

## *The Declaration of Economic Independence*

*Whereas, on July 4, 2016, We the PEOPLE hold these truths to be self-evident, that all PEOPLE are created equal, that they are endowed with unalienable economic rights, certain that among these are life, liberty and the pursuit of happiness... in a permanently prosperous economy for all.*

*Whereas a balance of power is necessary for security between nations, a balance of power and influence between the People and the Rich is necessary for permanent economic security for all.*

*WE the PEOPLE hereby declare that we are endowed with an unalienable human economic right to an independent, balanced, fair and just economy that is... Of the PEOPLE... For the PEOPLE... and Owned By the PEOPLE.*

*WE the PEOPLE therefore declare our Economic Independence now and forever, in order to be economically self-reliant without the need for government, or large banks and corporations. We will unite together to Build, Keep and Own Our Own everyday economy with our own good jobs and upward mobility for all.*

*We The People will "Own Our Own" multi-national stores everywhere that provides our everyday products and services, including "Owning Our Own" banks that holds our own capital deposits.*

*WE the PEOPLE therefore pledge to unite together with our capital resources, in the purest and fairest system of capitalism ever on earth, to be able to "safely afford" to invest in our own everyday multi-national stores everywhere now and forever. Together we will build and keep the most permanently prosperous economy ever for everyone, including the rich.*

*The GREAT ECONOMIC REVOLUTION begins.*

## **Declaration of Economic Independence Signature Page**

The President and the Congress are the original signers of The Declaration of Economic Independence if they "LIKE IT and SIGN IT." An original document was sent to all of them. They will be an original signer, anytime signed hereafter. The reality is the more People that "LIKE IT and SIGN IT" , the more and faster the middle class and less fortunate everywhere will actually be able to achieve their own Economic Independence.
