Newark School District has two primary schools; Lincoln and Perkins. Students who attend Lincoln and Perkins are in Universal Pre-Kindergarten through second grade. Perkins and Lincoln schools provide a safe, supportive environment that emphasize learning and citizenship, while fostering respect for individual differences. When visiting our schools, you will notice school-wide expectations; Be Respectful, Be Responsible, Be Safe and Be a Community posted and exemplified throughout both buildings.

The instruction in all content areas is guided by the New York State standards. Each classroom provides an environment that builds foundational skills by means of a balanced curriculum. Both the Lincoln and Perkins schools have bi-weekly or monthly assemblies to give students opportunities to share their learning and be members of a school community. Families are always invited to attend.

Our staff recognizes the importance of working with families and the community to create rich learning experiences for all students. We value partnerships between home, school and the community. At both schools, the PTA is an active group of parents and staff members. The group collaborates to create opportunities for students and their families to actively engage in fun educational activities throughout the school year.

WELCOME TO NEWARK!!

NEWARK

CENTRAL SCHOOL DISTRICT

Every Student, Every Day

Newark Central School District is the centerpiece of our community that binds students, staff, families and neighbors through a profound sense of hometown pride. We engage all students with the diverse opportunities and academic experiences they need to reach their maximum potential. Our students thrive in an environment of high expectations, collaboration and respect. Effective communication and sustained connections foster a sense of importance, contributing to the success of every student every day.

WHAT A GREAT COMMUNITY TO LIVE & LEARN IN...

Nestled between scenic Lake Ontario and the picturesque Finger Lakes region, Newark is home to Wayne County's population center.

- Newark is home to approximately 9,000 residents. Its convenient location is only 15 minutes from two NYS Thruway exchanges, which makes it easier to offer a full complement of services more typically found in larger communities.
- The NYS Erie Canal passes through the Village of Newark allowing boaters to travel through a scenic water route that runs from Albany to Buffalo. Boaters have the opportunity to dock at the T. Spencer Knight Park while enjoying such amenities as electric hookups, showers, laundry facilities and WiFi. Further, Newark incorporates a portion of the Canal Way Trail System that gives ample recreation for hikers, bikers or individuals that just wish to enjoy wildlife and quiet trails.
- Newark-Wayne Community Hospital has served generations of Wayne County residents since 1957 and is dedicated to providing the best care possible.
- Attractions such as restaurants, stores, movie theater, bowling alley, golf, etc. keep residents and visitors entertained and active.
- Beautiful State of the Art Public Library and home of the Hoffman Clock Museum.
- Many parks offer relaxation and recreation.
- Alex Eligh Community Center offers many quality youth and senior citizen programs.
- Rural charm and city convenience merge in our municipality, which we feel offers a wide range of activities and attractions to satisfy the diverse needs of our residents and visitors.

At the Middle School we strive to provide opportunities and experience for students to reach their maximum potential. Our consistent expectations of being a safe, respectful, responsible community member are shared and recognized throughout our day instilling a sense of PRIDE in our students, staff and families.

PRIDE time – sets the stage for each student as we build community around our common expectations. These expectations ground us in our decision making.

- Through our Art, Music, Health, Family & Consumer Science, and Technology, Band and Chorus classes opportunities are provided for our students to become well rounded learners.
- We support a two-year World Language program of French or Spanish that is supported through an introductory class of World Languages at the 6th grade level
- We support Regents Algebra, Living Environment and Studio in Art at 8th grade
- Our multi-tiered system of support helps to ensure that our students receive the additional academic, behavioral and social emotional support needed to be success students.
- Delphi and Wayne Behavioral have offices located within our counseling suite to support students and families.
- We offer a variety of intramural programs before and after school. And our 7th and 8th grade students are eligible for modified sports.
- We support a variety of clubs and activities that foster positive relationships and build community engagement – Student Council, Ski Club, National Jr. Honor Society, Leadership, Math team, Youth to Youth, Masterminds and Gaming club.
- Our 'Support the PRIDE Parent Group' meets regularly to provide guidance and input to help us meet the needs of our school community.

HIGH SCHOOL Grades 9-12

- We offer rigorous coursework via Advanced Placement, Project Lead the Way, dual credit coursework through a partnership with Finger Lakes Community College. The New Visions Program, which is affiliated with Newark-Wayne Community Hospital. The New Vision Medical and Nursing Programs allows students to explore a full array of medical careers while gaining 200 hours of clinical, hands-on experience and offers an interdisciplinary curriculum and experiential learning opportunity for seniors interested in pursuing medical / nursing careers.
- We partner with Wayne-Finger Lakes BOCES to provide career and technical education programs to junior and senior students. This partnership includes relevant programming by maintaining strong relationships with the business community, achieving national certifications and focusing on school improvement through the High Schools That Work national model and the New York State Education Department's Program Approval process.
- We have an Interact Club that works with one of the largest Rotary Clubs in District 7120. The group brings the school together to conduct events that promote sustained connections between the school and great community, while raising funds for the international initiative of their choice.
- We place an emphasis on service learning and authentic work with the Capstone Graduation requirement.
- We offer extended day opportunities regularly throughout the year through an After Hours Learning Center.
- We offer prevention supports tailored to meet the needs of any student struggling.
- We use current technology to communicate: FaceBook, school website and digitally streamed community outreach calls.
- We ensure staff and student safety with a single point of building access complimented by a building wide digital security system.
