presence.

Faithful to His word, the Lord has been changing my schedule! So, I'm a little more awake and a little more...have a little more vitality than I had before. Thank you for your prayers, I know you guys have been praying for us.

Well, today when I went into prayer, I had a really heavy heart. I just couldn't stop thinking about all the things in this country right now that are coming to the surface, the plans that are being brought into position. The things in Texas and Utah - well, just all over the country where things are being planned to really destroy America. The "America" of America. It's so tragic... I know that we deserve it, but it's still very tragic. I spent a great deal of my time praying for the country, for those who are going to stand against this wickedness that is coming upon this nation. So, this is what I brought into prayer.

I spoke to the Lord and He ended up speaking right back to me about this very subject.

I began:

Oh Lord, my heart is so heavy over what must befall this nation.

Then He said, *"What if I were to tell you that your prayers have been answered and I am going to intervene and give America another chance?"*

Wow, that would be wonderful...but also make me a false prophet.

"Which would you prefer?"

That's easy...I want to see America get a second chance.

"Well, I can't. I'm not."

My heart sank when He said that.

"I can't. But I will raise up a faction to push back the forces of darkness so there will not be a total annihilation of your country."

Lord, I don't think it's fair that the rotten, corrupt people who have been controlling this country behind the scenes and bringing this all down on our heads...that they should have their way. After all, there is a faction of true Americans who are Christians and stand for what is right.

"That is why I am going to fight for them. You remember the rockets that were fired at Israel and were turned back in mid air and went out to the sea?"

I do.

"Well the same thing is going to happen at key moments, because of prayer. Your prayers and the prayers of others - this is going to happen over and over again until it is finished. Those who have gathered together in underground cities, I have called them there to their graves. There will be a purification of the evil in this nation."

"Yes, I will have justice. Deliberate crimes have been committed in this country with the end in mind that is the removal of My protection. Things such as abortion and gay rights, the training of guerrillas and other subversives to disrupt rightful governments around the world. All of this, plus the ruling elite. I am making an end to. Not one of them will escape My wrath. Not even one single one, including their offspring."

At that I was thinking, 'Yes - but the offspring, the babies...aren't they innocent?'

And the Lord intercepted my thoughts, and He said, *"You ask Me why I would kill the offspring - innocent babies? Do you not know the evil that will be birthed through these demonized children? They are not like real people - like you, or like I was on the Earth. No, they are demonized, fitted with demonic natures that tend only towards viciousness and evil. Bred to be genteel on the outside, but all wrathful inside. Yes, these are the offspring of Nephilim and even worse."*

"I am gathering the devil and his angels and their offspring and throwing them all into the Lake of Fire, eventually. But the end for them will begin on this Earth when all have proclaimed so securely 'See - we are safe from the chaos we created on the outside. The useless eaters will be killed off but we are safe inside the bowels of the Earth with our comforts and amenities.' And then it shall come suddenly: the bowels of the Earth will erupt and spew the filth out from inside it."

"Not one shall survive, even as in the days of Noah. So, those who have so stunningly engineered underground cities capable of supporting life for years to come... will in one moment be purged from the Earth."

Are you talking about a physical purging where they are actually thrown out from the Earth?

"I am talking about magma and water consuming and spewing them out of the Earth. Every last one."

But what about those who might have repented, Lord, or others who are innocent?

"How can you say that, Clare?"

Well... I'm trying to look on who might be innocent in that whole mess.

"As in the days of NOAH, My Love, as in the days of Noah. You have no idea the scope of corruption of those on government levels; the massive breeding programs, those who look perfectly normal but in effect have no soul."

What do they have, Lord?

"They have intellect and they have orders. They are not bred to think for themselves, but to serve without questioning."

Phew!

"I know that you are grieving for your country, but it shall survive. It is the evil ones who are going down. My people I shall protect. There will be a victory. I am God. I will not be mocked."

But Lord, what about the FEMA camps and all the Americans being rounded up and killed?

"There will be much slaughter, in which I shall be glorified. But none of that shall hurt the Souls of the Just. No, their reward is with Me. And I will intervene with supernatural peace in the moment it is needed."

Oh Jesus, it's too horrendous for me to even think about. It is so terrible.

"Well, for the innocent the terror only lasts a moment. It is the guilty who will have an eternity of terror."

What are they thinking? That they can escape judgment?

"They are not thinking. They have been woven from conception with lies, inbred with misinformation so that their foundation is thin air, nothing but a bedrock of lies. They live their entire lives in this environment of deception with others locked into the same bed of lies. They have no idea of the reality of who they are serving or what they are doing. They have been trained to believe that good is evil and evil is good. They have no other perspective. Many of them I did not create, they are clones. So, you see they cannot respond to Me, because they are not of Me. And the part of their brain that was meant for Me has been hybridized. Oh Clare, it is such an ugly subject, please... no more questions. I hate talking about it."

"What I was trying to accomplish was to show you this is a 'Move Of God' to purge the evil from the Earth. Every last one with their evil offspring that has been complicit in these massive deceptions is going to their end. Then I am coming back to reclaim the Earth."

But Lord, what about the radiation poisoning all over the world?

"I can with one sweep of My Hand, eradicate every last vestige of this poison and restore pristine purity to the Earth."

But I thought it would be in devastation when you returned? Won't we have an endless clean up job throughout the entire world? Reclaiming it?

"It is true that there will be much work to be done in certain areas. Other areas will be so far underground and undersea that it won't even be necessary. I will open the Earth to swallow the areas of the worst corruption - never again shall they be seen. I will cleanse the Earth by fires as well, preparing the soil for a new Spring. I will cause the waters in the deep places to be purified and returned to their crystal clarity. Oh, so much will I do to restore this beautiful Earth I created for My loved ones."

"Satan has indeed destroyed the beauty I created in many, many places of the Earth, but I will restore them. In those days, it will be a joyful work, even as the rebuilding of the walls of Jerusalem. There will be much healthy pride and joy in the work of restoration. Everyone will be given a part to do."

And these demon-aliens, Lord? Will they all be confined to the Earth and then held for a thousand years so their terror will no longer be anywhere in the universe? Because I've heard so many reports that they're spread out in many different dimensions of the Universe.

"That's correct. And there are legions and legions upon hundreds of thousands of them - but every last one will be confined and not permitted to influence in any way the Earth or the people of the Earth. They will be completely and utterly bound and confined in every way."

"Joy and goodness will abound and any shadow of evil will originate strictly in the heart of man untouched by the demonic realm. If evil comes forth, it will be conceived in the heart of man - not from the outside as it has been in the past. You see, in the Garden, Satan was allowed to tempt Eve and Adam. But during the Millennium there will be no such temptation from Satan. The Earth will be totally free of his influence."

WOW.

"Yes, wow!"

"Well, I just brought this up because I didn't want you to grieve excessively. All will turn out to My Glory. Though for a moment, My indignation and wrath must be felt on the Earth, that time will pass quickly as I promised and all things will be made new. Do you understand, My Beloved?"

I think so.

"Good, then be at peace. Let nothing frighten or upset you, all of this which is about to unfold is in My control."

WOW, that is amazing!

"Yes, I like to amaze you."

Will wonders ever cease?

"Never. Never. Never."

"Be strengthened now, let nothing throw you off course... steady as she goes. Be courageous, be resolute. I am coming to restore Justice to the Earth."

Troubling Discernment & Glimpses of Heaven

May 8, 2015

The Lord bless us all with clear discernment and understanding tonight.

It was an interesting night - we had some interesting conversations about discernment and I want to share these with you, because I think they're really gonna help you in your walk, as well.

I came into prayer through worship and found myself dancing with Him. I said to the Lord, "It's so beautiful dancing with You Lord, You are clear and present to me." He was wearing a black tuxedo and I was in my wedding gown. And I tried to dismiss this vision several times, but it persisted. So, I figured this is really what's happening. I was in my wedding gown.

Well, He answered me and said, *"And why not? This is practice for our wedding dance."*

For the real event?

"Yes, My Love, for the real event, soon to come."

Forgive me Lord, we are kind of getting the jitters as the time gets closer.

"Yes, I know. I am, too."

Really?

"Yes, really. Don't you think that holding My Bride in My arms, knowing she will soon be with Me for Eternity, would give any man in love the jitters?"

I suppose.

"Oh, Clare, you and all My Brides have no idea how much you are loved, honored and respected. Not even a clue."

I guess not.

"Well, it's beyond your wildest dreams."

Yes, I try to limit my dreams. I don't want to get out there in LaLa land.

"Well, I'll take you out to LaLa land anyway!"

You always do! But at least it's safe with You and not my foolish, girlish imaginings. It is truly blissful and Heavenly.

"You are far too timid."

That kind of shocked me. "Timid!?"

"Yes, timid."

Well, You are always right so I guess I'll just have to agree with You.

"Oh, you are timid alright. I have to meet you not half way, not 2/3 of the way... but 80% of the way, you are so timid."

You mean... others are bolder in reaching out to You than me?

"Oh yes, much bolder!"

Wow! I used to be SO bold, what's happened to me?

"You married a man that turned the wild march hare into a sweet, domesticated little bunny."

I love bunnies!

"I know... that's because they are timid like you."

OK... Well, I love fawns, too - and deer.

"See! There you go again, timid!"

But I also love lions and tigers and cougars... but I guess, because I see them as cuddly in Heaven... So you've proven your point, I am timid....

Well, my sweet Spouse, what would you like to talk about tonight?

"You and I."

Oh!

"What will marriage in Heaven be like with Me? That's what I want to talk about."

I have lots of questions but I'd rather you just tell me what You want me to know. We will never be apart."

You mean physically or spiritually?

"Spiritually."

But we are never apart now!

"Yes, but now you cannot always touch in with Me, you have trouble focusing. Not in Heaven, that will be a thing of the past. The very moment you touch Me with your thoughts, I will be there for you."

WOW!!!! I like that. But won't I be a pest?

"You will learn propriety - that is, being united with Me and wanting attention will be two different things. You will be so filled with Me that touching in will not be so necessary. You will be drawn to worship and lingering in the sweet bliss of Our presence in worship."

"We will spend lots of personal one on one time together, lots of it. Going everywhere together: rock climbing, hiking, horseback riding, picnics, canoeing, flying, swimming. Oh, we are going to have a grand time, and I have so much to show you!"

But isn't that frivolous in light of the work to be done here on Earth?

"You must come to know Me more thoroughly so that My presence can get stronger and stronger through you to others. You will bring Me to them, and the better you know Me, the better you will bring Me to them. Besides recreation is important. Re-create. Opens your perspective on life, allows you to rejoice in the bounty and variety I have created for you just to enjoy."

"You see, this is one way we show our love for one another - we create something for the one we love. We cherish their reaction and the joy they find in it. But I know you are graduating to people, you are beginning to find all your joy in them. Yes, this is beautiful and praiseworthy and very much like Me."

"Every soul has a journey to make through things created as they travel to Me alone. I know that you would be happy in My broom closet...so I have built you a palace. Is that such a great thing for Me?"

I think not. It is but a minor token of My Love for you, which goes way beyond created things. It goes all the way to Calvary."

Oh Lord, don't say that. I don't want to think about your suffering for me.

"I know My Love, but sometimes that is the only appropriate gift I can give you. And you do understand that in suffering for others you prove the sincerity of your love."
Yes, Lord. I do .

"Well then, remember, My love for you and each and every soul goes to Calvary."

"Getting back to Heaven. There are dimensions of pleasure and awareness in Heaven that you have yet to experience. One you did experience the night I visited you and translated you out of the kingdom of darkness and into My glorious light."

Oh, MY. That was quite an event...an ecstasy of body and soul that lasted for 45 minutes and defies description.

"Yes, there are states like that in Heaven, where you feel that wonderful all the time!"

Oh, my goodness! That would be pretty distracting.

"Not really, you learn to function in that state and everything you touch receives a portion of that bliss. Oh, you have no idea what is waiting for you, the oneness of all Creation and how we communicate the love for each other inter-dimensionally."

What does that mean?

"Well, a plant communicates on one dimension, a cat on another, a rock on still another - but the love that holds all of Creation together is binding between species. In other words, you can speak to all of Creation and be understood and they can speak back to you and you will understand - and in the end all are giving glory to Me."

All praise and honor and glory to You, Almighty God!

"Yes, we will be together in worship, continually in worshipful bliss. All of My Creation is united to Me in a blissful praise. You've just never experienced anything like it. "

Wow. Lord this is so amazing. May I just stop right here and breathe it in? Just for a moment?

Well, it turns out, "Just for a moment" turned into an hour long nap. When I came back to prayer the Lord said, *"I'm still here..."*

You mean you didn't get tired of waiting for me?

"Oh no, I was right here with you by your side. Sometimes I just want to be close to you, Clare. In that way I can enjoy My Creation...even when she's struggling with her faith in things to come."

Oh no, I can't keep anything from You. I'm really sorry, I hate it when I question what you've so faithfully told me.

"You can't help it, you are being buffeted."

I rebuked them Lord, 'cause I thought that's what You would want me to do. Well, I'm also enjoying the battle between you and them. I see that little crack way down deep inside your vessel. And they see it, too."

Suddenly I saw myself as a large water vessel and at the very bottom there was light coming in through a crack.

Oh Lord, how do I get rid of this?

"Worship. Lots and lots of worship."

So, I did. I went back to worship for probably a good hour or so. And during worship an angel came and opened my eyes so I could see that I was in the Heavenly court, praising God with angels and saints.

Then Jesus came and stood before me. He was wearing a red robe and He looked into my eyes, *"Don't you believe Me, Clare? I need you to believe."*

Yes, Lord I believe You. And yet there is something tugging at me deep in my gut calling everything into question saying, "None of this is true, you've been deceived, that's why it won't wash. This is your gut speaking, pay attention to me! Aren't I always right?"

I see tears flowing down His cheeks.

How do I get rid of this damnable spirit of unbelief, Lord? I am so used seeing something and verifying it with my gut level feeling. How do I deal with this opposition? My faith tells me one thing and my gut level perception is going against it? What do I do? Please send me some help, I can't do it on my own.

He kissed my forehead gently.

Just then Ezekiel returned from his errands. And he sat with me and prayed to help me discern what was going on. He told me that the Lord was pleased with me, that I am in His will, and this other thing is a distraction to take me away from the rest of my work.

Well, it did just come up out of the blue and overtake me.

I asked him what do we do if time continues to drag on and the Lord has not come yet. He said, "We just carry on with our work, there's lots to do."

I know the one thing. I am sure Jesus has told me, since He has confirmed it over and over again. And that's when Miami falls, the Rapture will happen directly after that. But this nagging gut level feeling.. what is it about?

Ezekiel said, "Set it aside, wait on the Lord. It will get resolved. This is discernment 404 - new levels, new devils."

So, I went back to worship and the Lord began speaking to me immediately.

"You're going to have to wait on Me, Beloved - that is the only resolution. I will make it plain and clear but this is a suffering. Wait on Me. In the meantime, I would say that you do have faith, but you are being tested. Hold fast to what you know in your heart and set the rest aside. Very quickly now, I will make the truth plain to you in such a way that you can receive it without wavering. Stand. And when you have done all, I say, Stand. Because Faith is the assurance of things hoped for, the conviction of things not seen." Hebrews 11:1

"You have the conviction of things not seen, do you not?"

Yes.

"Then you are being toyed with - this is a distraction just as your covering said it was. Haven't I always given him the wisdom to carry you through?"

Yes, Lord. Indeed you have.

"OK then, hold fast to what he has told you and let it wash."

Thank you, Lord. I have a peace about this now. I don't have that nagging feeling anymore.

"As I told you, you were being toyed with. Keep your eyes on the work at hand. You see, when you are making progress the enemy tries to erect barriers to slow you down or even make you quit. Sometimes, when you can't resolve these things on your own, rather than continue to bang your head against a wall it is best to set it aside and carry on. Then later things will become clear. But when you enter into a struggle to get all the answers right now, you get derailed and the important things that are waiting for your attention don't get addressed. So, carry on, My Love. You are very pleasing to Me and those kinks in your faith are nothing more than distractions blown out of proportion in order to stop your forward motion. Which by the way they did... for how many hours?"

Six?

"So, you see they succeeded. Now you know better - don't let them do this again."

"And for all My Brides, I say to you: when you hit some kind of irreconcilable issue that begins to draw all your attention to itself, you may very well assume that the enemy has deliberately done this to throw you off."

"One indicator is that you were doing just fine before, everything was going smoothly and your faith was in place and you were at peace. Then all of a sudden you begin to have doubts, serious doubts that take you away from the matters at hand. You begin to obsess over them and come to a completely confused standstill. That is demonic. You struggle not against flesh and blood, but spirits of the air; lying spirits sent to confuse and cause doubt, to erode faith and cause you to stumble."

But Lord, I said the Binding Prayer - aren't they included in that?

"Remember when you came back to prayer after a break, I nudged you to say it again?"
Ohhhh.

"And you didn't."

Bingo.

"But even beyond prayers, My Beloveds, even beyond that - if you come up against something that seems unresolvable at the moment, don't allow yourself to be locked into a struggle with it. This is most definitely a temptation meant to derail you."

"So, now you are free, My Dear One. Move on, there is much for you to do."

"I give you all My Blessing and Grace now, that you will be resolute in waiting for Me. Add to that a careful examination of dynamics that might frustrate or hinder your faith. Be on guard against those who would derail your patient endurance and in all things continue in the Hope I am imparting to you this night.

"I love you all dearly! The table is set, the food is prepared - soon, we will be seated at the banquet together. Soon."

Jesus Instructs the Left Behind: Put No Confidence In The Flesh

May 9, 2015

The Lord be with you and bless you with His wisdom.

The Lord came to me with a message for those, basically, who are left behind and have work to do here for some reason, are not taken in the Rapture. So, I'll go ahead and begin with that:

"Place no confidence in the flesh. Do not imagine for one moment that you can provide or take care of yourself without My intervention...or more properly, without My complete control. When you place confidence in your own flesh: your ability to defend yourself, your ability to provide for yourself - you set yourself up for failure. There are those who are going to walk into the Tribulation with empty pockets and not a place to go, no food, no preparation at all. And yet they will be fully provided for every step of the way.

"When a soul puts all their confidence in Me, I am free to provide everything they need. Rather than providing and surviving, be about My business and all these things will be added unto you. Your insecurity and panic do nothing but give the devils permission to sift you, wear you out and cause you to move prematurely right into the enemies' waiting arms. But with your focus on bringing souls to Me, I am free to provide all you need. My faithfulness is your rear guard and covering.

"It is a lack of knowledge of Me that causes others to dive in and apply themselves to providing for their own needs. When you know Me, you know I have already provided a way out, complete with food, medicine and cover that will make you invisible to the enemy.

"This is for the benefit of those left behind, Clare. For the most part now, I am going to be preparing them through our times together."

...my mind drifted onto the seismic charts for Yellowstone I saw today. Unbelievable. There were just these solid bars of color rather than the usual squiggly lines that reflect an earthquake - really amazing. And I was thinking, 'Nibiru is bringing these Earth changes on and they knew all the time this was going to happen.'

And the Lord answered my thought, *"Yes, they knew all along. But rather than provide for the masses, they are counting on the catastrophic conditions to wipe out portions of humanity that do not fit into their genetic code."*

He continued, *"But let's get back to what is important here, My Love. The focus must be on charity and virtue, trust and faith in My ability to provide. Without these pivotal attitudes, they will not succeed. My protection can make you invisible. My protection can turn wild beasts away. My protection can save you from the ground giving way beneath you. My protection can provide water and food when there is none. I can do all things, and I will, for those whose agenda is to gather in souls to the Kingdom. Those who give and lead unselfishly, those who are honest and caring for others, these are the ones I will supernaturally protect and provide for.*

"Many I will add to your numbers that need salvation. Their eternity is hanging in the balance and if you make their eternity your priority, I will cover you. Souls are going to be racked with confusion and fear, not knowing up from down, so severe will the trials be on the Earth. They will be so thoroughly disoriented that nothing can calm them down but a supernatural grace. A healing grace, laying hands on them and praying for My Peace to descend upon them.

"And for you who are called to heal, I live inside of you. Place your hand on the injured or suffering and imagine My hand moving from your heart, out through your hand and onto the soul. I will do the rest. All you have to believe is that I AM and I LIVE IN YOU. This is all that is required for a complete healing of even the most dramatic sicknesses.

"Do be baptized in the Holy Spirit. Do pray in tongues. Do sing over people in tongues - you are speaking MY language and I am praying through you, the perfect prayer. Do not allow anyone to discourage you from speaking in tongues - the devils will use self-conscious, insecure and poorly informed souls to try and stop you from using this powerful gift. Don't let them. Now more than ever you need to pray in tongues. I will for some of you give the interpretation while you are praying which will inform you of what your true opposition is, be it man, beast - or even your own self.

"There will be a great need for supernatural wisdom, so many different opponents will be coming against you. I will warn you of them if you make prayer your absolute priority. More than life itself, you need quality prayer time with Me. No one in your group can go without prayer. The ones who will not pray will be the weak links in your chain. They will betray you and make poor choices under pressure. Better that everyone stay in prayer and allow those who will not pray to go elsewhere - that is, once you have done everything in your power to bring them to Me and still they will not acknowledge or choose to live by My standards. Let them go, they will only bring trouble upon the other members of your group.

"Towards the end, when things get the most chaotic, you will need to cleave to Me with all your heart and lean not on your own understanding or devices. I will inspire you with the proper steps to take, even in your dreams I will come to you and instruct you. Understand that the closer you draw to the end of events, the more chaotic it will become and the shorter the time before your deliverance. Pray for strength, courage, wisdom, compassion and peace. It is by your faith that you will be saved, the flesh avails nothing. Everything depends upon faith and trust in Me alone.

