

# **Fidelity**

## ***What Does It Mean to Forsake All Others?***

*“For this reason a man will leave his father and mother and be united to his wife....”*

*\_\_Genesis 2:24*

***“Fidelity-careful observance of duty or performance of obligations or vows; or a firm adherence to a person or party with which one is united or to which one is bound”***

Marriage can and should alter all of your other relationships.

The first challenge of fidelity is staying together “for better or for worse.”

Always remember that times change and so do people.

Consider whether you value anyone’s opinion more than that of your spouse.

Remember that you are married to your spouse and not your children.

An essential aspect of fidelity is being able to keep each other's secrets.

Be prepared to deal with friends who want as much of your time as your spouse claims.

Marriage is two people becoming one flesh. Genesis 2:23-24, Ephesians 5:21-31

The challenge for a long-term marriage is to be faithful unto death.
