TEAMS: Mayor Isaac Sneath, Councilors Bob Fluter Paul Korpan, Mitch Molnar, and Troy Randall. Administrator Richelle Haanstra

PURPOSE: To review development application for accessory structure. Also to consider a purchase of a small prebuilt shed built by students at Fort Qu'Appelle high school.

CALL TO ORDER:

With a quorum being present, Mayor Sneath called the meeting to order at 3:01pm.

DELEGATION:

Mayor Sneath welcomed Mr. Kurtis Greenman and Dave Riffel

Mr. Greeman and his contractor Dave Riffel of Sematic Construction reviewed the Development of an accessory structure and answered some questions the Council had.

Mayor Sneath and Council thanked both of them for joining the meeting.

DEVELOPMENT & BUILDING PERMITS

Accessory Structure

- 037/25 Molnar/Randall:** That the development permit for accessory structure on Lot 3A Blk 3 Plan 102352092 be approved on two conditions: First that the final grade and drainage characteristics of the site be reviewed and inspected by the building inspector to ensure water from the hillside and site drains to the lake and not to the neighbouring property. Second, that the village approves the use of this structure for the purpose for which it was requested, that is to store boats, seadoos and other watercrafts, and not to store vehicles, as there is an existing garage on the site. The building permit will be issued upon approval by the building inspector.

CARRIED

NEW BUSINESS:

Shed For Irrigation Pump

- 038/25 Fluter/Randall:** THAT the Village purchases a prebuilt 8'x 8'shed built by Bert Fox High School PAA students to house our commons irrigation pumps, for the cost of \$1,250.00.