"You will witness people breaking down completely and unable to cope any longer. They will retire inside of themselves where they feel safe. All you can do for these is pray and be compassionate. My grace will carry them. They will be among you as the sick and disabled. Do all in your power to tend to them, do not grow impatient with them or cast them away - they may be your saving grace. Because you took care of them, I will take care of you.

"However, if you must leave someone behind, give them a portion of food and water, pray for them that I will take over their care and commend them into My Merciful hands. Do not walk about in guilt - you did all you could and now it's My turn. You will be tried to your uttermost limits and when you reach those limits turn to Me and say, 'Lord, take over for me, I am at my end.' And I will give you the strength to carry on. Remember that My power is made perfect in your weakness. This is My chance to show you just how much you mean to Me and who I truly am in you.

"I bless you now with the peace that passes all understanding, courage and endurance. Run the race to the finish line. Soon I will return and make all things new."

Prepare For Your Wedding Day

May 10, 2015

The Lord bless you, Family.

The Lord has given us a beautiful message tonight, and I pray that our hearts will be open and ready to receive His heart's desire.

This morning Ezekiel had a vision that ties in very much with the Lord's message tonight. And then Ezekiel also had a message from the Lord, so I'm going to share all of it with you.

Ezekiel's Vision: This morning, eating breakfast I saw the Lord in the spirit getting dressed for a formal event... He was wearing black tuxedo pants and a white shirt with pearl buttons. The tie for His tuxedo was around his neck but not yet tied. He was wearing black socks and black dress shoes off to the side. One foot on a chair in front of a dresser with a mirror, trying to get His left cufflink snapped. There were other attendants around Him helping Him. One was brushing out His tuxedo coat that hung from a dressing pole. He turned and looked at me with a sparkle in His eye and tilted His head with a knowing smile.

I said, "What are you doing?"

He said, "*I'm getting dressed.*"

For what?

"For a wedding."

Whose?

"Ours."

I thought at first He was talking about the Bride, the Church, to take her to the Wedding Feast, and I felt a little sad. I could tell He read my thought and I said, "So... it's just going to be a big gathering of the Church, all of your Brides?"

"Oh no, don't worry! We will have our private wedding also, as will I with each of My Brides. There will be plenty of personal one-on-one time, and beautiful, lingering honeymoons for each of you, with Me."

"Don't try to understand it all, just receive and enjoy this time we have together. I want you to focus all your thoughts and energy this week on our wedding. This is our Wedding Week and I want nothing to hinder or blemish it in any way whatsoever. When negative or curious thoughts enter your mind, and in times of temptation," He made a waving gesture with His arm as if He was brushing away those banal things, *"...use My Name and I will sweep it all away."*

"This is a week of perfection and preparation. You're going to be married soon! Enjoy the last minute details of preparing yourself. You're free to hope and dream all the things you've ever wanted in Me. Protect this time. I want this to be a week of celebration, our wedding week."

My impression was that He wanted us to give ourselves permission to think and dream and imagine, anything and everything that could ever be possible with Him or in Heaven -more than we could ever comprehend.

Then Jesus began speaking with me:

"I am indeed dressing for this occasion. This is what I wanted to tell you last night, but I knew you wouldn't believe Me. So, I kept it to Myself - that's why the tears. But we are over that now and I see you are believing Me more than ever before, and I am pleased with you, Clare."

Just as an aside on that, last night I was having serious temptations in doubting the timing of the Rapture and many other things. I really hurt the Lord. I repented and apologized to Him, and had Ezekiel pray for me, to get me back on track. And it was beautiful. The Lord received me back and gave me the Grace that I needed to strengthen my faith.

"It won't be long now, My Love. Don't try to translate that into earthly time, just take it at face value. OK?"

OK. I am feeling excited.

"I should hope so, this is the biggest day of your life."

Should I be preparing a dress?

"I have already sewn a most beautiful dress for you, but you could adorn yourself with kind deeds done out of love for Me. These are wedding presents, from you to Me." He smiled. Now I see Him with one foot up on a chair tying the shoelace on His right foot. His left shoe is already on.

Oh, thank You, Jesus, for forgiving me.

"For what? I don't see anything to forgive or forgiven. All I see is My Faith-filled Bride."

Oh how sweet!

"Well, it's true."

I'm going to stay in that place with Your help.

"I'm ALWAYS helping you. Didn't you know that by now?"

Yes.

Several times while writing these words down I was tempted to question and have doubts, but I shut them out of my mind the very minute they presented themselves. I said, "No. I'm not going there. Leave." and they went away! I just closed my mind to them, and said, "Uh uh, not thinking that..." And it worked!

Jesus continued: *"I wish for My Bride to spend this week adorning herself for this day that she has looked forward to for so long. Little things mean a lot. Wedding presents - being aware of what you can do as a parting gesture for those around you who do not believe. They will remember this week, they will remember how kind you were to them and they will thank Me for that."*

Lord why do you keep giving me the Church in Sardis?

He gave it to me three days in a row, He's given it to me and it concerned me, 'cause I've always gotten the Church in Philadelphia.

And this is what it says: Rev 3:1-3 "I know your deeds; you have a reputation of being alive, but you are dead. Wake up! Strengthen what remains and is about to die, for I have found your deeds unfinished in the sight of my God. Remember, therefore, what you have received and heard; hold it fast, and repent. But if you do not wake up, I will come like a thief and you will not know at what time I will come to you."

So I had asked the Lord, "Why do You keep giving me the Church in Sardis?"

And He answered me, *"Because there are many among you who are not taking My Words with seriousness and gravity and living them to the fullest. I need you to repent for being lax and pay strict attention to what's going on in your hearts. Boot the world out, out, out! Focus on Me and our eternity together. Do not bring the world into this sacred place. Put all your doings with the world aside and give Me all your available time. Make room for Me by putting aside shopping, entertainments, idle conversations, and curiosities. Much is going on in the world this week that is toxic to your souls. It will bring fear into your heart and mind. Oh, how I want you to approach the altar with pure love and expectation of all that I have for you. I want this week to be a week of spiritual concentration on our nuptial vows.*

"But if you feed on what Satan is brewing, you will miss it. Your mind will be cluttered and unfit to receive the graces I have in store for you. I will protect you, but you must do your part and shun those things that have nothing to do with eternity.

"My love, it is not My intention to chastise. Rather it is My intention to correct the course so you will arrive at the destination. Many are still far too preoccupied with what is going on in the

world and their plans for this week. You are being tempted daily to veer off course. I must say you have done well to ignore those things that keep trying to snag your attention. Hold to My directions and put away everything that can be ignored and put aside. You will never regret it.

"And for the rest I say: tighten down the hatches, and keep the world out - the seas are rough and foreboding. I do not want you lingering there. Stay close to Me, isolate yourself with Me and keep the world out of your life as much as you possibly can. I am calling for a week of devotion and drawing close to Me. Dream your dreams about what you want to do in Heaven. Dare to ask for the impossible and all the gifts you have ever wanted from Me. Expect Me to hear you and fulfill your every desire.

"Please, My Bride, give Me your all this week! Stay out of the news, stay out of the stores, stay off the internet, go into your prayer closets, pray and seek Me above all else. This is My desire for you - would you give this to Me as a wedding present? I am offering you the grace to accomplish all that I ask of you. If you love Me, you will obey Me."

Now, while I was in the other room, writing this all down, Ezekiel was in another room receiving a message from the Lord. We had no idea what He was saying to Ezekiel, or what He was saying to me until we came together and he gave me the message. And it dovetails perfectly with my message.

He began: *"It is imperative that you absolutely and firmly discipline yourselves this week. Please, My faithful Brides, stay away from browsing the internet. Put your curiosities to death. I need you to be preparing yourselves for the most important moment in your eternity. Press into Me exclusively. My whole heart and mind, spirit and soul are preparing for our Wedding Day.*

"Please, Beloved, no more of the world. Stay out of the stores. This is not the time to purchase gifts for yourself or your loved ones. I need you to be clean for our wedding. Avoid television, radio, magazines and the newspapers. You have had a lifetime full of that. I have gone to great pains to purify you from those influences.

"Yes, My Precious Ones, do tend to your proper duties - children, work, etc. But only fulfill those obligations that are crucial for the good of another. For example: giving someone a ride to the doctor or errands of mercy for the sick, the poor, and the elderly. You know what is absolutely necessary and what is not. I will help you, and caution you as well as nudging you to act when needed.

"In human terms, one preparing for their wedding would be consumed with every detail of the wedding. Please do not be as the church of Sardis - that I would have to come to you as a thief in the night. Strengthen now what is left.

"Abide in Me, and Me alone. Let all of your thoughts and intentions be of Me and for Me. Offer each day and everything that it brings to Me. I will sanctify it all, everything, even your struggles and failures. Give it all to Me and I will make you Holy, a Bride fit for Her King."

Song: **Our Wedding Day** by Clare du Bois

O how beautiful you are, My Bride, My Dove
My heart is captivated by your love.

Angels dance beneath your veil,
Weaving pearls within your hair.
Never have you been so fair, My Dove.
Never have I been so in love.

O how lovely are your sandaled feet, My Bride,
How I've longed to have you with Me, by My side.
Come to Me and give your hand,
I shall wed with this golden band.
Golden like the teardrops on your cheek,
You've won Me with your heart so meek.

O how beautiful you are, my Lord, my King.
How I've longed to give my hand, I'll wear Your ring.
Heaven dances in Your eyes,
To be with You is Paradise.
Never have You been more fair, My Dove.
Never have I been so in love.

O how precious is the tender love we share,
And the union of our hearts, a gift so rare.
Bathed in graces from above,
Heaven celebrates our sweet love.
Never shall we drift apart, My Dove.
Forever You shall rest upon My heart.

Bathed in graces from above,
Heaven celebrates our sweet love.
Never shall we drift apart, My Dove.
Forever you shall rest upon My heart.

Come To Me Through Worship; Through Your Expectations, I Am Removing Stains

May 11, 2015

The Lord bless you with wisdom and understanding and the ability to remember everything that the Lord has shared with us to help us on our way.

And the Lord began the message tonight with a little dialogue with me. I was feeling very much the separation of being on Earth, as it's beginning to really, really hurt not to be with Him. And He began the message:

"I have so much love and compassion for you, My Bride."

Oh Jesus I long to be with you. This world is such an imperfect place and me being in it doesn't make it any more perfect.

"I know how you feel, and you are exercising great patience."

I long for You, Lord.

"I long for you as well. You have no idea, neither can you comprehend the torture I go through every day having My Bride apart from Me. We are both suffering from this separation, but at least we have these times of refreshing between us."

That truly helps.

"It comforts Me, too. Just to know that you care enough to want to be with Me substantially."

Oh, Lord, I want more of You and less of the other things, but I don't want to be unresponsive to those who are seeking You.

"Don't you know that we are together when you are writing to them? Don't you know I fill your head with My thoughts, so you can counsel them for Me?"

Tears and a gush of emotion, "Oh, Lord, I don't want to be here, I want to be with You."

"Soon My Beloved."

Why am I feeling this way?

"Because we are getting closer to the time. I'm allowing you to see a little into your heart and how you are longing for Me. And if I revealed the whole truth to you, you would die on the spot."

That wouldn't be such a bad thing... would it?

"Not for you or I, but for others it would."

Oh Jesus, I'm feeling heartsick again.

And I want to take an aside here before I go into the next part in our conversation to explain something to you.

In response to the comments from my last video, last night, about making more time for the Lord and preparing for the Wedding. I have shared with many that the Lord is bringing us into perfection in levels. As we realize the Rapture is almost upon us, we are all getting more serious about overcoming our flesh. There have been three serious warnings in the past 12 months...and the feeling of expectation that the Rapture was upon us. But we are still here. Is the Lord misleading us? No, never, God doesn't lie. However He is leading us into a clearer understanding of what in us still needs to be overcome.

Every time we brace ourselves for the Rapture, go into our prayer closet to get closer to the Lord, to purify our hearts, to separate ourselves from the world and tackle our flesh along with Holy Spirit's help... Every single time, our wedding dress looses more stains and becomes purer

and more brilliant. These are almost like drills in preparation for the final day, which the Lord says will come. One of these days it will not be a drill, but the real thing.

So, this is what He said - going back to our conversation:

"You are right in what you have been telling people. That is exactly what I am doing, because every level brings another set of stains out of their wedding dress, for those who are truly willing. Others just tag along for the journey but do not really apply themselves to the messages. This is what separates the Brides from the Believers. I love them both, but the Brides pursue Me with their hearts and I reward them with My presence."

So, I was thinking, 'So...?'

"When am I coming? Any minute, one of these times it won't be a drill, it will be the real thing. I want to see exactly how obedient each of my Lovers is, and in the process they are getting many, many stains out of their garments. Maybe not altogether, but because they are coming to the surface I am able to forgive them and lift them away. In this process, I am not asking for perfection, only for a firm purpose of amendment and effort. Because My Bride wants to be perfect, wants to be washed and clean, wants to be delivered of her faults and sins, I am imputing it to her as righteousness. And although she may not be totally perfect when I come for her, her commitment stands in her stead and her garment becomes a spotless garment. Do you understand? I am doing this for her. I am doing the doing as she corresponds to Me in obedience. I lift the stains. It is part of the mystery of sanctification. Oh Clare, I love her so, I want for her to be with Me."

"And there are different levels. That is, some have been given 20 talents, some only 1. So, I judge on what was done with what was given. That is why some seemingly unlikely candidates, because they have worked so hard with their one talent, they are seen as equally successful as others who were given many more talents and used them properly. Oh, how I love My Bride and long to have her with Me."

"Your song was very touching, very touching, and many hearts came to Me through that song. Thank you Beloved. Thank you for a beautiful song that brings glory and honor to Me and brings My Bride just that much closer to perfection."

"As she immerses herself in worship, the fire of her love purifies her heart and up and out comes the dross. The more she remains in worship, the more dross that comes to the surface, the more she recognizes her insufficiency and yields herself to Me. That is why I prefer that souls come to Me through worship, "I will enter Your gates with thanksgiving in my heart, I will enter Your courts with praise." It is clarifying worship, the essence of her soul reaches out to Me and we become one in a Divine moment of union. The entire purpose of life is to know Me, to serve Me and to love me, and in no other place is that mandate realized as in worship. Here she has given herself to Me and I reach out and embrace her with My Love. It is the premier way to intimacy with Me."

"So, I want you to continue to teach her that this is the way to come to My Heart. So many have no appreciation for what I do for them. And I'm not talking about those who don't know Me, I'm talking about my Believers, Disciples and Brides. Thanksgiving is sadly lacking in all and that is

why I withhold major blessings, because the minor ones have not been acknowledged and appreciated.

"This is another secret road to My Heart.

"I delight to hear My Bride rejoicing in the gifts I've given her. Complaining is the very opposite. If I have allowed sickness that has not yielded to anointed prayer, then I am asking of My closest friend that she carry a bit of My Cross for those who are yet unsaved. It is indeed valuable as a fast offering. That is why I rarely ask you to fast anymore, you carry much pain on a daily basis. When you were younger you fasted much of the week, but now you are carrying your cross and a bit of Mine in a different way.

"It saddens Me that so few understand this dynamic. Oh, how much comfort they would receive, if only they knew how valuable their sufferings are to Me. Many will be shocked when they arrive in Heaven at the great reception they will get from those who benefited from their sufferings in this life."

And, as an aside here, guys, I'm going to be posting a playlist, several playlists in the description box. So, please be sure to check that out. It explains much of what he's saying. We're not carrying of Salvation, what we're carrying is the cross of Sanctification and opening the hearts of people to turn to the Lord when salvation is offered to them. It's a fast offering, the same things you would fast from food when you carry a cross without complaining. Or TRYING not to complain...! I am NOT free of complaining. (chuckle) Anyway, it has great merit.

Also, I would like to mention that our book *Chronicles of the Bride* has a chapter devoted to the souls that were saved unknown to me because others rejected the graces God intended for them. The chapter is called 'Graces Dispensed on Your Behalf', March 9, 2007, page 65. I will leave this in the description box along with the video link to the book on our website. And our new blog site, as well, which has progress reports of people who have been having real gains in prayer.

Okay. And then the Lord continued:

"My last word to you tonight is to stand strong, hold the ground you have gained by looking into My Mirror and confronting your faults and your flesh. Hang onto that ground. It is valuable! Don't slide back, 'drinking and carousing' because your groom is delayed, rather protect what remains and continue to advance in the fight against your flesh. I shall give you the victory.

"I bless you now with the perseverance to stand expectantly waiting for My call at any moment, and do not grow weary in well doing. When you get to Heaven you will wish you had done so much more to help others. And please, My Brides, as you take time with Me this week, recognize more and more how the world has gotten into your thinking and your lives."

And that's the end of His message.

And I do have another video that I think could help open your eyes as to how we've been conditioned by the world, even in the Church. It's the introduction to "Wounding Waters: The Worldly Church". And I will leave that link. It's one of my very earliest videos. But it's probably

the basis for this entire channel, the whole series on the Worldly Church. The Lord dictated this to me in a five-part series. He asked me to do it a certain way and this is just the introduction to that five-part series.

So, the Lord bless you. Thank you so much for your prayers and tuning into our channel. Having you here and listening to your comments is one of the greatest blessings of our lives. We really, really appreciate you.

Will You Stand When The World Crumbles?

May 11, 2015

Well, dear Family, I just came out of prayer and I have a personal word to the Lord's Youtube Family on our channel. And just something that came to mind as I was praying.

We've gotten feedback from some of you that have expressed bewilderment at what the Lord is asking of you:

to make reality Him, to stay out of shopping malls, surfing the net, watching movies and other forms of entertainment.

And to really, for this week, make your reality Him and what's coming soon - the marriage of the Bride. And the Rapture. And it's been difficult, because these things have been very much part of the daily fabric of your lives. Things that you do every day, you take them for granted and it kind of gives you a framework to your life.

As I was praying for you, something became very clear to me. We in America and elsewhere are about to see the fulfillment of Daniel 2: Daniel's statue with legs of iron and feet of iron mixed with clay. It's going to arise in the Earth and it's going to devour the whole Earth.

It is going to catch many unaware just as Hitler's Germany did.

Those who will be caught unaware are those who consistently place their time and value on the things of this world: money, stores, shopping, curiosities, events, communications. But those who consistently place their time and value on their relationship with God, are well informed in advance. And they are the ones who will stand firm as all we have known as free men crumbles into dust around us and at the feet of this emerging power.

In one day the world will change. Maybe, perhaps just in one hour. I'm sure, in one hour the world is going to change. Those who have invested their lives, the fabric of their lives is in the world: the internet - the news, twitter, Facebook, Youtube, telephone calls, shopping, everything. All of that's going to come to a halt. And when it does, we are going to be feeling barren and empty, 'cause everything we have known as the fabric of our life has suddenly changed gears.

Some of these things will be taken from us. We may even lose money that we have in the banks, or whatever. The point is, that we're going to be standing there in utter chaos and ourselves in

utter confusion, because we haven't established a strong relationship with the Lord. And we cannot stand without the help of the world. So, when the world is taken away, we are not able to stand. But those who have established the Lord as the fabric of their lives and their relationship with Him - they're going to be able to stand. The Lord is going to keep them standing.

If you have lived by the dollar you will fall by the dollar. If you have lived by vain entertainments, worldly ways and communications and curiosities, you will be stripped of that reality...and then when you are offered those comforts back you will do anything to establish a sense of security by having them returned to you.

But at what a cost? What does it profit a man if He gains the whole world but loses his very own soul? So many will lose their souls in that hour - they will do anything to have their comforts returned to them, setting their Bibles right next to their checkbooks.

And what I'm saying is, this may not be for the people who are Raptured, this may be for the people who are left behind. But the point is, there's going to be a very dramatic interruption in the fabric of living before the Rapture. And the Lord wants you to stand firm during that time. He doesn't want you to crumble like the rest of the world. He doesn't want you to collapse in the chaos. He wants you to have such a strong grounding and reality in Him, with your house built upon the Rock that you're not washed away and swept away by the tide of events that surround you.

So, He's trying to prepare you for this. That became really clear to me in prayer. He's really trying to get you on your feet with Him so that when the whole world is torn away in the riptide, you're still standing. You haven't been washed out to sea with the rest of it. He is our strength when the rest of the world is reeling in utter chaos, not knowing up from down. And we will have peace that passes all understanding that He promises to those who put their complete trust in Him.

He will be at the helm of our ship, directing and guiding us. No matter how violently the seas toss, with Christ at our helm we will be just like Him, sleeping peacefully in the back of the ship.

So, I guess, what I am asking you is to not begrudge the Lord this shift of focus in your life. He is asking this for a very real and necessary purpose. Not only for our wedding day, but to keep you standing when the rest of the world has collapsed in chaos.

Be of good cheer. Press in with the Lord. Place all value and emphasis in your life on Him - you won't be disappointed. And when the world falls apart, you will be standing secure in the promises He's made to you. He's TOLD you what's going to happen next, and we're waiting for it. We're expecting it.

But when that hour comes, we have really no way of knowing exactly how strong or how weak we're going to be. But one thing we know for sure: and that is if our house is built upon the Rock and our reality IS the Lord and His Word to us, and our relationship with Him - then when everything else crumbles, we're going to stand. We're going to be able to stand, because that's where our reality is.

So, the Lord bless you and give you courage. And pray for us as we pray for you as well. God bless you.

