

## Gina Gondron

Gina Gondron is a Partner in Frazier & Deeter's Process, Risk and Governance (PRG) practice. Gina leads the delivery of IT audit and advisory services to clients across a variety of industries with emphasis in healthcare and technology. Gina is highly skilled at applying her deep knowledge of IT processes and controls in the context of addressing important financial, operational and compliance risks. She works closely with IT organizations of all sizes to meet internal and external audit requirements. Gina's specialties include overseeing IT controls testing, SOC examinations, and testing across a variety of compliance and control frameworks (HIPAA, HITRUST, ISO 27000, GDPR, privacy and security).
