

Spooky Brook Penalty Guide

All markers red, yellow and environmental when in place shall determine the appropriate action to be taken. Keep in mind the USGA "Virtually Certainty" concept. If it is virtually certain that a ball can be in no other area than the penalty area, it is deemed to be in the penalty area.

Any area not delineated as a Penalty Area is to be considered in play for lost ball purposes.

Any ball hit over the back of any green (excluding #11 and #18) and not found shall be considered a lost ball. Proceed to drop as per common rules.