The Honeymoon

May 12, 2015

Oh, Family - this is so awesome! I can hardly contain myself! This is going to be a wonderful, wonderful message, you're really going to enjoy this!

Where do I start? It's pretty long, but you're going to love every minute of it, it's very, very special.

Tonight the Lord took me to Heaven, and our tour was very much like the narratives from *Chronicles of the Bride*.

It all began very innocently, as I saw the Lord dancing with me in a rather busy area. I was wondering, 'What is all this activity about?'

Well, I noticed His collar was unbuttoned and His tuxedo tie was loose around His neck. After a few more moments I saw that His sleeves were rolled up and wondered why in the world would His sleeves be rolled up? I think He really delights in surprising me and making me guess about what He's up to. In fact, I know He loves to do that! Well, then I saw He was wearing a kitchen apron. You know, He doesn't give me the whole vision right away - it's like, we're dancing and really enjoying each other and I'll notice something. And then He'll let me notice something else, and something else until I get the full picture.

So, He was wearing a kitchen apron, you know - the kind that go around your neck and then around your waist and you tie it. Just like a chef would wear.

Just then an angel without wings passed by with something that looked like a roasted chicken, hot and steaming on a platter. I get it! He's helping to prepare the wedding supper!

Mind you, there's no killing in Heaven, so it was..."mock" chicken, or whatever it was.

Well, we danced a bit more and I just adored and worshipped Him to the music. I was listening to "Praise Him" by Terry MacAlmon, with that wonderful female vocalist. I just played it over and over again. At times He sang over me and spoke encouraging words. After a brief while, we hadn't been there very long, a helicopter landed nearby and the Lord took me by the arm and helped me climb aboard. Before I knew it, we were airborne and headed to a large blimp-shaped ship that was hovering in the sky. The helicopter flew into a landing area in the back of the blimp and we climbed out.

Then I saw the blimp from a distance, and it began to move slowly and then totally disappear into space. In the next scene the Lord and I were on a beach beside the ocean. I was wearing pedal pushers (capris) and a blouse, the Lord was also wearing pedal pushers and a white shirt

that hung loose and was very casual and comfortable. That's when it dawned on me - that we were on our honeymoon! We were on our Honeymoon!!! WOW!

All around us were very high, dark, lava rock cliffs surrounding this cove we were walking in. The waves were coming in rather forcefully, but as soon as we got near the water, they melted down into placid lapping waves as if to greet us and make our walk more quiet and calm. But not before the waves tossed up a brilliant pink conch shell right at my feet.

The Lord looked at me smiling, "*Pick it up.*" As I did, pearls began to roll out from inside, then emeralds and rubies all of a deep color and skillfully faceted, revealing their clarity and deep colors came spilling out of the conch shell. I gathered them up in my hand, and delighted I tossed them up in the air. Then I thought to myself, 'I should save these and share them with others.' and as I thought that, they all picked themselves up off the sand and gathered again into the conch.

He embraced me and danced with me right there on the beach and I saw it from a distance. Rather than being up close I saw it from a distance, and I thought, 'This is the most romantic honeymoon I've ever even HEARD about - this is so amazing! It's picture perfect!'

Soon, we were sitting beside a stream of crystal clear water that fed into the ocean. Lush ferns lined the rocks as it descended and wound its way down into the water. I don't remember what we were eating, but Jesus said to me, "Uh, Oh...here comes trouble." Just then my huge African male lion, Judah, came lumbering up the beach, just in time for lunch. We giggled as we fed him a few morsels. I looked behind me and a large serving platter of meat-looking food appeared, catching Judah's fancy. He forgot about our picnic and had his own.

Soon Gracie, our beautiful, Siamese-colored momma cat came meowing up to us for her share, then our other cats. And Judah - our little Judah, an Abyssinian grey cat that has markings identical to a mountain lion, HE came up to big Judah. In his characteristic greeting, sniffed and sniffed and sniffed. I mean, Judah's a little sniffer, he comes up to you and he'll sniff nine different places before he'll settle down and accept you. And far from being antagonistic, big Judah, greeted him with a gentle nudge.

After we finished our lunch, I got up to put my feet in the water, and along came some natives running towards us down the beach. Oh, they gathered around us so joyfully, as if we were long lost friends. They were fingering my hair and shirt with great curiosity and affection. They made it obvious they wanted to take me in a dugout canoe for a ride, while Jesus sat on the beach. Soon, we were moving swiftly along in the calm water and just really enjoying one another's company.

Well... that was short. Jesus soon came walking on the water to rescue His Bride, whom He was very jealous over. He took me away to another place a further inland where the waters were crystal clear and calm. I stood on the ground and looked down into these pools of water that were teeming with exotic colorful fish with a background of white sand. Oh, they were amazing in colors, so brilliant! Every color of the rainbow!

The Lord and I were soon swimming with them and He was showing me around this underwater Wonderland. I remember a place just like this in the Yucatan in Mexico...it was a tourist

destination and the fish were something to behold. I'd never seen anything like it. It was like an underwater aquarium with the most colorful fish He ever created all gathered together in looking-glass water.

The scene changed again, and this time we were dancing on the deck of a cruise ship. The angels had put a blanket over the sky so it seemed like nighttime. A waiter came by and offered us champagne. The Lord took a glass and handed it to me, then He took His glass and said, *"I shall not drink of the fruit of the vine until the Kingdom of God comes."* and lifted His glass, crossing my arm with His, so He drank from my glass and I drank from His. Then fireworks began to shoot off up into the sky, beautiful fireworks. What a celebration of our love. He was so delighted to see me enthralled by this awesomely perfect event. Oh, I wanted to stay there forever!

After a few minutes the Lord began to speak, *"We should talk."*

"No!" I said. "I want to stay here all night!" Then I thought about it and I said, "OK. Lord, if I don't write this all down now, won't I forget?"

"Are you kidding Me... as if Holy Spirit will forget?"

Here I am Lord, all ears, no tears.

"I should hope not! That was just a teensy, tiny glimpse into our wedding reception and honeymoon."

Oh Lord, that should hold me for a long time.

"Oh no, it won't - be honest! You'll be back here before the night is out, wanting more. I know you too well."

Well, you're always right, so what's the use of arguing?

"You'll do it anyway."

Uh Uh...I'm too happy to be contentious. What would you like to talk about tonight?

He paused for a moment, and looked at me and said, *"Our honeymoon."* He smiled with a twinkle in His eye.

Oh, that was truly, ecstatically awesomeness, Lord!

"Well, My Brides, that is merely a glimpse into what it will be like once you are here in Heaven with Me."

Oh Lord, I'm still floating on cloud 9 with You! I can barely focus on writing this all down, so infused with joy am I.

And He replied, *"And that was merely a whiff of joy from your honeymoon. And I say to you, all My Brides, I have a wonderful escape to Paradise planned for you all. Oh, you have no idea. Eye has not seen and ear has not heard the wonders I have prepared for all of you in Heaven!*

"After the wedding supper, we will disappear into Paradise, and spend our days joyfully exploring the oceans, mountains, forests and streams of living water in Heaven. Each of you has a very particular place that is in your dreams, a wonderful place to be that you've always dreamt of. Understand, I know all about that place. I have been there and seen the things you love, as well as reading your minds as to what else you would love to see there. And I have, down to the last detail, prepared many places for you that we will frequent during our honeymoon.

"You will even meet people there who are longing to see you, as well as your favorite animals and My wedding presents to you. Everything on Earth you ever dreamt of doing, we shall do together in Heaven and these places shall be ours to return to, time and time again. They each are tailored exactly to your tastes.

"There are longings in each of your hearts to visit places you have seen in passing. In Heaven, those places are real, just for you. What joy will be yours as I answer all the questions you could ever have about Creation and you are able to observe its beauty microscopically just by desire. You will even be able to walk into tiny worlds and explore their patterns and composition from inside. Nothing, absolutely nothing will be impossible to you.

"Our Honeymoon will be a whole year long, as you and I experience one another together in an innocent and pure relationship. There will not be a care in the world for the entire time. It shall be nothing but a Paradise and seemingly unending vacation. All this is necessary to adjust you to Heaven and its joys. You will never exhaust all of them, but you certainly will have an entirely new reality and outlook on life. No more pain, no more fatigue, no more bills. Oh yes, you are going to love it. Everything necessary will be provided free of charge. Every discipline you have ever wanted to master will be given into your hands with barely an effort. Inner scars will be healed and you will be released into a new freedom unlike anything you've ever known.

"Beloveds, on this Earth, you have scars, wounds, broken and empty places and you are truly war torn - but in Heaven all of you will be restored. You will express creativity in everything you put your hands to. Parts of you that were suppressed on the Earth will come into full bloom and spread their fragrance throughout the courts of Heaven. Truly, the God-like nature given you at your creation will bloom and put out the most fragrant flowers and luscious fruits. Your gifts will heal others as the anointing flows freely for the first time in your life. It will flow so freely, it will reach to the furthest corners of Heaven to heal and enhance all who are touched.

"Could there possibly been anything more wonderful? I say to you, 'No.' Heaven is beyond wonderful. Heaven is all you've ever dreamt of or wanted in your short life on Earth.

"As you go through life you think to yourself, 'I wish this were this way, and I wish that were that way.' And do you know, your angel is recording all those things and bringing them to Me? Ah yes, the angels serve in that capacity. It is My delight to see them involved in bringing you joy, and they, themselves, live to bring happiness to others – that, too, is their joy. So, when you visit one of the marvelous places I've created for you, the things you thought about for decades - little fleeting thoughts of what you liked, all of that will be condensed into where you are at the time.

"For instance, if you saw a purple butterfly and marveled at its beauty but thought for a moment, 'I wish it had eyes on its wings' - that thought has been recorded. And when you see that butterfly, it will have beautiful eyes on its wings. If you love red rocks and deep canyons with waterfalls and ferns, everything will be as if you painted it but with all kinds of surprises like clusters of wild asparagus and watercress, exotic flowers and playful otters frolicking in the water. Doves nesting, and a stone's throw away a doe and her fawn feeding on vibrant green grass. And above her on a ledge, a mountain lion lazily licking his paws and rolling over on his back taking in the beauty of Heaven.

"You will see the transformations that Love permeating everything has made. The lion and the fawn will lie down next to one another and he will tenderly embrace the fawn as they nap. The otters will surface in the water with beautiful shells and drop them at your feet, begging to be petted. The bees will ascend in the shape of a heart and invite you to partake of their honey.

"The sand beneath you will gently accommodate your shape, wanting to make you comfortable. The canyon walls will have foot holds and handles making climbing effortless. And on your way up, there will be surprises like little caves lined with gem quality, indigo azurite crystals. Eagles will invite you to sit on their nests and fondle their chicks. The leaves on the trees will rustle joyfully as you pass by and the grass will tinkle like chimes, greeting you in love with sparkling prisms of light glinting off of them and dancing off the canyon walls. Oh, the wonders of Heaven NEVER cease and all shall be yours, because on Earth you lived for Me. So, now I will spend Our eternity delighting you with things you never thought of, but are extensions of what enthralled you on Earth.

"I could go on and on all night, Clare, but even now, your eyelids are heavy. In Heaven that will never happen unless you want it to."

I don't think I'll ever want to fight with that feeling again, Lord.

"Well, I wanted to share some of the wonders of Heaven with all My Brides. But I should also mention there will be quaint villages such as the ones you admire so much in Greece. Cafes and even artwork will abound on the walls of little bistros. People who love to live in apartments will find such joy in their own specially designed home, with terraces and landscaping of the most colorful flowers and fountains of living waters. They will live in canyon-like groupings so they can sit on their terraces and visit with one another. There are meandering canals planted with gardens and accented with quaint bridges; winding cobblestone streets, hidden gardens with lavender and white lilies clustered around intimate waterfalls and ornate but comfortable benches and swings. Oh, what I have planned for the city dwellers will be something out of this world."

Lord, you don't do anything halfway. You are the most extravagant lover, no one could ever love us as You do.

"My Bride hasn't the faintest idea of the wonders of Heaven. She cannot conceive in her mind the extent I have gone to in preparing the ideal place, just for her, to bring her endless joy. So, I want you all to cherish these thoughts, My Brides. I have gone to prepare a place for you. Truly prepare a place for you, that where I am you shall be as well. And I promise you - it's not just any place. It is a wonderland and work of art, created just for you.

"Take these dreams with you now, and prepare your hearts, for I am coming for you soon. Hold fast to these things, treasure them in your heart. They will renew you with joy as you revisit them, for My Heart has spared no detail to bring wonder and delight to your soul."

"I bless you now with My love and My promise, that soon we will be together for eternity."

You Do Not Receive Because You Do Not Believe

May 13, 2015

The Lord bless you and help us to have open hearts tonight as we listen to this message.

I was feeling kind of punky this afternoon, tired and discouraged. I mean, golly! After the beautiful message He gave me the night before, you'd think I'd be all excited and all enthusiastic. Part of me was, the other part, you know, was just hurting from Fibro and a little bit tired and

wondering, 'Lord, when are You coming?! Soon, I hope, soon!'

So, as I was in worship...I didn't spend as much time in worship tonight as I usually do. I stopped, and I said, "Lord, I need to talk to You. Please restore my faith and expectation that You are coming soon. Oh, Jesus this is SO hard."

And He answered me right away. He said, *"The harder the better."*

No, that's not what I want to hear!

"And how many souls do you want to snatch from the fires of Hell before I take you to Myself?"

Oh, Jesus where is Your mercy?

"Where is yours, My Love?"

I know I am being selfish.

"Indeed. Is it too much to ask that you wait a little while longer, when a man or woman's eternity hangs in the balance?"

Of course not.

"See? I knew you would agree with Me. Not much longer My Love, please hang in there with Me."

And I just want to stop and put an aside in here and that's that He's talking about giving a little more, giving time to rescue people who are right on the brink of receiving Him. And also, He is talking about the hard part is sometimes suffering. And as I've gone over my healing teachings,

sometimes the Lord asks us to carry the Cross like Simon did. To carry the Cross for others' souls, to help the word get out to them, their hearts to be changed.

He's done all the work of salvation, we're just enabling with our prayers and our sacrifices, to bring them closer to the Kingdom. So, I just wanted to make that clear with you. I'm not talking about saving anybody, I'm talking about supporting the work of salvation that's already finished.

So, I said, "Oh, Jesus - where's Your Mercy?"

"Where is yours, My Love?"

I know I am being selfish.

"Indeed. Is it too much to ask that you wait a little while longer, when a man or woman's eternity hangs in the balance?"

Of course not.

"See? I knew you would agree with Me. Not much longer My Love, please hang in there with Me."

Well, without the comfort of distractions, Lord, this is hard, hard, hard.

Several times today I wanted to follow up a link, someone would send me something really interesting and I wanted to check out the link - and I couldn't! Because I had promised this time to the Lord and not be carried away with any distractions.

So I said, "Well, without the comfort of distractions it's hard.."

And He answered, *"And with distractions?"*

Well, at least it seems bearable.

"But when the distractions are over with, it's back to that blank sky of waiting?"

I guess so. But at least it is closer to the end of waiting, time-wise. Lord, You know that getting closer to You only makes us hurt all that much more, because we want to be with You! The more real You become to us, the more we want to be with You.

"Would you rather I don't visit you with consolations?"

Ok, now I put my foot in my mouth.

"And a big foot it is, too!"

Yes, make me laugh, that helps.

"No, I am serious, you do have big feet."

LOL! OK, what does that have to do with the price of tea in China?

"I don't know, I don't drink tea. Only premium Columbian coffee, Turkish grind, Campaseno style." That's an inside joke. I make my coffee a little bit different than most people. We learned to do that in Columbia."

Did you say that... or am I imagining things?

"I said it, I did. I really did. Don't you know the lengths I'd go to, to see you smile? Hmm?"

Lord, can I take a little break...I'm really hurting.

"Go ahead. Can I come with you?"

Of course!

"Then expect Me to speak to you while you're away from your computer."

OK, that sounds delightful...And I did take a break. We have a very small hot tub and I got in it and did something about the Fibro, because it was killing me. And He did speak to me when I was in the hot tub, He told me something that He wanted me to do.

I'm back, Lord...

"I'm here with you."

What would you like to speak to us?

I waited for a few moments as it was quiet. And then He said, *"Faithfulness."*

Oh...like endurance, hang in there, be patient - all my favorite subjects in this very moment?

"No, I am serious, faithfulness is a major window into Heaven."

What do You mean?

And He put this Scripture on my heart: By faith Enoch was taken from this life, so that he did not experience death: "He could not be found, because God had taken him away." For before he was taken, he was commended as one who pleased God. And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him. Hebrews 11:4-6

"My love by the very fact that you are here right now, doing what you are doing, that is faith. You believe, therefore you receive. Some on your channel are not receiving because they do not believe with their whole heart that I will indeed speak to them. This is an issue I want to address.

"My Children, you believe that the sun will rise in the morning, that the busses and trains will run on schedule, that if you turn on the faucet the water will flow. If you flip the switch, the light will

come on, that if you call your dog, he will come. Is it such a great thing to ask that if you seek Me with your whole heart you will find Me?

"That is why I directed Clare to take great pains to lay the foundation of faith in the Scriptures to not be afraid of a relationship with Me. (Here He's referring to Fear of intimacy with God, Wounding Waters series) This is not something new, it is something ancient, as ancient as Adam and Eve when I came and walked in the Garden and spoke with them.

"Once you have laid the foundation in the Scriptures, you may safely move forward, but do so in faith that I will reward your efforts, because you earnestly sought Me. For you must ask in faith without any doubting, for the one who doubts is like the surf of the sea, driven and tossed by the wind.

For that man ought not to expect that he will receive anything from the Lord, being a double-minded man, unstable in all his ways. James 1:7-8

"And if you lack faith, ask for it." He continued. "I will surely increase your faith as you take baby steps to trust Me. And that is the bedrock issue here: trust. And proceeding from trust is faith and who do you suppose is constantly shipwrecking your trust in Me by lying against My character? Yes, the Father of Lies, he is about his business of deceiving people - especially about My character.

"It is a slap in My face, to believe that I will not come through, I will not be faithful. It is a slander against Me and I wait for My people to defend Me. But instead they turn the other way and give up, they believe the lie! This intimacy that you seek is highly threatening to Satan, for a deaf and dumb Christian is not much of a problem - they can't hear Me so they won't be taking any ground from him. But a Christian who listens to God and obeys? He is a problem, he will take ground from the enemy.

"That is why your faith is under attack as you pursue Me, and considered a high-priority threat to the kingdom of darkness, right there alongside prayer. The problem is, your prayers are useless without faith, and faith comes by hearing...and I don't mean just noise in the background. I mean hearing with your heart. It builds your faith, as you eat and digest My Word and it becomes a part of you.

"So, the enemy uses the hot buttons on you: rejection, ridicule, delusion and insanity. Those are all hateful things to be called, so you avoid those tags at any cost. But how can you believe when you receive your praise from man? Do you not see that as long as you depend on others for your validation, you will be lame and weak in hearing from Me?

"I am lacing this message with Scripture because some of you are saying, 'the messages are not Scriptural' and for that reason doubting the veracity of this vessel. To you I say, 'Stop your unbelief, for it is robbing you of the treasure of My presence.' And the enemy knows full well that once you have cultivated My Presence, you will not be fooled and misled as those who are mindlessly following all they hear in the pulpit."

Then He began to quote parts of I John 2:

"Dear children, this is the last hour; and as you have heard the antichrist is coming. This is how we know it is the last hour, you have an anointing from the Holy One, and all of you know the truth. I do not write to you because you do not know the truth, but because you do know it and because no lie comes from the truth. See that what you have heard from the beginning remains in you. I am writing these things to you about those who are trying to lead you astray. As for you, the anointing you received from him remains in you, and you do not need anyone to teach you. But as his anointing teaches you about all things and as that anointing is real, not counterfeit—just as it has taught you, remain in him...."

"Dear children, continue in Me, so that when I appear, you may be confident and unashamed before Me."

And I just want to say something quickly as an aside. The whole point of our channel is to get you and your own relationship with the Lord, so you can hear Him clearly. So you can't be deceived and led astray. I mean, these times are really, really dangerous. Really perilous. And even the Elect would be deceived were it possible. Well, part of the job of the elect right now is make sure their connection with the Lord is good and tight. And that they're hearing from Him, so they can't be deceived. And that's the heart of this channel.

So, we're getting attacked. And these attacks are attacks against our character. But one should ask themselves, 'Why are they getting attacked? What are they teaching that's such a threat to the enemy?' And a simple answer to that is, we're trying to teach you to get your own words from the Lord and to be so tight with Him that you can't be deceived.

Okay, so I'll continue to read what He anointed for us.

"So set yourselves apart from those who would shame and condemn you for seeking the higher gifts. Courage is needed along with faith, to overcome the voices of the enemy that surround you. Even those closest to you are easily persuaded against your pursuit of Me. Remember, I have told you: anyone who loves mother, father, wife or children more than he loves Me is not worthy of Me. This is no time to be cowardly in the pursuit of holiness! This is the time spoken of by the prophets when 'the strength of kings must uphold you and lead you to the truth, standing against all opposition.' You will not succeed without detaching yourself from those you love and those you respect. Your first duty and commitment is to Me and those the enemy uses against you are to be loved, but not bowed down to.

"I am calling you to set Me apart from all your other relationships and compromise no more to any man, for this will be your downfall. This is the time of great testing that is coming upon all who dwell on the Earth and to give in now is certain to lead down the road of compromise that ends with the mark of eternal damnation.

