

**Town of Stratton  
Selectmen's Meeting  
November 26, 2018**

**Present:** Selectmen: Al Dupell – Chair, Larry Bills, Greg Marcucci and Kevin Robinson and Clerk – Kent Young.

Al Dupell called the meeting to order at 7:30pm. Orders were reviewed and signed. No modifications were made to the agenda.

**Road Crew Issues: Sifter repair:** Chris Liller was out plowing roads, but relayed that he would like to purchase some steel parts so that Grayson Peterson can repair the sifter. All concurred.

**Transfer Station Attendant:** The attendant will need to take personal time on December 27 and may need additional time off as well. Al Dupell said that he will be able to cover for him on Dec. 27, unless the Road Crew cannot provide coverage. He will discuss this, as well as any additional coverage with the Road Foreman.

**Town Hall Use:** No requests.

**Sheriff's Dept. Hours:** It had been noted that the contracted 20-hour/week patrol time had not been occurring during at least the last two billing cycles. Al Dupell said that he had not yet spoken with the Sheriff about this issue, but that he believes the Sheriff's intent is to make up for it later so that the total time for the year averages said amount. Al Dupell said that he will continue to try to contact the Sheriff. He also said that it should be acceptable for the Treasurer to pay the latest bill. The Selectmen concurred to make the payment and the Clerk said he would relay that message to the Treasurer.

**Town Meeting Warning:** The Clerk informed the Selectmen that a petition with a sufficient number of voters' signatures had been submitted to place an article on the Town Meeting Warning, which would reduce the Planning Commission from a seven member board to a five member board. The Article should be placed prior to the election of officers so that, if approved, the change can be implemented simply by not electing the two members up for reelection.

**Minutes:** Greg Marcucci moved to approve the Selectmen's Minutes of November 12, 2018. Larry Bills seconded. All concurred - the minutes were approved.

**Adjourn:** Larry Bills motioned to adjourn at 7:45pm. Greg Marcucci seconded. All were in favor and the meeting adjourned.
