**Inclement Weather:** If the River Falls Gymnastics Club is closed and classes are cancelled due to inclement weather, families will be notified via email, posted on the website and Facebook page.

## Evaluations

Near the end of the session a formal evaluation is updated for gymnasts in the Tigers levels though Intermediate 2 prior to the upcoming session's registration date. This evaluation is found in your parent portal. Music, Boys and Dance classes do not have a formal evaluation. Koalas (18 mos-3 y.o.) and Monkeys (3-4 y.o.), and Monkeys 4+ (4-5 y.o.) classes should follow the suggested ages when registering for classes as they do not have evaluations.

**So how do we define progress? Tested:** Indicates that the child has been introduced to the skill and is able to perform the skill, but still needs help or needs to perfect form (straight legs, pointed toes, etc.). **Attained:** Indicates that the child consistently excels at the performance of the skill while keeping correct form. Under the About Us section on our website you can view our [FAQ](#) which includes a link to the [steps to view](#) your child's skills on your [parent portal](#). We have updated our skills this session, so you might see some new items! *Evaluations are set to be entered for you to view by Monday, March 27.*