"Stand strong in what you know in your heart to be true. Expect - without allowing insinuations of doubt to creep in - expect Me to move upon your efforts and visit you, for truly I am a God who rewards those who diligently search for Me. Open your eyes, open your ears, retune your mind and your hearts, pay attention! I speak to you many times during the day but you are like men who have fallen asleep at the gates - you do not recognize the King when He comes to you.

"I am blessing you with a new anointing, to hear Me. Look for My messages to you in everything around you: the wind in the trees, the sun on your path, the bumper sticker in the traffic jam, the

numbers on your clocks, the call of the dove, the heart shape when you cut open a tomato, or spill on the counter. Oh, I speak to you in so many ways! Open your ears and your eyes now to hear and see Me. As you practice this, I will become clearer and louder in My messages to you. The signs of My Love are all around you. Go now and begin to acknowledge them."

Rest For Your Soul

May 14, 2015

May the blessings and the peace of His presence be upon us tonight as we listen to this message.

The Lord had a divinely beautiful explanation for us tonight. I'm going to go straight into that.

During worship I began to see the Lord clearly again and the sweetness of His presence stirred my little heart into a flame of love and longing for Him. This was all His doing - on my own, my heart doesn't have nearly that intense a love for Him, but the moment I get close to Him, the fire in His heart catches my heart on fire.

Tonight again, He was wearing a white shirt with the sleeves rolled up - I could even see the hair on His arms. His face is usually a little harder to see, but when I ask Him to make it clearer, He does. And the longer we are together, usually the clearer His face becomes. The problem is, the more clearly I see His face the more longing and intensity of being separated from Him overtakes me, until I can hardly stay conscious, and I begin to ache with grief. So, He spares me that by slightly masking His face.

As we were dancing very slowly, He tilted His head downwards so we were almost forehead to forehead. I've been seeing Him lately the way that Akiane painted Him. I began to notice there was a fire emanating from His chest and as I looked it became a window into His heart, which was burning with the most intense fire. Something like I used to see at the smelting factory where they made steel. His Heart was an intensely glowing fire and the more I looked, the more it expanded until the fire flashed and expanded to cover the whole universe. I realized this was symbolic of His love, which created the world and holds all things together in Creation:

I was reminded of what John said: In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. | John 1:1-4

And in that moment, all of Creation was revealed as having come from His Heart like a blast of light, but nonetheless being sustained by His love as well.

Wow. This is truly God I am dancing with... but why does He choose to have this tender relationship with me?

Because although the universe is held together by the power of His love, the only way we humans can understand this love is through the espousal relationship, husband and wife. It is

here in the relationship that we have experienced love, and so He has chosen to reveal Himself to us in the way we can really relate to.

The Word became flesh and made His dwelling among us. We have seen His Glory, the glory of the one and only Son, who came from the Father, full of grace and truth. I John 1:14

The only difference being in this relationship, the only difference between husband and wife on Earth... the communion between man and woman that joins them and makes them one flesh is procreative and involves consummation through sex. But in this relationship with God, consummation comes through receiving His Body and Blood in communion, which then becomes a part of our bodies, and the children we give birth to are spiritual offspring.

The only way He could communicate His profound love for us, other than dying on the Cross (which still is not intimately personal to us) is through the husband-wife relationship, through this desire to have us as His Bride. He communicates His very tender and ever-present love that longs to be a part of our lives in everything, little thing we do. And He longs for that spiritual partnership where we join with Him in the work of redeeming and sanctifying souls. Our part in the Redemption is to bring souls the Truth, that they may accept the finished work of the Cross. So, after I had written this, because this was really on my heart, I asked the Lord, "Lord, do you want to say something?"

And He began: "Oh... how I wish for each and every man and woman to understand the kind of relationship I long for with them. Oh, how deeply I ache to share in your lives, to be living inside of you and share every thought, every feeling, every action of your life. How I long that we should forever be consciously, by an act of your will, joined as One. That we partake of each other's lives. And living within you, I fill that place of longing that was made only for your Creator. Thus you are completed and I am given the greatest gift of all: a mere creature has chosen God as her eternal dwelling place, above all other things created, returning thanksgiving and recognizing My Divinity beyond the value of all other things.

"My children, I come to you as a Lover because that is the only way you will truly understand how intensely I desire to be interwoven in your life as your all-in-all. When I created Eve for Adam, a suitable partner, I was also demonstrating the union I desire between you and I. I could have given you the power to reproduce without specifying the need for a life-long commitment, and you would have been very much like the animals. But instead, I chose to demonstrate the desire I have to be united to you eternally, sharing in your life the joys and sorrows that life brings, and hoping that you would cleave to Me beyond all things created - and together we would bring forth offspring. Spiritual offspring.

"This is another reason I ask you not to be afraid of this relationship. It is so natural and necessary to complete your understanding of Who I am meant to be in your life.

"This is the way it will be in Heaven, depending on the degree of your union with Me here on Earth. If you have forsaken all, that I might be your all, in Heaven you shall have all of Me that you can contain. If you have held onto Earthly things and loved them more than Me, your place in Heaven will be pleasant - but the degree of glory will be limited by the choices you made on Earth.

"None can understand this without going beyond the dimension of the human intellect. It is a grace, a God given gift. As you draw nearer to Me, I release more and more understanding of Myself into your consciousness. As you cultivate your relationship with Me, you become more and more Mine and I become more and more Yours. And neither am I diminished by My presence with you, while being with another. For I am infinite and without limit. So, you can experience the fullness of Me and simultaneously another can, as well. It is a Mystery. Just receive it and know that I desire to be your everything. In return, I will give you everything that I am as well, and you will know Me, even as you are known.

"Come now into My embrace and cease your endless questioning. I am waiting for you. I have an ocean of peace to bathe you in and you will find rest for your soul."

A Nation At War

May 15, 2015

The Lord strengthen us with His Mercy and His Courage.

This is a difficult message – not a happy message. But this is what the Lord had to say tonight. I asked Him what He wanted to talk about tonight, and He said, “A Nation at War.”

So, I'll go ahead and begin the message.

He began: *"This is when a country's priorities do a complete about face from prosperity and productivity to defense. Although I hate war, sometimes it is the only alternative when a country has become set in its ways and overly secure. When a nation decides to go it alone without My providential arm."*

But, Lord, we as a nation haven't done that, have we?

"Compliance with unGodly governance is a sure sign of a dying country and one that no longer has any need for God. Your country passed that mark a long time ago. Now you are facing the inevitable consequences. Teachers did not have to comply with the unGodly statutes. There should have been a public outcry long ago, but everyone was so interested in their status quo that it went by without a fight. One statute after another slipped through quietly, one case after another dismissed and ruled against... the March to Destruction continued.

"The groundwork was so well laid and quietly executed that the masses never bothered with it. Prosperity was far more important, maintaining the lifestyle was everything as the economy was threatened. 'Let's not upset the apple cart...after all, don't we have enough to do keeping the economy on its feet?'

"Just a little indifference, then a little more, and more, until the general public is lulled into a deep sleep only to wake up to foreign troops on their soil and the end of their democracy. Yes, it will end in a dictatorship. That is what is about to take over, for those who are compliantly sitting by and watching their country eroded and swept out to sea, little by little.

"So, now is the time of the death blow. Yes, I shall be a part of this. This will bring this people to their senses to wake up and respond as if their nation truly mattered. But, where is the support for this awakening of the people? Out-numbered and out-gunned. It is a tenuous battle; surely the losses will be tremendous. Nonetheless, I shall turn the tide when it seems that the light has totally gone out in this country. Just a glimmer of hope and I shall fan it back into a flame. And many will arise to take back the ground that was lost. They will be Gideon's 300 against a plague of Godless, animalistic forces - some resembling men in form, but totally bankrupt in character. This will be a historic battle that will prove that I am with this country and it shall be reestablished, 'In God We Trust.'

"Until then, the losses will be horrific: starvation, annihilation and genocide will depopulate this country for men of another race to take over. Were I not on her side, America would be no more. Just as I punished Israel, so shall I punish this people. Exile will not be the choice, rather execution. Yet, there shall remain a remnant, and from that remnant will be a valiant people who will reestablish this country according to My principles. The wickedness of the former government shall be completely ruined. Not one brick shall remain as I will swallow up in blackness the very foundations of this evil and double-minded people.

"Satan will have accomplished his ends for this nation, but out of the ashes will arise a people fearlessly devoted to Me, and from them I shall repopulate America. What is there left to say?"

Rev 13:10 If anyone is to go into captivity, into captivity they will go. If anyone is to be killed with the sword, with the sword they will be killed. This calls for patient endurance and faithfulness on the part of God's people.

"Nonetheless, I will not abandon My faithful ones, but will deliver them from the scourge that is to be released in this nation. They will worship Me in Heaven and return with Me to reestablish righteousness among the nations. Cry out for mercy, and with mercy I will comfort the remnant and the fallen of this nation."

Well, I'm sorry, dear Family that this is such a gloomy message. But, I think it's important for us to remember that the Lord is merciful, and He will not abandon this nation – there's just a Correction that needs to go on. And it's going to be for the whole world, as well. So, let's pray for His mercy.

And the Lord just gave Ezekiel a word about this word, that the Lord had given:
He who walks with God, and his words are good and honest. He who will not take money received from wrongdoing and will not receive money given in secret for wrongdoing. He who stops his ears from hearing about killing and shuts his eyes from looking at what is sinful...He will have a place on high. His safe place will be a Rock that cannot be taken over, and he will be given food and have fresh water for sure. Isaiah 33:15-16

And, what really stands out is that moral character, that group of people, the remnant will have a place on high, and their safe place will be a Rock that cannot be taken over. They will cling to that. Those who will hear this message, this is tremendous encouragement! Those who are good and righteous in the sight of God will be given a place on high and a rock that cannot be taken over.

Rapture Drills Are Purifying My Brides

May 16, 2015

The Lord be with you and be with us, and bless us with patient endurance as we receive His Words of encouragement today.

I don't know about you, guys, but I'm always feeling let down when the Lord asks us to prepare our hearts for our wedding day, or allows me to see Him in an apron in preparation for the wedding feast. Or, when a Blood moon or a feast day comes and goes and still, no Rapture. It's really hard dealing with another delay in His coming. But our ways are not His ways. And I'm just so happy He's sympathetic with our sense of let down, because He made it clear in this message. There's a reason why we feel this keen sense of anticipation. "The rapture is gonna happen, it's gonna happen, it's gonna happen!" and then nothing happens...

And it's not that we're all delusional, so you can put that one away. He actually is inspiring us, during those times, to look forward to the Rapture in present tense, and not the far-off future. And He has a REALLY good reason for it, so I'm gonna go ahead.

And, when I first started giving Youtube messages, last year in September, He was quick to tell me that the Bride was not ready, and He was delaying world events in order to give her more time. I got a lot of flak for that, but I have to say what I'm told and not what people want to hear.

And the Blood moons and the feast days came and they went, no Rapture. And I had a peace about it, because the first thing that I was told was that she wasn't ready and He was delaying it.

So here we are, eight months later... and we're still waiting. Tonight's message really flushed out His reasoning for that.

So, here we go.

He began, "I've been waiting for you to come to Me, My Love. I know how very traumatic this is for both of you and others who are waiting so earnestly. I'm sorry to disappoint you all, time and time again, but the Bride is not ready, Clare. She's just not ready. Nonetheless, we are on the edge of her readiness. Things are moving forward in the hearts of My Doves. It is dawning on them that there's a much deeper level in their relationship with Me and this is good.

"It won't be long now, but I don't want you and others so crestfallen and disappointed. Rather, I want you to bear up under trial, stand fast and continue in well doing. Clare, if I were to rapture My Bride, right now, in this hour.... many who I wanted to take, would not be ready. So many who have labored for me, are still missing it.

"There's a level I want My Bride at. A level of detachment, a level of abandonment, a level of purity that she hasn't recognized yet. Much has to transpire to get her attention set on the goal and that is the reason for these repeated trials and drills.

"Your channel is just a minuscule sampling of the ones who seek Me and long for Me, and yet are not quite ready. Hour after hour, we are working in the lives of our beloved ones in hopes that they will pull more and more away from the World. Is it too much of a price to pay for souls to be delayed? To bear up under another day of suffering, another course of trials? Is it too much for Me to ask of My Bride to shoulder these crosses, that I might fill the wedding chamber with those I have called who are ready?"

"If you Love Me, truly Love Me, you'll desire with all your heart, what I desire. And you can feel it in the sighs and plaintive cries of those who call out for help, that they just want to get there, to that place of depth with Me and abandonment from the World, just as you once longed to be there, also. Had I come then, while you were still yet struggling to uncover and overcome your flesh... Well, had I come then - you, too, would have been left behind.

"So, can you not bear up under just a little more preparation to gather in those who are oh-so close?"

And then I said, "Lord, I don't really understand altogether, must we truly be without spot, wrinkle or blemish, as Your Word says, to the letter?"

"Clare, you have said it yourself so many times - how is it that it escapes you now? You do not have to be perfect, but the will and intention to be perfect, with at least some fruit really does need to be in place. Consistent effort, consistent amendment, and remember, I'm doing the doing in the soul. It is merely her effort and cooperation I'm calling for. Far too many are still sliding around and compromising.

"Compromise must be done away with. I need pure, devoted intention, and the fruit that produces. This is costly, but by paying the cost, I see that she's sincere and I will reward that."

Lord, can you give us some examples, please?

And the Lord Jesus answered: *"There are those who are living together and have no intention of getting married. This is sin. There are those who are heavily indebted to the world and continue to live an indebted lifestyle to impress their peers. There are those who know they are using worldly means to prosper their church. They feel it in their conscience, but continue to do it anyway, because they want a bigger and more prosperous congregation and lifestyle. There are those I have called to turn their backs on the world and come on board with My agendas, and still, they cleave to living the life of subservience to a roof over their heads, food in their bellies, as well as driving nice cars and having the latest cell phones.*

"Yet I needed them and called them, to leave all that and walk the dusty paths of evangelism among the poor. There are those in bondage to their culture - they feel the call to walk away - but they seek the comfort and approval of their peers and family, more than My approval. Some of them I have educated with a mission in mind, but due to the pressure of family, they refuse to go."

And here, I'd like to flesh that out a little bit. I'm reminded of a woman who got a degree in nursing, and her very controlling mother constantly made her feel guilty about leaving her alone. Even though she had other relatives that could care for her, and good medical benefits.

So, she never lived out her dream to return to her developing Nation and nurse the sick who could not afford doctors. I mean, this was a real life-long dream of hers and her mother just kept making her feel guilty and she finally bent under that pressure and abandoned the plan that God had called her to.

The Lord continued, *"Anyone who loves the world and all it has to offer more than they Love Me, is not worthy of Me. They are in bondage, and I can not take them until they renounce themselves and the world, once and for all.*

"You know this Clare, you've been in this place."

Boy, do I ever.

"And there are others who are in the right place, who are holding their own jobs and are raising families and have not chosen to compromise, and have repeatedly been passed over at their jobs because they weren't flexible enough in their morals to satisfy questionable business practices that their bosses imposed on them. There are housewives who are faithful to their husbands, and abhor things like soap operas and are raising their children to be Holy. I will take them.

"Yet, there are others who will feed on soap operas, live to spend money in the malls and impress their peers and allow their children to do as they please, because they don't want strife in their families. Them, I can not take in the Rapture. These are all signs that they love the World more than they Love Me, so I can not take them. Do you get the picture?"

Yes, Lord, I do.

"In addition to that, there are many whose salvation is hanging in the balance, and were the world to crumble overnight (which it will when the Bride is removed) they will go the path of least resistance or will die in the events, unrepentant. I'm juggling all these factors in the decisions We're making, and We are intervening in world affairs to hold back the worst until it is time. So, I desperately need your cooperation, fasts, prayers, amendment of life, bringing truth to those around you and praying for their conversion."

And, when He says; "amendment of life" there, I think a good example would be being just, extremely honest like on tax returns, and in all your business dealings. Not looking to get more than your share of anything, but being very, very honest in all your dealings so that you won't blush in front of Him. That's changing attitudes that are common in our culture that people pass by - so, "that's ok, it's just the Government"? No, that's NOT 'ok', because the Lord say's "liars can't enter Heaven."

We have to be really careful with that, because there's a huge temptation with that one.

The Lord continued, *"If you can not fast, because of age or illness, offer me the pain you suffer every day. The inconvenience, the humiliation, the sorrow. And as you carry your cross, remember that My grace is sufficient for you. And that My power is made perfect in your weakness. I'm using it in a powerful way. You're not idle in the Body of Christ when you're sick. There's actually grace flowing out of your life to others. Be encouraged by that.*

"When I said 'pick up your cross and follow Me', I meant carry the sufferings in your life with courage, stamina and without complaining. I use every last ounce of suffering in a Believers life. These are tremendous fast offerings. And obedience to My known will, this is also powerful.

"Obedience brings down oceans of blessings and graces. Disobedience frustrates My plan in your life and the lives of others."

And I just wanna add here about the healing thing. If you've had prayer to be healed of an ailment, and you rebuke lying symptoms, and it continues to come back and it stubbornly will not lift, the Lord may be allowing that, that sickness or whatever it is. Obviously, He's not healing it and you know that it is not your lack of faith because you've had healings in your life, and you know it's not a lack of power in the prayers, 'cause some of you've had the best pray over you, and still with no results. So, why is the Lord allowing that?

I mean, this is a really good question and I deal with people all the time who say: "Ohh I feel so guilty, I feel so bad, because I don't have the faith to be healed", or "I must still be sinning in my life or God would have healed me." And none of those things are true!

There's a reason for it and here, He's really touching on it and saying; 'He's using it.' He's using it as a fast offering. I know some of you won't agree with me on that, but I'd like you to offer me another explanation as to why some people just aren't healed when they've had the best people praying for them and you know they're leading exemplary Christian lives.

Then He continued, *"Oh, My Bride, cooperate with Me in these times. I need you all to carry the cross that has been fitted to you in this life. Soon, it will be over and you will have a worry-free eternity of joy. But for now, be valiant! We must work while the light of day is still with us. Many of you have made remarkable progress in your week of abstinence from idle internet surfing and TV.*

"Many of you have experienced Me in a way you never thought possible. Some have been frustrated by not-so-perfect results, but nonetheless, have felt closer to Me. Oh, this is so admirable. I'm so very pleased with all of you that made this week a time of preparing yourself for Me. Do you understand? I'm uncovering layers of faults in your lives every time you feel the urgency of the Rapture. Be it the Blood Moon, or a feast day or a prophetic Word, it makes no difference. I'm stirring you to be ready. I'm challenging you to climb higher.

"These are seasons of preparation for you as well as for those who are far from Me. Many of you have discovered things in your nature you did not know existed. I have pointed out things to you through arranged circumstances, that brought to light an attitude you thought you'd mastered.

"I told you I was going to do this, and I was faithful to My Word. However, some of you have not recognized the fault I uncovered as part of My promise to you. Now would be a good time to review the last two weeks and see what transpired that caused you conviction, repentance, and to change your ways.

"When I give you a Word, you tend to forget that I told you it was going to happen, because the business of life that takes your attention off of Me. I don't condemn you for that, I only ask you to be a little more vigilant. And for those of you, My sweet Brides, who have discovered a new

freedom in limiting your contact with the world, I will continue to shower graces upon you, as you continue to make room for Me. I embrace and kiss each of you on the forehead, sealing you with the fragrance of My Love and the promise, that soon we will be together eternally in your Heavenly Homeland.

"Persevere, and be at peace. You've done well each time you choose Me over the things of the world. Even the littlest things mean a great deal to Me."

The Deeper Meaning of Our Wedding Day, Jesus Speaks

May 17, 2015

Father, Abba. You are filled with Grace and Truth, the deeper meaning of life. And we thank You for the beautiful explanation that you've shared with us tonight about the nature of our very existence.

The Lord had a profoundly beautiful message to share with us all.

I asked him, "Oh, Lord, What would you like to talk about?"

"Our Wedding Day." He said.

Really? I thought it was back to the grind...waiting, persevering etc.

"Well, there must be something to wait for."

True.

"And the longer the wait the more special it must be."

Oh, I know it's going to be out of this world special.

"I should say so! This will be the day your life is transformed from something singular and special to something eternal and glorious. It will be the culmination of all the plans and dreams you never even knew you had. It will be the day you take on the mantle of Glory given to those who have left themselves and the world totally behind. It is the day I look forward to, because you shall know even as you are known.

"This will be the day you leave pain, suffering, darkness, doubt and depression totally behind you as you walk into the life I've always longed for you to have. I know every particle of your DNA, I know what makes you exceedingly happy and fulfilled. I know your very purpose and on this day it will be your all-in-all. The angels will rejoice as we walk down the aisle, our life-long goal together having been met."

Lord, it is beyond me that You should want me as Your eternal companion in such a very personal way. There must be something truly amazing that I am missing in Your attraction to me, and to us, and your desire for us to be in such a special part of Your life.

"Do you want to know what it is?"

Oh, absolutely.

"It is as if a Divine Particle of Myself was pulled from My very bosom and given the freedom to fly. And she toured the whole world from top to bottom and came running back to Me, wanting to be taken back up within Me, more than anything."

As He was talking, I saw Him take from inside His chest a perfectly round ball of translucent light. It reminded me of the dandelion flower that had fully matured into a translucent puff that we, as children, used to blow on and send scattering in the wind.

