CONSISTENCY PAYS OFF!

Sara Cheeney and Miss Mac N Fame aka 'Mac' captured the Average Futurity Championship at the 10th Annual Sand Cup Futurity held at the Trac Arena in Pasco, WA, the first weekend in April. Consistency paid off for Cheeney when she placed second in the 1st go with a time of 17.535 and winning \$1,616.00. In the second go Cheeney won fourth running a 17.457, earning \$1,077.60. When the times were tallied Cheeney launched herself to the top with an average time of 34.992 and added an additional \$1,796.00 to her weekend winnings.

Mac is a 5 year old mare by Mac N Fame out of Compromising Lady x No Compromises. We bought her as a 2 yr old and brought her from the

ground up. She is super fun to run and a talented mare—she's pretty quirky and firey! Her first futurity of the year was the BFA in December 2015 where she made the short go and finished 20th overall.

I grew up with horses and have been on one for as long as I could remember. My mom started me out by riding show horses and in junior high I began rodeoing--my parents were very supportive in getting me started in my rodeo career. I started running futurity horses about five years ago and with the help of my husband we have built our business, Crown S Quarter Horses. We live in Pinedale, WY where we raise and train our future prospects. I couldn't do what I do without the support of my husband, Scott Cheeney.