He continued, *"And in the very same way, I have endowed you with free will and I am letting you go to explore and discover the world and hopefully, come back home to Me, and live here in My heart forever. Oh, how I long to see the return of My awesome creation, so endowed with free will that she can choose anything for herself...and yet, she chooses only Me. And we are reunited in such bliss that it makes even the angels sing. The very crowning moment of your life is the day you return to Me and choose your Maker over anything He ever made. So, the fulfillment of life has come full circle and you have returned to worship and adore Me, for eternity. And I cannot restrain My eyes from seeing you, My ears from hearing you, My arms from holding you."*

"Do you know how many go astray and never return? They get stuck in some dark corner and slowly fall apart. They lose the light and the joy and the very life they were endowed with, as it slowly fades away until only darkness is left. Oh, how tragic that is! The most loved particle of life has lost its very meaning and essence. And that makes the ones that return to Me even more precious and beloved. Oh, that is such a very tragic outcome to so precious a beginning in life."

"You see, this divine essence of life imparted to you is so marvelous, so unique, so individual, that only I can perceive it in its entirety. Only I can appreciate it. Only I can fulfill it. Only I have the key to its destiny and fulfillment - and that in itself is such a sublime mystery that it sets off oceans of bliss in My Being. Yes, you My love, My little one, create oceans of bliss, eternally swirling in the dance of worship and thanksgiving - the very joy of being alive and animated by Your God, that all you can do is return this joy to Me in worship. And all I can do is marvel at the immensity of your love that brings Me to tears of joy - for part of My very self: flesh of My flesh and bone of My bone, has chosen above all else, to return to her Abba and dance the dance of life and thanksgiving, for the gift of her being."

"Oh, it is so great a mystery that none but I, Myself, can truly fathom and appreciate it. Even as your poor eyes are closing in fatigue, we are dancing the dance of joy - eternal life that was set on its wing, only to seek out and return, to swim upstream and return to the place of her birth, the only place that could ever satisfy her. And I have waited, and waited, and waited... and finally, here comes one, bounding across the fields of Heaven seeking her birthplace in My bosom."

"Oh, Clare there are no words to describe the joy I feel at the return of My very Own flesh and bone! This is part of the great mystery of the family; it is a microcosm of the meaning of life. Here I am, the Father, giving the seed of life freedom to choose eternity with Me - or damnation. Freedom to live a lie, or the truth. Oh, what wonderful and sublime things are yet to be understood by humankind! And in Heaven, that will become reality and you will gain insight. The insight needed to understand this great Mystery of Creation, and why I have planned that each male should have his completion in a female, and together they should produce offspring.

"Here I have given you only a seed of understanding, a fleeting look into the cycle of life as I planned it with its most Glorious outcome. Now I want you to meditate on these profound elements of life, with the knowledge in mind that, soon, yours will be coming to completion in My arms, for all of eternity. This is something to be cherished and pondered deeply. "I bless you now with My endless affection for each and every one. Please, continue in your abandonment of the world, for very soon you will have arrived at your final destination."

Footsteps of Obedience, Jesus Speaks on the Eternal Value of Obedience

May 17, 2015

It's 11:12 pm. One, one, one, two. The 1's remind me of God the Father and the 2's of Jesus and now it's 113 and the 3 reminds me of Holy Spirit. We always recognize those numbers and give them Praise and Glory whenever we see those numbers.

I wanted to begin tonight's message with just a little note. We've had some pretty heavy oppression on us lately and, I put the word out to pray and I want you all to know that God has answered your prayers. The oppression has lifted.

Ezekiel is doing much better. Much, much better, so thank you so much for your fervent prayers. I know that you really took us to task to the Lord and He heard your prayers. Thank you so much. So, we're back on our feet here.

Ok, well, I talked to Carol today and she told me that there's a lot of people who are not happy that the Rapture hasn't happened yet. And I wanna throw in my lot with you and say, me too! And I did get a message on that on Saturday and I think the Lord was hoping that you would read it so you would understand, but I'd like to begin by acknowledging that we are ALL tired of waiting for the Rapture and we DON'T want to carry our Crosses and we DON'T want to suffer anymore, and where are you, Lord??

So, that's our flesh talking, that's my flesh talking I admit it, that's my flesh. We are ALL feeling this way, but the Lord's message to us on Saturday was so beautiful and I don't know if all of you heard it but I hope you do. He PLEADED with us to carry our crosses just a little longer. "Please, I need you to persevere" he said. "Souls are being reached because of your obedience".

Well, I wanna tell you, today when we were so sick, we were both sick, we were both down. So, I'm gonna share with you a little bit of what happened with us today about carrying our Cross in

just a moment. But I'm asking you all, please, let's join hands and be strengthened and continue to wait for Him with patient endurance. You don't see it, but virtue is growing exponentially in your souls. Each of us who are obedient to His call are becoming much more virtuous. So, let's all stop being impatient and back Him up. He has pleaded with us - shall we turn our backs on Him?

I don't think so!

When I came into prayer tonight, we were ice-skating and I was just a little girl. I saw myself as just a little, like 5 or 6 year old, ice skating with the Lord. And it was so exuberant and so joyful! And I needed something like that around that time, so it was perfect worship, just perfect.

And then I spent some time with Him, I saw His face very clearly. I touched His face very gently with my hand and thanked Him for being my God and taking care of us all.

He answered me, He said, *"I have longed to spend this kind of time with you. You've been under some serious oppression, but you should feel differently now. I gave the victory into the hands of your intercessors and friends."*

Lord, I really feel it. Ezekiel is so much better and I feel normal again.

He replied, *"That was quite an oppression."*

Boy, I'll tell you guys, it was really dark and thick and hopeless and oh my gosh, it was just terrible. It was like pea soup and one intercessor who I think had the major victory with it, had seen a UFO very, very high above Taos beaming down oppression onto our property. Until there was a dome of protection erected. And we see domes of angels frequently, but this time the Lord allowed it to get through and what I was feeling was awful.

I haven't felt that bad probably since, the days just before, just after I was saved and there were just so many things coming after me because I was walking away from the darkness and they didn't want me to leave, so they kept attacking me. But it was really dark. And halfway through the day I was very weak and I felt like I just had to lay down. I couldn't do anything else and I realized, right about that time, 'The Lord is allowing this oppression for some reason. This is a Cross. It's a Simon Cross. He's asking us to carry this Cross because something's going on in the World that is grieving Him terribly.'

And I didn't know what it was until I came back and opened my emails and I had an email from one lady that was a cry from a deacon or priest or a bishop from Iraq that ISIS had captured the largest city in Iraq with a large population of Christians and they were beheading men, women and children as we speak.

And when I read that, my heart just sank and I went into some serious prayer for them. And I think the burden somewhat lifted after a while, and that's when our intercessors came in and took care of this, this ugly UFO situation. So, please pray for these Christians in Iraq! You know, they're not born-again Spirit filled believers. They're liturgical Church believers, and some of them, I mean they're giving their lives for Jesus. I mean, wow! That's awesome!

Little children are saying, "I will not renounce Jesus, I Love Jesus!" And their getting beheaded right in front of their parents. You know, for people who attack the liturgical Churches and say they don't Love God, and they're idolaters and everything... I think you better take another look at that. 'Cause right now, they're giving their lives for the Lord and witnessing for Him. And I wonder how many people in the shopping malls here in America would continue to profess Jesus if they saw a guillotine in the middle of the room with blood dripping from it.

Would they make up some story about they're not Christians or would they say "Yes, I Love Jesus and I'm not going to renounce Him" and get beheaded? I mean, let's ask ourselves some serious questions here and please, please, please - don't criticize people that you don't understand, the faith that you don't understand. These people really love God and they're giving their lives for Him.

So, I prayed for them and the burden lifted. So, I asked the Lord, I said: "Lord, we've prayed numerous prayers over the property." But it took one of our special intercessors to deliver us from this evil when the time is right. I asked for the gift that the intercessor had because this is something I didn't see.

He said, *"Clare, My dearly loved one, I prefer someone else be given the honor, I want to see My Brides working together in charity and selfless love to protect one another."*

"I have given her this gift."

I told the Lord, I said "I'd like to have it too!"

And He said, *"I don't want you to be independent. I want you to be vulnerable and covered by the charity and kindness of others. This is for your own good."*

I said, "Lord I understand what You're saying, but I feel so inadequate for this job."

He replied, *"That's exactly right - you are."*

LOL Oh, really funny Lord, thank you!

"No, I'm very serious... you are inadequate for this job."

OK, well it's very seriously funny.

"Yes, My Love, it is indeed."

"But you're definitely inadequate for this job and that's the way I want it."

And I understand how He is with that. He want's me to be vulnerable and He doesn't want me to get all puffed up with pride that I can defend my own turf. And He knows me better than I know myself, so I'm not gonna argue with Him about it, I'm just gonna receive it as God's wisdom.

So I asked Him, "Do you have a message for your precious Bride tonight?"

He said, *"Indeed, I do. She is beautiful beyond description. Every footstep, every intention is sanctified in holiness because she is Mine. She has given herself over to Me, 100 percent. Her obedience is not just beautiful, it's exquisite. While the rest of the world is running to and fro in their own will, her footsteps are divinized by her obedience. She cannot see the beauty of her feet in each step she takes, but even that leaves a divine fragrance behind her.*

"If I were to paint you a picture of the value of her obedience, you would see beautiful and perfect feet in golden sandals, studded with pearls and jewels and each footstep would give off a sweet melody of chimes. And when she lifted her foot, lilies would immediately spring up and give off their fragrance. Luminescence would surround them and give off light.

"And the more difficult her tasks, the more wonderful the sounds given off, the more copious the flowers and fruits. And as she travels that well-worn path every day, fruit trees would begin to spring up on either side with delightfully fragrant flowers, and eventually delectable fruit that sustains even the most weary and war torn of souls.

"This is the meaning her obedience has to Me, and these flowers of love never fade like the ones on the Earth. No, rather they continue to multiply until there is a forest full of them. They are flowers that can be picked and last forever, giving off their fragrance throughout time. And I come to her garden and prune these trees and flowers so they will give off even more fruit...and how beautiful is this garden with it's trellises and delicately hanging branches that are as pleasing to the eye as they are to the palate.

"You see, obedience is no small thing. Not only does it bring forth fruit for the moment but in eternity as well. And I come into the garden and pick this fruit and ship it off to many different places where healing is needed. You see, there are graces invested in this fruit, because it was done in love and obedience. So the grace brings forth a fruit that can be eaten and benefit others.

"Oh, the mysteries I would love to share with you all! So many mysteries and things that would amaze you endlessly! The doings of Heaven and the spiritual life are without end. You see, this obedience creates an atmosphere of Heaven, of sorts. Truly My kingdom has come, My will has been done. And oh, yes, the devils hate these spiritual gardens and are constantly figuring out ways to destroy them.

"They mainly use selfishness...self-will. Pleasures of the palate can inspire selfishness, worldly accomplishment can also inspire it. Anything that brings pleasure to self can be used to infest the garden with hideous worms and bugs that destroy everything in sight. The worms of pleasure attack the stems of the flowers. The little bugs of self- preoccupation nibble away at the flowers until they're unsightly and brown. And the mold of Pride begins to grow on the roots until they can no longer produce and sustain the flowers.

"Yes, you can see all the other pests, but the mold on the roots is invisible in the garden. Fruit and blossoms begotten in pride never last. Once pride has entered the garden, all finally disappears. That is always the first avenue attack - pride. It will destroy everything you do, so you reap no eternal fruit from your paths.

"But back to the beauty of obedience. This past week, many of My Brides were obedient. Yes, truly, they turned everything useless and worldly off, for Me. Out of obedience and faith. And what fruit some of them have reaped! Healings in families, a greater depth with Me, peace of mind and joy of heart. Relationships blossomed in an environment of selfless love. Do you not see the fruit in your own life? You may have lost contact with the world - but how much more have you gained in Me?"

"So, if you have benefited from this time, continue to allow yourself more and more freedom from the mundane media and constant drone of negativity that is hyped in through the media. This is so deliberate and intentional of the enemy. It creates an atmosphere of fear, and he reaps so much destruction from people who are continually afraid and insecure.

"My Brides, if you want to be Holy for Me, you must live Holy. You must cast away the world and embrace Holiness of life. You have no idea the fruit of these decisions, neither will you until Heaven. So, I encourage you now.

"I impart the grace of single-mindedness to My Brides, that they will prune out every weed from the world and continue to walk the path of holiness, where you will produce fruit that is unto eternity."

Ramadi ISIS, Jesus is Calling For Prayer - Carry them in Your Heart

May 18, 2015

The Lord bless you Youtube Family. I'm sorry we're a little late here. The message was very grievous really, it's about the situation in Ramadi and what's going on there with the beheadings of men, women and children.

And last night when I came in to worship, the Lord was in tears. He was just so downcast and crying and all I could do was hold Him and comfort Him. And He gave me part of the message then, but I was very, very tired. I'm trying to move my schedule around, so I thought I'd wait until today to finish it. He shared with me His grief, and He asked us to lift these people up in prayer.

So, I'm going to go ahead and give you the message. Before I do, I'm just going to tell you - Ezekiel and I, our knees are like rubber, we're so shocked by what's going on and so grieved. It's affected our whole bodies.

Well, I don't want to give you figures I'm not sure about, but I know at least 300 men, women and children have been killed. Some shot, but most beheaded. I'm gonna go ahead with the Lord's message, He's just sick at heart.

He began, "I'm so deeply grieved for the slaughter of innocent men, and women and children, little children. The heartless cruelty of these people is animalistic and not endowed in men, rather demonic in nature.

"My Heart is just aching with grief for the souls that have been lost. Not just the Christians who are here with Me, but those who did not believe and are, in this moment, burning in Hell.

"The loss of life is staggering, senseless and an act of satan. How I mourn for those I shall never see again, who did not have a chance to repent, who were raised in complete ignorance and lies."

Lord, isn't there a way to reach them even in the moment of death?

"Clare, they are so firmly entrenched in these lies, even when I give them the chance, they spit on Me. They are thoroughly ruined from birth. They are taught to hold guns from ages three and four, and applauded for hating and wanting to kill. They're encouraged day and night to be ruthless, full of hatred for the infidels. Children? No matter, they will grow up to be infidels - kill them before they can do any harm. It's a culture of death and the deepest pits of hatred, right down to the foundations of Hell."

"It is only by a miracle that they can be converted and come out from this stronghold of lies. Many, many, many times I have visited certain ones and planted seeds in their conscience - but so few respond. Their conscience has been hardened over with hatred perceived as being valiant and honorable. There is so little headway in the communities that reinforce this vicious hatred."

"Lord, I remember the vision You gave me of the mosques." He took me through a market, typical mid-eastern marketplace and down through that and up the stairs of a mosque. And I thought, 'Oh no, I'm a woman! I can't go in there!' or whatever and He said, "No, they can't see you." But He took me into the mosque and as we were standing in the large room - there was no service going on - but as we were standing in the large room, we saw cobras slithering out from behind the part...the public part from the back room. Slithering out and out into the World.

And then He lifted me up and I was in the room with all these people. It was a very long, slender room with people seated opposite each other - men seated opposite each other - and they were talking. And as they talked, these cobras were coming forth from them and crawling up the walls of these mosque and going out the windows into the streets.

And anyone who was bitten by them died. They were cobras of violent and vicious hatred for Jews and Christians.

The Lord continued, *"These are part of the forces of Hell incarnate. They are overtaken by the poisonous venom until there is nothing left of their souls and they are the walking dead motivated by rage, hatred, violence and the quest for glory. Rarely on this Earth has the likes of this been seen - and as you saw in the vision, it goes out from the mosques to the whole world. Portals to Hell, the breeding ground of satan's seething hatred for Me and those who believe in Me."*

And just on the side, there was another vision He gave me. When I was lifted up above the Earth and there were these flames coming up from different places around the World, especially in England. And what they were, they were mosque's and it was night time and these flames were just, were just pouring out of these mosque and the Lord said; "Those are portals to hell."

So, he continued, *"Portals to Hell, the breeding ground of Satan's seething hatred for Me and those who believe in Me. It breaks My Heart to see little four-year-olds wielding guns, so proud to be a part of this vast army. They have no understanding at all, no understanding of what they*

are doing. They are hopelessly indoctrinated in evil, twisted in understanding that, that which is good is evil and that which is evil is good.

"And yet there are some who will be redeemed, who will pay heed to their conscience and find a way out. Pray for those who are given a chance, that they will rise up inside and reject this.

"So, now that you have seen the source of My grief, I want you to carry these innocent victims in your hearts. Offer prayers for them continuously so that I may work miracles and turn these violent nations to Me. Any inconveniences, pains, sicknesses that I have not relieved you of through prayer, offer them to me along with your prayers. Oh, how effective that will be."

Lord, I thought it was just going to get worse and spread all over the world and this was a scourge You were allowing.

"No, My Love, none of this is My doing. This is Satan's bloodthirsty scheme to destroy the nations, and the peoples. Because when he is done using them, he will turn them against each other. And it would be to his liking that not one human being formed in My image were left alive on this Earth. He wants to completely destroy mankind off the face of the Earth. Yet, he still hasn't learned that this is not possible.

"And men are so wrapped up in their own beliefs and agendas they don't, for a minute, imagine they are being used to destroy themselves. They think they are fighting for an honorable cause. But in truth, Satan has never been honorable and they are merely puppets. When he is done with them, they'll be given over to pestilence until there are none left, not one man standing. Men are blinded by pride and ego - they are so easy to manipulate, SO easy. Especially those who tend towards a passionate nature. When they become Christians, they are wonderful Christians. But they are a people who tend to go all the way in everything they do.

"So, I am pleading with you, My Brides. Pray in this hour for those who are being ruthlessly murdered for what they believe. This is indeed a dark burden, but I wish to turn the tides and your prayers are needed. Go forward now in strength knowing that your Prayers are HIGHLY effective in combating this evil."

Abba Father's Grief, call to prayer for the Middle East

May 20, 2015

I pray for the sweet anointing of Abba Father on this message, that it might touch the hearts of His Children. This is truly a beautiful but heart-rending message. A view into God the Father's Heart and how He's feeling at this time. This is about the Father's Love.

This morning the Lord gave me such a beautiful insight into God the Father's heart, about the souls that He has just lost, that it just brought me to my knees in tears. Oh, it's so heart-rending, it's difficult to describe. I just sat and cried because it's unbelievable what He suffers.

Anyway, I believe all or most of us have suffered terribly at the hands of our children who did not understand our dedication to God. Some of us had marriages that were not brought together by God, some of us married before we were Christians and as a result were unequally yoked when the Lord brought us into His Kingdom - and the dynamics in the family changed.

And they've even discovered genetically that there are portions of the brain that are more disposed to God, and if the Lord brings you together with a really Godly man, and you're a Godly woman, then I would imagine that those parts of your anatomy are fairly well matched and suited and there's a pretty good chance your offspring are going to be just like you.

But when you're brought into a marriage or you step into a marriage or a relationship where there's not an equal yoke of Spiritual mindedness, you can anticipate all kinds of grief in the future. So, that's what I'm gonna share with you here.

As a result of those kinds of marriages, our children are divided on the faith as they observe one of the parents in disagreement with the other.

And to make matters worse, the whole world is on the side of the ones who are not really interested in God. There's just tremendous opposition that we face in raising our children when we are in a marriage where we're not equally yoked. This was the situation for me.

I did not marry according to God's will, I married according to the flesh and had 4 children. I've got one that is holy and one that's an atheist and one that's too busy for God and one that really doesn't care one way or the other. So, it's an interesting mix. I get some solace from the one that loves God but the other ones really don't understand me and they think I'm nuts... As, many people who listen to our channel also think I'm nuts - and to them I'd say, "I am a fool for Jesus. Who are you a fool for?"

I don't mind being a fool or crazy, as long as I'm right with God. So, "sticks and stones will break my bones but names will never hurt me."

Ok, as this insight was given to me this morning by the Lord Jesus into His Father's Heart - I realized the Lord has been doing such a skillful job of laying the groundwork for us, to be able to see how terribly wounded and hurting He and Abba are about the outcome of the lives of these children They give birth to and send into the world to live their own lives. Because the message previous to this one was about the situation in Ramadi, where the beheadings are going on of Christians and of Muslims, not of the same sects as these Muslims. Oh, it's such a tragic situation, just so tragic. And just checking the news, both Ezekiel and I just turned to absolute jello. In the reading about what's been going on, we could hardly walk, it was so terrifying and so sad.

I see God our Father, looking towards the horizon, tears running down His cheeks for the children He's lost to the World. Day after day He looks for some sign of their return, but they only get deeper and deeper into the World. At Christmas, He looks for some life, some kind of birthday card, but nothing - It's stone, cold. Father's Day, nothing - not even a prayer. Just dead silence as the life of the child cleaves more and more to the World's way of celebrating holidays.

I know what it feels like - and I think all of you do, as parents who have children who are in the World and not the least bit interested in God. You know what it feels like. Some of my own children are just like this. Not a sign of love or desire to have a relationship. I raised them to be Godly, and I made mistakes like all of us do - even some really bad mistakes which I've beaten myself for every time I think of them. Until finally, the Lord has come to me and told me, "It's not you that's the problem. They are in love with the World and the way the World does things and for that reason they are alienated from you." But I keep praying and hoping and waiting for their return.

I try not to connect with that profound well of grief in my heart for these four children, I try to avoid it at all costs and just let it go... but I can't totally get rid of it. It's a deep wound that will never heal until my children come back to God and are grateful that I taught them the most important thing they needed to know in life. And that was the thing that no one else would teach them how to do: to pray, to trust God, to Love Him and live a pure, Godly life.

And in that profound grief, I understand how the Father feels. He's tenderly endowed and gifted each of us for our own journey in life. We're coming from His very own substance and He dotes over us just like any other parent would. He finds profound joy gazing upon our precious little faces and watching us giggle and play joyfully while we discover the World He created for us. His hopes are so high for His children, but ultimately the time comes when He has to let go and let them fly to the destinations of their own choosing. Still, not for one moment does He take His watchful eyes off of them. Not for one moment is He distracted away from the complete awareness of them in every circumstance they get themselves into.

No, He's there when they make those deadly choices. He is there when they ignore their conscience and get into bed with someone who is bound to break their hearts. He is there when they overdose on drugs and hang between life and death.

He's there when they wait and choose the mate that He'd prepared for them. And He celebrates with them at the births of their babies, with their hard won accomplishments. He shares in even the tiniest details of their lives, bumps and bruises, the pains of old age, smiles exchanged during a walk in the woods, beautiful autumn leaves fluttering down in the wind, they take joy in. And spring flowers pressing up from the forest floor. From the littlest to the greatest events, He's with us, dreaming, dreaming His dreams for us, hoping His hopes for us, arranging details to help us choose the right thing. I imagine that if it were possible, He even holds His breath when we are about to make a decision, but of course He already knows where that decision will take us.

So, to bring this around to full circle, here we are watching the slaughter of men, women and children – some guilty, some innocent, some dying as martyrs for Christ. Some dying, having never known Christ and going to eternal perdition, where Father God Abba will never see them happy and thriving again. Oh, how terrible for Him. It's as if we had lost a child who we knew we would never see again, here or in the afterlife. The sweet, innocent memories of his childhood linger in photo albums and memories, but that one is no more. He's lost forever in eternal suffering.

This is the tragedy we're witnessing in Abba's grieving heart right now, the utter tragedy. Just like: "Rachel mourned for her children for they were no more." Yet, even Rachael had the hope of seeing them again in the life hereafter.

So, although it may go against the grain of your humanity to pray for the jihadists who've been raised with only one reality and these victims of senseless brutality, Father God Abba needs prayers for them and their family. He needs prayers so He can turn the tides and convert these thoroughly indoctrinated souls before they're lost forever.

Oh, let us have pity and pray for them. It goes against the grain to pray for our enemies and those who are so brutal and senseless murdering... and just so brutal. It goes against the grain of our flesh, but we have to pray for them, because these are souls that God has created and He grieves deeply over what they're doing and how they'll be lost for eternity.

And just in closing, I want to remind you of a couple of Scriptures:

It is written, "You shall love your neighbor and hate your enemy." But I say to you, love your enemies and pray for those who persecute you, so that you may be sons of your Father who is in heaven. Matt. 5:44

And

"If you love those who love you, what credit is that to you? Even sinners love those who love them. And if you do good to those who are good to you, what credit is that to you? Even sinners do that." Matt 5:47

"So love your enemies, do good to themThen your reward will be great, and you'll be children of the Most High, because he is kind to the ungrateful and wicked. Be merciful, just as your Father is merciful". Luke 6:32

The Lord bless you all family and let's remember to lift them all up in prayer!

Your Prayers Are Moving God's Heart

May 21, 2015

The Lord Bless you sweet Youtube Family!

I'm so happy to share with you today, a beautiful message that the Lord gave to me. But before I share it with you, I just wanted to give you a couple of head's up. If you've written in to us and asked for counseling advice or whatever, do us a big favor and include your E-mail address when you write to us. And that way we can get back to you almost immediately rather than going through snail mail and waiting for our reply to get to you and so on and so forth.

And, the next item is my good Doctor, wonderful Doctor that I have for fibromyalgia. He's changing my medication. And so this week I'm going to be going through some "hiccups"

because I have to totally get off of one before I can get on the other. So, it's going to be a little bit of an ordeal for 7 days but I'm going to try to keep up with correspondence and Ezekiel will, too. And also try and keep up with the messages.

So, knowing that, thank you for your prayers ahead of time. The Lord had a beautiful, beautiful message and it began,

“Go and tell My People that their sins are forgiven for they have shown much love and compassion for their brothers. (It is written that charity covers a multitude of sins.)

“My Children, I have been observing you and your reactions to Clare's last message and I want to tell you The Kingdom of God has come upon you. You have risen up with My Heart to cover the sins of the lost and bring them here to My bosom and you have shown the world the very meaning of love - the love I died for. You have passed the test and crossed over into My Kingdom. You have comforted My heart, which has been wrent in two, and filled Me with your profound, heartfelt compassion. You have taken away the sting of indifference I have suffered with for so long from the worldly Christians. You have shown Me that My Heart is truly alive in YOU and your ways are the ways of My Father in Heaven. Oh, what joy amidst the sorrow you have brought Me. And I surely will act on behalf of your prayers. “If only you could see how your prayers have risen as incense and filled the Throne Room so thick with smoke that hardly can one see their hand in front of their face. Your compassion has penetrated even to the very bowels of My Father in Heaven and He, too, is going to act on your behalf.

“Oh, My Children, don't ever give up on one of your own... one human being. Don't ever say it is without hope, for as long as there is life's breath in the nostrils of a man, there is hope. Even when the breath has gone out of Him, still there is hope, for he may be sent back to evangelize his brothers, even at the cost of his own death. All the indoctrinating Satan has done to these little ones, I can wipe away in a millisecond and they can be born again into newness of life in God. Many in this moment have seen the murdering and are questioning the path they have been trained to walk - many. Truly the blood of the martyrs is the seed of the Church and there will be conversions. Many innocent children have moved on the deepest, most hidden parts of their conscience that they dare not reveal to their ISIS brothers, what they're feeling. But still, in the quiet hours of the night, they ponder - and question, 'Am I really doing the right thing? Is this really right? Why does it feel so wrong?'

“They are the ones I will visit with grace and deliver from the hand of the enemy. My heart is for their conversion. Please, unite your intentions with Mine, and do not fall prey to the very same hatred they have cultivated in their lives - rather go against the grain of retaliation and lift them up to Me for conversion.

“If My love cannot stop the evil, there is no hope. I have called all of you to be My Ambassadors of Love. This is not a job for those who are weak-willed or cowards. This truly is a mandate for those who are filled with My love, My power, My truth. So, do not allow your flesh to rise up in retaliation - rather rise up in wisdom and join your prayers together to overcome this scourge Satan has spawned upon the Earth.

“Pray also for the victims who have lost everything. Home, possessions, children, spouses; they are truly broken and destitute. All they've worked for in their lives has been ripped away from them, and all that is left are horror scenes. They are in shock and without a will to do anything

but live from moment to moment. Oh, lift them up high to the Throne that I might be able to instill in them a will to live, a will to forgive those who have ravaged them.

“I want to commend you for dropping to your knees, and even fasting and offering prayer after prayer after prayer for these victims and their oppressors and carrying them all in your hearts. You have revealed your hearts to Me, and indeed it is My very own.

“I bless you now with strength and courage to carry the cross of prayer for all that are suffering - oppressor and oppressed. And to be united to your Father in Heaven, Who grieves in these hours. And although it seems terribly dark, there will be fruit from your prayers and you will see and hear of those who have fallen away, and converted.”

My Bride Is Beautiful on the Battlefield

May 22, 2015

The Lord bless you dear Family! I'm a little shaky tonight because I'm changing medications and I'm feeling like roadkill. (chuckle)

I was musing today on the last few messages and how difficult they've been and how dark compared to the glorious promises we've had lately, and the Lord began to

speak to me as I was thinking about these things.

He said:

“You see, My Precious Brides, what good is it and what virtue is there in you following Me just because I lavish My Love on you? When you love someone, do you not want to be a part of every facet of their lives? Do you not want to be a part of their sufferings, their trials as well as their victories?

"This is another way to recognize My Bride: when I sorrow, she sorrows. When I must work tirelessly, she is by My side working as well, rain or shine. She's there because she truly loves Me. This is one of the true tests of My authentic Bride.

“What credit is it to you if you show up for the festivals and the celebrations but are absent at the work parties? What does that reveal about the character of a person? Those who are a part of the Kingdom of Heaven want to be present for all facets of that life.

“It is a thing of beauty to see you washed, adorned in finery, in procession to the King. But, it is also a beautiful thing to see you weary and battle worn on the battlefield, tending to the wounded beside Me, when I am weeping for Our own. Yes, how symbolic this is, how confirming these acts of yours, to accompany Me in My sufferings and be willing to embrace what I must embrace.

“In these times, I am strengthening you for intercession, to be hot on the trail of the enemy, tending the wounded and at certain times, will I permit you to be ahead of the enemy and cut him off and spoil his plans. In fact, in these moments, those of you praying for the world are on

the forefront of the battlefield. Don't expect to walk away unscathed. But do expect My comfort and companionship in the fray."

And I just wanted to add to that, Family, I know that's part of what's going on with me right now so, forgive me if I don't get the messages up in a real timely fashion, but I'll get that as soon as I bounce back a little more.

The Lord Bless you!

Jealousy is Stalking Us, Jesus teaches on this painful trap

May 24, 2015

The Lord bless you, Youtube family. I'm almost 100% over here, and I thank you profoundly for your prayers for us. I so appreciate it, it was kind of a rough transition, but your prayers made it so much easier. I'm almost back...! A little wobbly still, but almost there.

Despite my best efforts to change the subject, the Lord wants to talk about jealousy. Was not what I was expecting, I was looking for something pretty and fluffy, you know? Oh well...

So, we had our time, worship time and He was just so sweet, and ever so present.

He began,
"I want to talk about Jealousy."

And I objected... I said, "Oh Lord, please - can't we talk about something pretty?" And I had gone to discern it - Ezekiel and I both discerned it, and it was the Lord.

So, He said, *"Please Clare, this is what I want to talk about...you don't see it but it has raised its ugly head."*

"I want My Brides to be ever so careful not to be drawn into jealousy. I tell you the truth, there is a Spirit of Jealousy that has been turned loose on this channel and My heart is grieved. Now, I want you all to know right now, the only reason I have chosen this vessel is that she is a complete failure. So there's no room for jealousy there."

"All of you work to be successful but find you miss the mark. Well, she's no different. So, there is nothing to be jealous of. All of you can have what she has - but you must be willing to work for it. I'm here for you all, I garland each of you with flowers of love, the most fragrant and your very favorites. There is nothing so special about Clare, except perhaps that she has worked for Me full-time for over 30 years without any outward recognition or reward. Now is her time to spread My fragrance abroad. Your support of her is a wonderful thing and each of you are gathering fruit with Me through her channel. You have a reward to look forward to in Heaven because of your support."

"My Brides, I have the most wonderful blessings waiting for you if you will avail yourself of Me. If you will set the time aside and be devoted to Me in obedience. There is nothing I will not give you as you mature into the fullness of who I have called you to be. This will continue on into Heaven as we walk the roads of Paradise hand in hand. Each of you has secret, unfulfilled dreams and desires. These are waiting for you in Heaven - you will be so totally fulfilled, nothing will be lacking to you. On this Earth there are yet obstacles in the way of fulfilling your desires, but in Heaven, nothing will prevent you - everything will be for you. So, I am asking you now, do not fall prey to divisive and jealous spirits.

"Please, please, find your joy and fulfillment in your time with Me. I will instruct you and lead you on paths of righteousness where you will blossom and bear fruit. You will be satisfied and happy right where you are. All that is needed is obedience and work - working with the grace I give you in that moment, and applying yourself to the task at hand. And My grace is sufficient for you in your weakness. As you work to your limit, I increase your 'limit' and you continue to expand and grow. But work is necessary."

Wow, Lord this is a surprise to me, but you are never wrong. So, can I share something?

"I was hoping you would, transparency is pretty important here."

It's quite a mark of distinction to be labeled a failure by God, but I accept it. He has the wisdom and perspective of eternity to judge by - and He's never, ever wrong.

Some have remarked on our marriage and would like to have that kind of relationship with their husbands. First of all, I married the wrong man, had four children, and after he left me because of my spirituality, I did everything in my power to be unattractive to the other sex, and waited five years for the Lord to bring the right man. Then it took ten years of just about hell for the two of us to work out our problems together until we could live together and work together without jealousy or contention. I was a prideful, headstrong ex-professional from San Francisco . He was Irish from Texas and a very sensitive and gifted musician and lover of Jesus.

It was absolute torture for twelve years. It's a miracle we survived, but...Jesus told me to hang in there. So we did. Our success was that we were both submitted to the Lord, and He would show us the error of our ways as we stumbled along and we would apologize to one another.

Some of you have remarked on my voice. Oh... if only you knew the suffering I went through with being so unsatisfied with the way I sounded! I wanted to give up time and time again - and I still have my moments. I wanted to give up, because I just couldn't get my voice to do what I wanted. Then the Lord informed me, "You're lazy." And chided me with other remarks about not working hard enough. And sure enough, after what I considered A LOT OF WORK I started to sound the way I wanted to.

My point? Jealousy and laziness go hand in hand. How can I be so sure about that? I've lived it, year after year, (and I'm 69 now...) being jealous of others with gifts that were thriving when I was stuck in a corner and overlooked or put down. Everything seemed out of my reach: playing the piano and singing simultaneously seemed impossible to me! Playing the piano at all was almost impossible to me, and having instruments on a keyboard to arrange with? I needed that, because I could hear all these different parts. That wasn't my doing - that was a gift from God.

Things began to change... In fact, I have to tell you. They had to lay, this prayer group had to lay hands on me three different times for me to be able to figure out how to run a recording program. AND to sing, and everything else. It was really, really something... TOTAL work of Grace.

Things began to change when the Lord brought me a keyboard. Then it seemed like my duties were overwhelming and preventing me from getting to my keyboard. And that was poor planning on my part and allowing myself to be overly involved in insignificant activities - my own fault. When I wanted to give up on the keyboard again, I got chided, *"You're lazy. You can do this if you work steadily at it - the tortoise and the hare, remember?"* 'Cause the Lord has always given me that example of the tortoise and the hare. Well, I've always been the wild march hare...and scorned the lowly tortoise. It is so like me, to want to run circles around the tortoise... So, I had some serious attitude adjustments to go through.

For the gifts I've been given I should be much further ahead in my skills. But I allowed myself to be drawn off track by trifles. That's why He tells you the truth - I have been a failure. But the Lord would come and instruct me and show me what I was doing with my time and how to make better choices, which He still does to this day because I am still drawn off track so easily. So, I began to make noticeable headway and find some satisfaction in my songs. After a LOT of work, much more work than should have been necessary.

Then I would see others with gifts chosen over me time and time again. And I'd wonder...why Lord? And He would tell me, *"It's not time yet."* And I knew very well I had lots of character growth to go through, as I still do. At those times the temptation to quit or slack off was sometimes too much and I'd get lazy again. I'd listen to voices like, 'You're too old - 60. You're too sick - Fibromyalgia. You're too poor - hmmm. We won't talk about that...' And I'd have to fight those off. The Lord would show me that everything He has called me to do, He has equipped me to do. Right now - so those lies wouldn't stick.

Oh, the struggles are endless, especially because the failures were so obvious. I'd lose heart over my failures. But the Lord would come in again and again, *"Where you are weak, I am strong. Keep going."* So, I'd dust myself off, dry my tears of self-pity, and get up again. Eventually I would have breakthroughs. He'd tell me, *"There's a breakthrough coming - keep working, keep working!"*

When I began this channel, for instance, He told me to do a 5 part series on the sins I saw in the Body and He gave me the titles and explained what He wanted. I had no idea about speaking in front of a camera, no training. I might add, I'm a high school dropout so I've had no training in speech or anything else. But somehow He gave me the grace to be able to make sense in front of the camera. And I could feel it - it was a Grace.

Yet, no following. Really, no one was interested. It was very discouraging to see 15 people day after day after day. Of course the first year I didn't put much on the channel because I was using my time for music. All that changed a little when He began giving me messages about the Rapture. That's a real "button" on Youtube - that's what everyone wanted to hear about. Of course, the devils tempted me to make that my focus to gain subscribers. But the Lord was so on my heart and gave me the grace to stay true to Him. All I wanted was what He wanted - I don't care about subscribers, I just wanted to make sure I obeyed what He wanted.

You know, I say I don't care about subscribers but the point is, I wasn't focused on subscribers. I was focused on getting the message out, exactly what HE wanted me to say. And I appreciate the subscribers, and it's very encouraging to have them - but if I have to talk about something that's going to cause me to lose subscribers - I'll do it. Because really, it's obedience to HIM that's important.

So, if you see growth in my channel, please don't be jealous. It's not my doing. It's totally Him. He selects the content, He gives the message, He leads us...nothing about it is me. Well, except maybe the pictures, I do love to search for pictures...but even there I finally leave off with my own devices and ask Holy Spirit to bring me the right picture. And even at that, they aren't my pictures or artwork... so what do I have to brag on? Absolutely nothing! And then, you know, I can't even begin to tell you the struggles I had about discernment, because the last thing I want to do in this world is mislead somebody. I mean, sure - part of it is I don't want to be wrong, I mean we all have that thing about, "Oh, I really blew it - it's embarrassing!" But the main focus for me is, I want to make sure I'm true to the Lord, because I think it's a grave sin to speak in the Name of the Lord - and it's NOT the Lord. So, I'm very sticky on discernment - very careful on discernment. And I go through really, really hard, hard, hard times sometimes, making sure that I haven't mislead anyone - that I haven't gotten in between in the message. Although it's less of a struggle, I'm more at peace with it - I still am on the lookout for my own insertions. We don't want that.

The whole point of our channel is to help you have a relationship with Jesus that is just so heavenly and Wonderful. And all we are doing is sharing our mistakes and our victories and how the Lord has led us. So please - tell me: what's to be jealous of? It's all Him from start to finish.

The Lord began to speak again, "Really, My Love, that is exactly what I wanted you to say. Cleave to Me, My Bride, and you will find joy in your days. Don't look around at this one or that one, and don't compare. How foolish! Don't you know you are one of a kind??? What I have invested in you from conception is a one-of-a-kind, priceless original. All that is lacking is your obedience, cooperation, and very hard work. And I do mean hard work! Rain or shine, happy or sad, being faithful in all I ask you to do. If you want success, that is what you must do. Eyes only on Me, obedience only to Me, desire only Me and what I desire. In this way I can facet My Diamond into the perfect gem that will shine its brilliant light even into the darkest corners.

"So, I have spoken about this jealousy. I want you to repent and escape the enemy's trap for your life. Listen to what My little failure has shared about her life and be encouraged. I have made all of you differently. I don't need another Clare, I need YOU. Who you uniquely are - and that will only emerge as you follow Me without looking to the left or the right and as you obey My every leading in your life. It will cost you everything. Are you willing? Then let's go! There's work to do.

"I bless you with My forgiveness and Peace. Your Hope Is In Me."

We Must Have TRUE Discernment

May 25, 2015

My dear family, I have another message for you tonight. Something I think is really, really important to our Spiritual health and survival.

Guys, we've got to go deeper with our discernment.

This is EXTREMELY important for our survival!

There is a place within a place, so deep and personal that no one can transgress it. It is your God space, your conscience and not anything the enemy can penetrate. It's protected by the Lord.

This is a holy place and I need you all to cultivate your ability to hear from this place. There are MANY who have gone out with clever arguments against some of the most profound relationships we can have with God. I want to say that a clever person can use the Scriptures to prove or disprove the same thing at any given time. They can pull up all the Scriptures to defend their viewpoint, and another person, with the opposing viewpoint, can do exactly the same thing.

We have to be wise as serpents, and gentle as doves, or we're going to lose the relationship we have with our Lord.

When you listen to a prophet, and your heart begins to throb with fire and love for God, do you suppose that that prophet is speaking under the anointing of the Holy Spirit, or in their own flesh? Can a person speaking from the flesh inspire the fire of God in your hearts? My sheep know My voice and another they will not follow. John 10:27

But then, along comes a clever intellect to sow doubt in your mind, about the authenticity of what you heard. And you, my dear ones, must have rock solid discernment so that you cannot be swayed by clever arguments. These are tortuous times and even the elect can be deceived. It's your responsibility to develop your perception from deep inside your God space, or you will be led astray by powerful people and lying signs.

Because the Lord does not always send clever arguments - in fact more often than not, it's His power working in us that bears witness that this is from God.

Did Paul not say, ... "I was with you in weakness and in fear and in much trembling, and my message and my preaching were not in persuasive words of wisdom, but in demonstration of the Spirit and of power, so that your faith would not rest on the wisdom of men, but on the power of God." 1 Corinthians 1:3.

And the fire that burns in your heart, when you listen to someone speaking, that's the power of God, the fire of the Holy Spirit driving you on into the depths of a relationship with the Lord.

So, there's great need for discernment here. Either you hear the voice of Jesus or you don't. And some are being tempted by clever arguments to deny what they feel, and know in their heart, is real.

"My sheep know My voice and another they will not follow."

This is true discernment, to know what is true in the depths of your being and not let anyone steal it from you. There's no replacement for this kind of discernment. You can't reason it out in a discussion with human thinking. And, people who twist the Scriptures to fit their arguments will twist your thinking right out of reality, and cause you to lose your blessing.

This discernment has to be cultivated by intimacy with the Lord. It's something much deeper than the intellect and you've got to have it if you're gonna survive. So please, my Dear Brides, avail yourselves of true discernment. Do not allow men to steal these things from you but hide them deep in your heart. Do not give ear to the enemy who cleverly seduces with words of wisdom...you know in your heart what the voice of God sounds like. Cleave to Him and do not give the enemy opportunity to steal from you.

"My sheep know My voice and another they will not follow."

Confusion is Coming to This Land, Could We Be June Brides?

May 24, 2015

God bless you, Youtube family.

I have a strong presentiment that we are all going to be June Brides. Just a strong feeling...just want to tell you. I really have a strong feeling that we're going to be June Brides.

Moving on to what's going on, the Lord has been more grieved than I have ever seen Him. Today He came to me weeping and sobbing for what He must shortly do. Oh, dear Brides, keep your dear Jesus sweet company! Wipe those tears away and let the fragrance of your love completely enfold Him. He needs us NOW, more than ever.

Carol has pointed it out to me that many things are coming to a head in June. I am concerned about the disruption of communication which we are already seeing on Youtube. And other people are reporting problems with passwords that suddenly have been changed - worked just fine for weeks, and all of a sudden, now they don't work. And it seems strange to me that Memorial Day was brought forward by a week - what's up with that??

Well, everything that is to transpire in this country has been scripted and something is definitely moving along and in the works.

As I was thinking these things, the Lord began to speak to me.

He said, *"There will be confusion, increasing confusion in communication. A land-line IS a good idea. However, Clare, you are not their God. They must start looking to Me, not you. I know that's what you want as well. And yes, they need each other, too - but ultimately Faith is a very intimate and private thing. In that moment, when it's most needed, NO ONE can replace it."*

I want to take a moment and say here, guys. This is really important, that you're going to have to start really finding your own answers and communicating between one another, because we're getting such a landslide of communications that we can't keep up with it. At all. It's impossible.

Nobody could keep up with it! You know, when you've got 90 emails in your box and you want to take your time with every one? Forget it... So, it's really gotten to a proportion of being an emergency for us. And it's beginning to affect our health.

So, we have some remedies for that that we're going to share with you. I'll share with you at the end here.

But anyway, the Lord definitely wants all of us to look to Him more and less to each other. And except for maybe networking in prayer, I mean - that's something that we can always do together. If we can communicate, that is.

"As these things unfold," the Lord continued. "Great faith will be needed to believe that I am coming for you. I am. I am, oh yes, with all My heart I tell you: I AM COMING! You are My Bride and I am coming. I was weeping for all that will be lost as things commence. Oh, how I've dreaded this day, this time!"

At that point, He just cried and sobbed and sobbed.

"Oh, My people, get straight with Me. Clean up your lives. Don't be caught in this moment unprepared. I'm coming. I'm taking My Bride with Me and I'm leaving those who were not ready. Weep and wail, O People - you will be left behind if you've not repented of your sins and made it right with your brother and your God. I'm not speaking to those of you I've chosen for this mission. I'm speaking to My lukewarm Churches. Those who've lived for themselves and not sought Me out above all other things in their lives.

"The coming confusion of staged events unfolding, one after another, are to bring the public to their knees in dependence on the government. When things get rough, don't turn to the government - turn to God. Repent and repent, for it's soon upon you. Whatever you've been holding on to, let it go. Whatever you've been doing, repent that I might have mercy on you. It will not be long that you will see troops in every part of your country and not all of them will be yours. Yes, foreigners who hate Americans will be used to bring order and conformity.

"This is not an easy message, Clare. But people must be prepared for what is soon to descend upon them. And I'm using your calm and gentle voice to warn them."

Boy, I don't feel so calm and gentle right now...

"All of these things have been planned to unfold in tight order, that you might be overwhelmed and insecure. This will set off riots and food crises in places that have never known this kind of

disorder. There will be those who are specially trained to set off riots, planted in different areas to start trouble and disorder, so Marshall Law can be declared."

And right after He said that, I kind of got distracted over the problems we're having in communication and taking care of everybody.

He said, *"Concerning this big problem you're dealing with right now, Overwhelm, I just want you to do your best with what you have right now."*

And He basically instructed us that we're not going to have time for everyone, so we're going to have to put a stop to it somehow.

"Yet, I don't want you to completely cut off from the people. Just disable comments for every other video - that will help."

So, that's what we're going to do - every other video, we'll disable the comments. And if we can't keep up with that, we'll have to go to every third video. We'll just try that, to see if that will slow things down for a little bit.

And at this point, I would ask you please. If you see someone that's rude or crude or whatever - disruptive. Please take the time to gently and lovingly correct them and let Carol know right away that there's a problem, so she can deal with it.

We're definitely keep Comments in some form on the videos, because we want you to be able to communicate with each other as well.

And then He continued.

He said, *"Tell your people to network with each other, using all forms of communication: mail, phone, internet. And landlines are very useful when nothing else works."*

Okay, and just to clarify that - a landline is a normal telephone that you get from your local telephone company, where they hard-wire right into your house and the wire goes straight to your phone. There's no electronic digital communication on the landline, just strictly an ordinary, old-fashioned telephone - in case anyone was wondering what a landline was. And the other consideration about a landline is that it be a normal phone, and not a digital phone, or an electronic remote phone. Just an ordinary phone with a cord on it. That way when the electricity goes down, you'll still be able to communicate with folks.

The Lord continued, *"But remember that I am your God, and I have your answers. Seek Me until you find Me."*

And then He gave me a few moments to share with you. I just want to say, dear family, I can't possibly communicate with all of you at this point. It's simply, humanly impossible. So, I'm offering you another plan, to help you find the answers you need, but not from me. I'll be able to communicate with a few people, and I'll try and spread it out in a fair way when I see comments that really need attention. Please begin by finding people on Youtube that you really trust, especially on our channel. You know, find the people on our channel that you're drawn to and that you see some holiness in their life and begin a relationship with them. As a prayer

partner or whatever. And that will give you someone else to communicate with. Maybe pick two or three people like that. I mean, that's what we've done. We've reached out to several people to spread the load a little bit and it's been wonderful.

Network with those on our channel that you can really relate to, by cell phone and landline telephones for those who have them. As well as physical addresses to stay in touch when they put the system down. I know the Lord said that He would NOT permit a complete end to the Internet, but there will be interruptions at very key times, and communicating by telephone landlines will keep your sense of community somewhat intact.

Next, use our playlists to find your answers to your questions. I would say that 99.8 of my emails are asking me questions that could have been answered if they had known about and gone to the playlists and looked at the videos on each playlist. They would have found the answer. And I love to share with anyone that asks me a question, so I'll take my time to answer them. But the answer that I give people, it's personal and it's sweet to be in communication with each of you, but it's the same thing that I put on the video! So, it's like if you're finding the video that addresses your question, you're going to get the answer and you'll get it quickly, too. Much quicker than if you wait for me to get back to you.

You will find in the description box below the video, you're going to find a link to our playlists. And you can click on a playlist, and it says, "show the videos on playlist", you click on that instead of the playlist itself and it will bring up all the videos. And you can go through them and decide which one you want to listen to. And also the instructions for how to download and save things.

And some of you have asked us about getting mp3's of these teachings and it's so easy! All you have to do is go to Clipgrab - it's a free program on the Internet. And download Clipgrab. Then you get the address for the video, which is in your address bar when you go to watch the video. You paste that in and then it gives you the option: and mp3 or mp4. So, it's either a movie or a music that you can download. And then you click, "get this video" or "get this clip" and they'll download it for you, right onto your computer. So you can have it in either format as a video or as an mp3. It's just that easy! And those instructions, btw, are in the instruction box under every video to help you. Even the address of our blog. And the address of our website. Everything you need to know is right there in the description box underneath each video. I put it there every single time.

The other thing I wanted to tell you is, we've been having one heck of a time with our mail, through our website, but I think we've got the kinks worked out. So, if you had nothing but trouble with the website, webmail, I think that problem is solved. And if you do have a problem with it, please let me know. 'Cause I think we've got it ironed out. But if we don't, we'll still work on it.

Okay. So, use our playlists, because we can't answer personal communications, it's causing health problems for Ezekiel and I and Carol. She can't keep up, either. And Lisa has a full-time job. So, the Lord wants this. He wants you to find your own answers and pray it through. Giving you all the tools I had, so look for them on our videos and playlists. And every day I'm going to be putting out a new word, God willing.

So, I've just about turned upside down and done double back-flips to tell you how worthless and useless I am - and you still think I'VE got something to give you!! Well, all I have is from God, and He's wanting to give it to you as well. You just need to work a little harder to get it. Please don't be angry at me for this message - I really have to straighten this out with you.

I will still try to help where I can, but you're going to see me less. Otherwise, if I don't cut back, I won't be able to do any more videos. So, I'll have to withdraw a bit of a distance to keep my sanity.

So, just to keep my health up and my sanity, you know, this is what we have to do. Remember, guys. He's in love with you! And He HAS your answers, right there in His hands. He's living in your heart. He's standing at your right hand and He's carrying you, all at once. What more could you want? I'm not your answer - HE is. Jesus is your answer.

Please, remember our website and use it if Youtube goes down. We're going to start putting all our videos on our website, totally independent of Youtube and that's a little bit of a process. If we don't get it completed, well at least for sure we'll have the current video independent of Youtube, if things should get really difficult.

That's about it. Then I asked the Lord, "Lord is there anything else that You want to say?"

And He said, "My Brides, I'm coming for you. Stand your ground. Do not grow weary in well-doing. In fact, now double your efforts to do good to others. Prayers and acts of kindness. More personal prayer time and cutting out the world more and more every day. Please, please - I'm in love with you! Do not withdraw in times of failure, come running to My arms. I will receive you and pour clean water on you and tend to your wounds. Do not let the enemy steal our love away. Persevere and hide these things in your hearts. I am forever with you. I impart an anointing to you now: clear thinking and tenacity in what you know is right. Greater faith under trial and a steadfast assurance. I have spoken to your hearts, and I will fulfill all I have told you. These words are faithful and true."

Heaven: Jesus Shares About Worship, Food, and Recreation.

May 26, 2015

The Lord's peace and joy be with you this day! The Lord gave me a beautiful, beautiful message that I'm really going to enjoy sharing with you.

Tonight I was worshipping to Terry McAlmon's songs and the Lord was so very present and wanting my complete attention. (Chuckle) Good luck with that. I'm His little butterfly. I'd do just fine for a few moments and then my mind would wander...and He would gently chide me..."Where are you???" And I'd gently refocus. Oh, how patient He is, so many times I wandered and so many times He brought me back. I was fixing coffee in the kitchen and He was still dancing with me. He wouldn't let me out of His site but mostly He insisted on looking into my eyes and me intently following His eyes as well.

He was so VERY conversational, engaging and pleasant. I began to settle down and really feel comfortable...I actually relaxed. And we chatted, but don't ask me what we talked about, that's not in my universe anymore... In spite of all the ginkgo I take, I still have memory problems. Can anyone else relate??

But as I was typing this up I just remembered one exchange...I was going to change one of the songs, it was a Jessica Ketola's song, "Here in Your Presence," and He said, *"No don't change it, I like this song."* Isn't that just like a man?

And when the line was coming up, "You are mine, and I am Yours, You are God, and I am Yours" He said, *"This is My favorite part."*

I think Holy Spirit helped me remember. (He doesn't need ginkgo...)

Ok so, getting into the message, Jesus began: *"Oh My sweet, sweet Dove, how eagerly I look forward to your parting with the Earth! That means that forever more I shall have your attention and be able to keep it, too!"*

I can't even imagine having an attention span like that as much as I tend to drift off into Lala Land.

He replied: *"You won't be drifting any more - you'll be IN Lala Land."*

And I said: "And I won't have to drink Frappuccino's to keep my focus, right?"

"No. But you'll have them anyway, made from the choicest beans from the mountains of Heaven. And oh, the ice cream is out of this world."

"I don't doubt that," I said.

"No, I'm serious, ice cream like you've never, never had on Earth. I promise you, there's nothing in your experience like it."

I like that rose flavored ice cream we had once at a Middle Eastern restaurant.

"Oh, you'll have your fill of that."

How does that work Lord? I mean, that's kind of awkward -stomachs and things?

"Do you really want to know?"

Only if You want to tell me.

"Sure. In Heaven your body is ethereal and real. There is no such thing as human waste...no water closets, no toilets in Heaven."

Wow, that's a relief.

"Well said. Relief is a constant state...you never have to relieve yourself."

You like to play with words, too, don't you?

"May I say, I invented them?"

You may. OK, seriously.

"Because you are in another dimension where there is no decay or growth beyond maturity, there are no dead cells, no bacteria, nothing of that sort. Food in a manner of speaking is eaten and enjoyed but travels through your 'body' as if inhaled. It has very little bearing on your body's composition or state. Good news: you won't get fat from sweets. You will always be as slender and perfect as I made you to be. There are no hormonal abnormalities, no environmental stress on the body, mind or senses. It is pure, harmonious bliss."

Oh Jesus, I miss playing my keyboard and the cello. It just about sends me into 7th Heaven, wherever that is.

"Would you like to change the subject, My Love?"

Oh, You're such a perfectly charming gentleman.

He continued,

"Everything in Heaven is run on thought and desire. All desires are pure and Godly. Even the desire to enjoy food is Godly. No, I'd better put it this way for you gourmets: It is very Godly to enjoy food. Why? Because My Being derives pleasure from seeing your pleasure, because My Heart is so in love with those who have given Me their all, that I want to give them My All, and when they return thanks it is praise and a form of worship."

"Allow Me to explain. You see, when you appreciate, truly appreciate from the heart - knowing the source is Me - when you appreciate anything, you are in fact worshiping Me. On Earth, I ask you to abstain many times because your flesh and carnal nature and the environment is so full of demons, it can very easily get out of hand and contaminate your desires with carnality. But not in Heaven!! There, I delight to see you petting your lion, sipping your Frappuccino's, and delighting in the trees that sing to you."

The trees sing to us?

"Oh Yes, they love to sing to you - don't you know all Creation sings? You just haven't tuned into that frequency. But in Heaven, you will have access to all frequencies. Oh, Glory! What awaits you is beyond your ability to comprehend...but I delight in giving you glimpses."

Back to food, Lord?

"What more is there to say? There are those employed in the preparation of food, because they love to work with the flavors and sanctified senses that are stimulated by food. But in Heaven, food never becomes the focus. The Glory of the Father is ALWAYS the focus. ALWAYS! And as you heard from Jesse DuPlantis, We are constantly coming in and going forth from one another and

the love exchanged resounds in Heaven with even the tiniest of creatures. A blade of grass responds in worshipful sounds.

"And even though eating is worshipful, the soul is so drawn back to the Father that the longing to be in His presence worshipping, soon overtakes the enjoyment of food. You see, it is circular. Everything returns to the Father, and to Us. We created the milieu (mee-lou /atmosphere) so that your desires are instantly realized in appreciation and recognition of the source. Then you return thanks to US - and so it is a constant atmosphere of worship. But nothing compares to the essence of pure worship and so everyone wants to be in the Throne Room."

But how does that work? I mean how does everyone fit in the Throne room?

He laughed joyfully, *"This goes beyond your understanding of dimensions. There are dimensions, among dimensions, among dimensions and there's always room for one more. But remember, that in Heaven everyone is serving in different capacities, so worship and its timing for each individual is very orderly, although never does a soul have to wait for comfort. Comfort is ALWAYS there when it is needed."*

But I thought that in Heaven no one ever suffered?

"There is continuous joy, but there is also the awareness that things are not completed. There's work to be done. And on the way to completion there's empathy, and in empathy there's pain... and pain needs comfort."

Lord, does this happen a lot?

"Unfortunately, until the end of the Millennium it will occur far more than We would like it to, but it's part of what keeps everyone serving. But it's not the kind of pain on Earth where things are dark, foreboding and depressing -oppressive. No, in Heaven there is hope and remedy on the way.

"There are needs, and all are constantly serving the needs of those on Earth. Prayers being offered, healings are happening, music is being imparted straight from Heaven. There are no needs for the citizens of Heaven, all needs are met abundantly. But those on Earth, and in transition to coming here, they have needs that the angels and saints see to. That is something I will not go into detail about at this time. Suffice it to say, all are very alive and focused on the work entailed in ministering salvation to souls, the salvation I accomplished on the Cross.

"There are times when the windows of Heaven are closed and there is, in a manner of speaking, retreat time - a time of rest from the awareness of the needs of Earth. This is something the Father determines. It is usually a time of extreme joy and celebration without awareness of things outside of Heaven."

Lord, I thought no one ever got tired in Heaven?

"Oh no, that's a misconception. There is always comfort and refreshment in Heaven, but laboring for souls can take a heavy toll - especially when spiritual warfare is in progress. In your terms - everything is very 'electrical' - even as I have shown you how lightning is a sign of warfare in the

first heaven (That's our atmosphere). There are exchanges of energies that are damaging, but in Heaven, repair is always happening. And yes, there are beds in Heaven, just for reclining and refreshment. There are energy dynamics that on Earth most are not familiar with. Why do you suppose I made us a hammock in the forest?"

I hadn't thought about that, Lord.

"Oh yes, there are times of refreshment and recreation, many such times. Clare, it is not to be imagined on this Earth, the delights I have prepared especially and exclusively for each soul. Really, I want to see them overwhelmed with wonder in My Love for them.

"Now My Bride, I have given you a glimpse of the joy that lays ahead...do not grow apprehensive as clouds appear on the horizon. Rather delight yourself in My Promises to you. The darker it gets, the sooner My arrival. I impart to you this night the capacity for unending joy, even in trial. For My Hand has formed you, Dear Ones, and to each I impart and quicken what is needed for their souls. Eye has not seen...but now that I have told you...lock it securely in your hearts, and ponder it often."

Jessica Ketoli, "Here in Your Presence"

What can I say here in Your presence?
I am undone here in Your presence.
You are God, I am Yours.
You are God, I am Yours.

Lord, who am I here in Your presence?
I bow my life here in Your presence.
You are God, I am Yours.
You are God, I am Yours.

I am Yours
I am Yours
I am Yours
You are God, I am Yours.
You are God, I am Yours.

You are God, I am Yours.
You are God, I am Yours.

I bow my life here in Your presence.

My Presence in Your Marriage, Jesus Speaks on Marriage

May 28, 2015

The peace and blessing of the Lord be with you, Youtube family.

Tonight, the Lord approached Ezekiel about taking me out for a little meal and having a little movie at home. We watched a Christian film and setting aside this time just to be together. The message turns out to be about this very topic.

So, the Lord began:

"I want to talk about the marriage bed. By 'marriage bed' I mean the relationships you are in right now, your marriages. Some of you have defiled your marriage bed by thinking of other people, rather than your spouse, when you're having relations. This is a very common sin that eventually leads to adultery."

And of course, the Scriptures say that that is adultery.

"My children, I did make you for more than one mate. I made you to be united to the one of my choosing, all the days of your life. And to find joy in one another's arms in company. But you tend to grow weary and bored with your Beloved whom I have chosen, and you become lax in your relationship and do not show the marks of affection or do the things that please Me to draw closer to one another."

"Sometimes I call you to set aside your work as I did tonight with Ezekiel and Clare. And to spend time together just being there for one another and enjoying what I have done in your lives. Your children, your animals, your homes and the simple things."

That was real sweet tonight. We came home and walked the cats and the dogs the second time and sat out in the field with them while they played in the sagebrush, just kinda watched the sky dimming and turning into the evening and it was very, very calming and refreshing.

Anyway, returning to what the Lord said,

"Even your very special time with Me is to draw one another into the espousal relationship which, rather than envying against your spouse, I bring you closer to your Spouse. If you have a serious problem in your marriage that is not being resolved, and you're spending more time with Me to escape the boredom, you're not balanced. I want you to have fun with your mate and I'm not talking about marital relations, but marital relationships."

"I'm present through your spouse. How I hunger for the Love between the souls to grow. I inhabit this space. It brings Me joy! Can you not feel My presence in one another? I am there. Truly there, in the celebration of your love. Too many use work and spirituality as an escape from the less than satisfying marriage. The tender feelings you have for your spouse originate in My Heart and are My way of lavishing Love on them as well."

"You need this outpouring of Love and concern for one another. It is healing and sanctifying for both of you. I fill you with the very real intention of seeing you lavish it on other souls, especially your husbands and wives when healing is needed. Sometimes, healing is administered through showing that you care enough. To go out and eat together, watch a movie together or play with your animals or one another."

"This brings balance and makes for a well-rounded life. A well rounded life is able to carry others. It is when you become lopsided and escape through your work, that damage is done to yourselves and to one another. So, I'm asking you, make this a week of being devoted to your"

spouse. When you have to urge to work or clean or do other time-consuming activities, exercise special control and do something together to show how much you care.

"Let them express what they want to and follow their lead. Too often couples are selfish with one another and exert their preferences on their partner. Rather than do that, deny yourself and engage in what pleases them and I will bless you both."

"Regardless of the shortness of time, still, there is an example to be made on your children of how to Love sacrificially while totally enjoying yourself. This they will hold in remembrance and will give them a good foundation in how to yield to one another and have a healthy marriage.

"I want to bless you know with the desire for selfless Love for the soul I have entrusted to you in matrimony. Ask yourself, 'What would Jesus do? How would He yield and care for the one He have given His Heart to?' Just as Paul exhorted you: 'Husbands, Love your wives just as Christ also Loved the Church and gave Himself up for her so that He might sanctify her having cleansed her by the washing of water with Word.' That was Ephesians 5:25."

"It is so little understood that marriage IS preparation for Heaven. Love is so very intense and all consuming in the bonding stage of marriage. In order that when trials come, you will both cleave to one another and show the respect due to one another.

"In your culture, so many are looking for illicit sexual pleasure. That is not Love it is simply lust and the desire for more stimulation. That is not what I created marriage to be. It grows deeper and deeper and further and further away from the flesh as the years pass. It transcends physical pleasure and blossoms into Spiritual sanctity whereby both parties become ready for Heaven.

"So take this week to honor and remember the purpose I brought you together with your spouse for. And that I have called you into a sacred trust to Love and prepare one another for My coming.

"For those that have unconverted spouses, the very best thing you can do for your mate is to leave behind the fragrance of My Love."

The Threatening Letter & YouTube Family Update

May 29, 2015

The Lord bless you, Youtube family!

I just wanted to give you a quickie update. I was in the middle of a message last night, and falling asleep...(chuckle). So, the Lord sent me to bed. And I didn't get a message up last night.

And this will happen, typically – I don't want to bore newcomers, but just so you guys know...this will happen typically when I have to go to the doctor, go shopping for groceries, clean up the refrigerator, clean the house – things like that. ALL of which I did yesterday...

So, I was pretty much road-kill by the end of the day, but I went ahead with the message anyway. So, forgive me if I don't get a message up – there's a really good reason for it.

I'm going to go back to that message in a little while, but in the meantime, I found something very interesting. I guess we're still under attack from a couple of different folks that really think that we're "out there". Hey, we ARE "out there" – we're out there with the Lord!

Anyway, I have some books that I use sometimes for a rhema – an anointed word of God. Something that just kind of gives me an idea of what's on the Lord's heart and mind before I actually, really sense it. This was very cute – this is what I opened to in a book called *Jesus, Inc.* – in other words, *Jesus, Incorporated*. The author comes from a business perspective as a very devout Christian. *The Visionary Path* by Laurie Beth Jones, author of *Jesus, CEO*. She's very, very encouraging. And, for people who tend to be depressive personalities, I highly recommend her. She'll just boot you right off your posterior if you're sitting there having a pity party! And she has some great ideas.

So, I asked the Lord what was on His mind, prayerfully, and I opened to: "He did not fear threatening letters." Hmm...isn't that interesting? In light of all the "lovely" comments some of our "friends" have been leaving. I call them friends, because we love them in Jesus. This is a little worldly, guys, so forgive me - it's a little off track of our spirituality, our normal spirituality. But, it's practical and it addresses what's been going on with our channel.

Quoting Laurie Beth Jones,

"I work hard to maintain my credit rating," she said. "So, when I received a notice that my mortgage payment was 30 days late – I promptly got on the phone. In the midst of refinancing my Texas and New Mexico property, it seemed some confusion had occurred regarding the two deeds. My automatic draft had been canceled, so I could personally deliver a check. Then, the documents didn't show up in time, so I was notified not to make any payment. Subsequently, I received a red-lined letter stating I was in danger of losing the property."

I'd say THAT was a threatening letter! Due to the missing payment.

"I was given a list of Credit Counselors to call" –

Oh gee! Well, there's an insult to somebody's pride who works hard on a credit rating!

"This upset me..."

Yeah...I'll bet it did!

"...so I called the woman who was coordinating the refinance and told her that I had received threatening correspondence regarding my property, and my credit standing.

"Debbie – who sounded on the phone as if she were about 20 years old, paused for a moment, and then said in her most dramatic voice, 'Ooooo....a THREATENING letter!!'

"I was so taken aback by her humorous perspective that I burst out laughing. This serious letter, which at the time was blocking the entire horizon of my future, was seen by this Generation X-er for what it truly was: a hiccup. A gnat on the timeline of life.

"It made me think of how spiritual people who strike out, to grow, and have a business, whatever"

...like I said, her focus is a little different than ours.

"It made me think of how spiritturners regularly face threatening letters of some sort. Either written out in tangible form, or spelled out word for word at night, while we lie sleeping...or trying to sleep.

"Nehemiah received a threatening letter as he was rebuilding the walls of Jerusalem. 'We hear you are actually leading a rebellion against the King! He's heard it, too, and he wants you to come down from there.' To which Nehemiah replied, 'I am doing a great work, and I cannot come down.'

"David's brothers tried to keep him from fighting Goliath. Joseph's brothers tried to keep him from rising to power over them. Jesus received several warnings about ceasing and desisting from His work. Sound familiar??

"In fact, if you haven't received a threatening letter in your mind or otherwise, warning you of imminent danger to your life and very soul if you continue on this path... you probably are sitting in a rocking chair, eyes permanently fixed to the Comfort Zone!"

Taking a brief moment here... Well, I AM 69, I am a grandmother and I do have a rocking chair...although I never sit in it. But, that's as far as the resemblance is gonna go as long as the Lord's grace is upholding me and He has something for me to say or do.

Laurie Beth continues: "I have a friend who decided to launch a conference, inviting business leaders from all around the world to convene and discuss the spiritual aspects of their work."

She is very Christian.

"Initially, her pastor was supportive, and he even offered to speak at the event. That is...until it looked as though it was going to be REALLY successful. Suddenly, this pastor realized that her event was going to outshine all the ones he had put on. So, the night before the conference was to begin, he wrote her a letter and hand-delivered it. As she unfolded it, and read it before him, she couldn't believe the words on the page! 'Dear sister, after much prayer and fasting, I and the church board have decided that this event is NOT from God, but from the devil himself. Therefore, you are to call all guests and participants immediately, and turn over the mailing list to our church, so we may pray over the souls who are about to be duped by satan, working through you.'"

Wow! When I read this, guys, I thought 'that's exactly what people are threatening us with! I can't believe that!' You know, that we're working for satan. This just blows my mind! Curses and

the whole nine yards, from Christians! Well...they think they're Christians, and I guess they are... But, I'd have to say they're a little misguided by some kind of spiritual force. Or, maybe just their own flesh. I don't know... I am praying for them.

In any case, I have to move on. It's just like what Nehemiah said - I can't stop! I'm doing what the Lord's asked me to do. I can't stop.

So, continuing on with the story:

"The lady who was holding the conference, Barbara, looked at him and said, 'I'm doing a great work, Pastor Brown. And I cannot, and will not end it now.' With that, she invited him to leave."

That's my stance. I can not and I WILL not end it.

Laurie Beth continues, "Oooooo...a threatening letter!"

"Now, SHE knew it was going to succeed – and it did, beyond her wildest imaginings. The conference that she and her mother ended up bankrolling after the church pulled has now become an annual event, attended by business leaders and supported by foundations from around the world. A threatening letter did not stop her great work. The young Nazarene was warned frequently about the dangerous consequences of His mission.

"Jesus did not fear 'threatening letters'."

So, I just wanted to leave that with you. Interestingly enough, the message the Lord began last night was about Enemies. And it promises to be a really, really instructive message, because He is going to reveal to us some aspects of the enemy, some dynamics that we've never considered before. I really look forward to hearing the rest of what He has to say – and I am so sorry that I fell asleep last night!

But, forgive me and understand, when there's not a fresh message up in the morning, there's a really good reason for it. And, I think I may make it somewhat of a practice in the future to at least share an update with you until I can get the message up.

So, the Lord bless you all! Thank you for listening to our channel. Especially, I bless you, one of our of our happy friends that doesn't like us – God bless you, and the Lord heal your heart. Hopefully we can have peace between us. In Jesus' Name, amen.

Jesus Speaks on: Why Our Enemies Are Important

May 30, 2015

The Lord Bless you, my wonderful Youtube Family.

I just want to thank you so much for your prayers and your positive input, your comments and your support of us. And donations that you've sent, have really helped keep us eating healthy and staying afloat. Thank you so much!

The Lord finally finished the message that He began last night. So, here goes, and He gave me the topic as being

"Enemies".

He began,

"There is so much more to the refining fire of enemies than anyone is truly aware of. They are My refining fire, a force to be reckoned with when loosed, a force to be pitied when bound. And I have total control at all times."

"Oh Lord, that thought is so challenging. How can You allow things to happen such as these ruthless killings?"

Now, before I go on with the Lord answering this question, I just wanted to make you aware of another video where He explains the destiny of certain souls that is agreed upon before they're born into this World. That plays as a factor into this as well. There're things we just don't know about the creation of that soul and about their agreement with God at that time that they were sent into their bodies.

We just don't know what their destiny is and the Lord does know, and He understands, and there is an agreement there.

So He continued,

"That's just the problem, Clare. You are not Me, and you do not see as I see. You have only one millisecond to the whole plan, a flake of frost on the tip of an iceberg. Oh, there is so much more to see, but for now I ask only that you trust Me and listen."

Sorry...

"No, nothing to be sorry about. I anticipated your reaction and it fits right in with the thoughts of others as well. OK, now can I have your complete attention?"

I'm here.

"Just barely."

"When you hear a story told, you only get one side, and the current one at that. Beneath that tiny flake of frost is an iceberg of history. Things that never enter people's minds because they don't think as I think nor do they care to know what I think. That is why so many things are a mystery to them. That does not mean, do not be empathetic and pray. No, brotherly love and prayer are extremely important. You could be in their shoes tomorrow.

"There are generational curses, hidden sins, cultural influences, inter-relational dynamics between each person involved. And even their generational curses - things that go back hundreds and even sometimes thousands of years. This does not occur to the casual bystander, but the angels are aware. That is why you will at times feel strong warnings not to do something, or to go somewhere, or get involved with someone. Your angels can see what's coming. Holy Spirit also will recoil with apprehension in your conscience. I do protect you, but once you step outside the realm of obedience, I can no longer protect you as I wish to.

"You see, the demons are My policemen. They wait in line all day to sift a believer, sometimes they line up around the block, so to speak, just to get one shot at a soul. Once a believer has crossed a line and disobeyed however, permission is given – but only so far. In other words, what they are allowed to do or not do is controlled by My permission.

"In other situations I allow the demons permission because I'm perfecting a soul in virtue and patience - forgiveness and virtue needs to be cultivated. At the very same time, when I allow an attack from the demon, I know how it will affect a soul and that they will, in turn, pray for those who are being used to attack. Very often those souls have no one to pray for them and the one whom they attack are My very last resort to find intercessors. This has been the case on your channel as well.

"Those who have attacked you for no reason at all are in serious need of intercession. Their salvation IS at stake."

Oh Lord, that's so very sad.

"It is indeed. Clare, I need your prayers for them. You see, some people have been brought up to believe I'm a God of harshness, hatred and punishment. This is because people around them misrepresented me. They were controlled by a Religious spirit that is simply a demon, very often, of judgment, bitterness, unforgiveness and criticism mixed with persecution and the belief that they are acting in righteousness to correct false prophets.

"They, in the sense, become the savior and God because they are taking My role upon themselves. This parallels the Messiah complex except, instead of taking on the sins of the World, they become the prosecuting attorney and judge, passing judgment on everyone that does not live up to their harsh image of Me.

"You see, they are use to hearing me as a gentle and Loving God. They can not imagine the face of an innocent newborn being the very accurate image of My Loving father's own face, as you do. They see Him as mean and cruel and continually corrective of fallen mankind in whom there is no good thing. Throwing thunderbolts of justice and wanting to annihilate anyone who falls short of their idea of Holiness.

"It is because they are so eaten up with hatred, judgment, bitterness and even jealousy that they're in dire danger of losing their souls. But in their understanding, it is all the others that are going to hell while they are the only Holy saviors making corrections with harsh attacks at anyone they consider a heretic.

"You see, you have found me to be gentle, kindly and helpful when you fall. You didn't always see me this way, but because you've opened your Heart to Mine, you do. For instance, when you were in the grocery store, very very tired and didn't use the best judgment in what you bought, you came home feeling badly, even very badly, that you should be harshly punished.

"And what did I say to you?"

Oh, you were so sweet Jesus, I just melted in repentance. You said, "I will help you make better decisions next time."

He continued,

"And this is truly My nature. It is My kindness that leads to repentance with gentle souls and sometimes with violent souls. When they feel My Love and forgiveness wash over them, they melt and repentance flows like a river from their sinful souls. It is only with stubborn, self-willed and obtuse souls, that I am at times, forced to use more forceful corrections, which I hate. So, when I see others doing this to My chosen vessels, I love them unconditionally but am not happy with their behavior. Yet I allow it because they need prayer. I understand that they do not truly know who I am.

"I am the God of righteousness but I tenderly carry the lambs in My arms and lead the ewes with wisdom and gentleness. I even speak this way to My shepherds so that they will, in turn, learn the language of Love. Love and righteousness can not be separated. They go hand in hand. Some are of the impression that they can wield the sword with righteousness and Love is not even in the picture. They don't feel Love, they feel hatred, anger and bitterness. They wield unkind words in an unkind way and then expect everyone to obey them and all they do is run from them. This causes them to sink more deeply into bitterness and judgment.

"You see, My sheep know my voice and another they will not follow. So, without Love, it is impossible to lead My sheep or to correct and guide them and never should the motives of others be judged. That is My job and My job alone! Those who do this, do not know Me. They know a Jesus who is not kind and tender but judgmental and always looking for an opportunity to punish and correct.

"Again, they are victims of a Religious spirit, or religious demon that has convinced them that they are doing me a favor when in fact, they are scattering the sheep I have worked so hard to bring into the fold. They perceive themselves as powerful prophets of wrath sent to pronounce judgment on the Nations and yet judgment is on their doorstep.

"Oh Clare, it is so sad to see these poor ones bent and twisted from birth by those who do not know Me. This is why your channel has become so important to others. You know Me and they hear My voice when you share our conversations and oh, how they have hungered to hear Me!

"They have heard men, over and over and over again and all they want is to Love Me and to be Loved by Me, not to have a stack of religious rules imposed upon them when the only reason they came there was to seek Me and to be closer to Me. Those who are shepherds after My own Heart are terribly persecuted, but then they wear My crown of thorns and it is fitting. Still they choose to Love and not hate.

"This is My true nature: 'Father forgive them, they know not what they do.'

"There is one other aspect that I have not covered. Many times, those who've taken on this role are mentally disturbed and abused from childhood. They see the harshness and punishing role authority figures have and transfer that image to the final authority figure, God. The fault is really with those who never really loved them. They should have seen the final authority figure as loving, kind and corrective. But, the love got left out, so they take on that role with others in harshness and bitterness.

"And finally, as My servant Paul said:" 1 Cor 13:1,

"If I speak in the tongues of men or of Angels, but do not have Love, I am only a resounding gong or a clanging cymbal. If I have the gift of Prophecy and can fathom all mysteries and all knowledge, and if I have Faith that can move mountains, but do not have Love, I am nothing. If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have Love, I gain nothing. Love is patient. Love is kind. It does not envy. It does not boast. It is not proud. It does not dishonor others. It is not self seeking. It is not easily angered. It keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trust, always hopes and always perseveres"

And, the other Scripture that came to mind after the Lord quoted this one was, John 1:4 "We Love because he first loved us."

Then the Lord broke in and said:

"This is a failure. These who judge have never known My Love."

And the Scripture continues;

"If someone says I Love God and hates his brother, he's a liar. For the one who does not Love his brother, whom he has seen, cannot Love God whom he has not seen. And this commandment we have from Him that the one who Loves God, should Love his brother also."

And I want to add, people think that they... perhaps someone thinks that they're loving when they come on a channel and cause all kinds of problems and disrupt the flow of what's going on. They may think, "Well, I love them so I'm gonna tell them the truth", but the Lord doesn't see it that way. He see's it from the vantage point of He's trying to bring the sheep together and someone else comes along and tries to scatter them. I mean, that hurts the Lord.

So then, the Lord continues,

"So, as you may have gathered from what I said before, I use the enemy to form and correct My vessels. If I want them to increase in love and compassion, I send those that are critical and mean-spirited, without understanding of how I'm working through you. In this way, I know you will become more pliable, more compassionate and pray for them. In the end, Clare, I use everything and everyone to accomplish my ends. 'For I shall complete the good work in you that I

have begun'. And I use everyone and everything, to that end. I know you are dying to share that story, so go ahead."

(Yep, I've been dying to share it ever since the beginning of this message.) Yes, Lord, it's true. I can't hide anything from You. This is a story told by Graham Cooke. I can't remember if it was a dream or a vision that he had but the Lord showed him a full-sized, hand-carved stone statue that was exquisitely done.

"Well," Graham asked him, "Well, who is that a statue of?"

Jesus replied, *"That's you. Would you like to meet the artist?"*

And of course, Graham said "Yes".

Then Jesus showed him the two men who'd been persecuting him for years, sitting in the front row of every convention and then writing scathing reviews of his teachings. And this had been going on for years and years and years.

So indeed, Lord, you do use everything and everyone to shape and form us.

"My Love, I want you to remember this teaching, but more importantly, I want you to pray for the one who's been persecuting you. This is My heartfelt request from you. I Bless all of you, My Children but I look especially fondly on all of you who have nothing but love in your hearts for those who are troubled like this soul. By your love, you prove to Me you are truly My disciples and Brides."

"This man will be saved, because of your heartfelt prayers, he surely will."

Who You Are To Me. Jesus Speaks on...

May 31, 2015

Well, precious family, before I begin the message, I just want to apologize to you for the condition of the playlists. I made the lists MONTHS ago and so much has been done since then, that I'm having to revise the whole system. So, that's probably gonna take a good part of this weekend into next week. I'll try to remember to let you know when it's completed. But in the meantime, I would ask you to look at the videos. Just go through the video list, which you can do, that's one of the selections on our homepage. It's playlist and videos.

You can look at the playlist, but boy they need work. The videos, all of my videos are there to present, so you won't miss anything that way. And I think by next week we'll have some lovely arrangements of the categories. So, forgive me for sending you to the playlist when they're not all done yet.

The Lord Bless His precious Bride tonight. We have a beautiful message from the Lord. Very short but very, very sweet and I won't waste any time I'll get right into it.

I asked him "Lord, what do you want to talk about tonight?"

And He said:

"I want to talk about Love." He continued, "The way I love. The way no one understands how I love. You see, on Earth it is either eros or agape, rather cut and dried: romantic or brother-and-sister love.

"But I cherish you like the finest diamond in the purest gold setting. The other day when you made a poor choice, I came up to you as your spouse to strengthen you. I recognized your intention and honored that. Rather than focusing on your poor judgment, I came to your side to uplift you and give you hope and even understanding of yourself.

"It is one thing when a person forms a habit of sin. And quite another when they form a habit of holiness, but don't always act from the pinnacle of self-control, wisdom and maturity. I anticipate where you are going, and just as a man opens the door for a lady and even catches her if she slips, I am there by your side: kindly, solicitous for your welfare, reading in complete clarity the very direction you are struggling to go in and anticipating all the obstacles I know you will face.

"I wipe the tears of frustration from your cheeks when you fall short of the mark. I sit beside you and counsel you when you're just at a loss for how to proceed. I listen tenderly to your thoughts, your emotions and aspirations all through the day, tirelessly - taking it all in, and plotting your course to the destinations I have placed in your heart.

"I miss no opportunity to be a part of your life, My Love. Your life is My life as well - we are truly One and My entire Being launches out to assist you in arriving at Our destination. I place the noble thoughts in your heart, even the golden cello you saw...ah, I had that made for you long before your heart throbbed in that direction. Then I placed that desire in you, because I knew that was the pattern of your DNA, and the fulfillment I planned before the beginning of time, as difficult as that is for your human mind to understand.

"We had our own agreements when I gave birth to you, we had our dreams, our own plans and outcomes that only I could engineer to perfection. Oh yes, man plots his course. But in reality he is but a blind person groping on, assisted by the workings of My Spirit - both in opening and closing doors set before him. Even the closed doors have importance in the development of all his dreams.

Oh Clare, if only people would learn to trust Me and do the outlandish things I ask of them! Oh, if only they would. Their frustration, their emptiness, their lost-ness as they grope blindly along the way... So many times is a product of their pride because they refuse to let go of what 'they know' in order to embrace the blind path I wish to set them on...with only a little dog leading them."

Here He's speaking about, kind of a metaphor for humility, submission and obedience. It's just a metaphor He's used before with me and I can tell you He hadn't led me in the direction of using the things that I've acquired in the World, the gifts or talents that I've acquired in the World, so

much as He has led me in the direction of throwing me into water. Hot water, way over my head. And, it's been a real leap of faith every time He's asked me to do something. He loves these changes of direction that throw me totally on the Mercy of Him being able to accomplish it.

He continued:

"But so many already know the answers and cannot yield to the wisdom I send them. The more intelligent the soul, the greater risk of failure in their true life's purpose. Their intellect is based on men's ways. Even the very heights of philosophy and thought become a fatal impediment along the road I am calling them to travel. Their sense of control in their lives is but a mirage. They arrive at their destination and find nothing they thought would satisfy their inner depths. Then they're bereft of all consolation and feel rewarded with a terrible void, which is merely the fruit of their own devices. How rare to find a man or woman who's willing to die totally to themselves and embrace only me. This is why I treasure those who do so much. They are my comfort in a cold and uncaring World. Where the glamour of success leads them on blindly and sucks the very life from them.

"So, understand all of My loved ones, My Brides. I cherish and carry you tenderly to your destination. You have encountered yourself and decided against following your own wisdom. And so I am free to paint your canvas with my most unique colors and forms until you have arrived at the state of fulfillment of all I dreamt of when I made you. So you see, how can I possibly be harsh with you? You're like toddlers following along with Daddy. Happy, joyful in His presence wanting nothing more than to be with him and bring him joy. How I rejoice and sing over you! And truly you are the apple of My eye and the sparkle of a precious gemstone being faceted into perfection. I guard you with tremendous solicitousness. For My very life is invested in you.

"Oh, how pleased I am with the soul who has discovered who they truly are and totally abandoned themselves into the arms of their loving Father.

"I bless you all now, My Precious, Precious Brides. You who have abandoned yourself to My wishes and scorned the laurels of the World. Oh, how I treasure you. There is but one thing left for you and so I give it. I Bless you with the capacity to receive My Love, My thoughts and My vision of who you truly are to Me. To cherish it in your Hearts and never, ever let it be taken from you again.
