THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The State of Rhode Island has retained the services of Pearson VUE to develop and administer its real estate examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS – NATIONAL PORTION ONLY

National-portion practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on real estate examinations. The national-portion practice tests will not only help prepare candidates for the types of questions they will see on the national portion of the licensure examination but also familiarize them with taking computer-based examinations.

Pearson VUE offers a practice test for real estate that contains questions developed by subject matter experts using concepts found in the national portion of the licensure examination. The test closely reflects the format of the national portion of the licensure examination, can be scored instantly, and provides immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase national-portion practice tests anytime by visiting www.pearsonvue.com/practicetests/realestate.

STATE LICENSING REQUIREMENTS

The Rhode Island Department of Business Regulation has established the requirements for qualification for a real estate salesperson or broker license. Application for licensure **MUST** be filed within one (1) year of the date on which the candidate passed the examination. If parts of the exam were passed on different dates, the one-year time period begins on the later date.

Applications take approximately three (3) weeks to process. Applications must be completed in full, signed, and notarized with all accompanying documents included. Rhode Island residents who will attest to the applicant's reputation and recommend that the license be granted. Candidates should be sure to complete each question. Incomplete applications will be returned for correction, which will cause a delay in processing.

Candidates who would like a copy of the Rhode Island Real Estate Licensing Law – Rules and Regulations may obtain one from the Department's website.

REQUIRED ITEMS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

Candidates who have completed prelicensing education in Rhode Island are now required to bring their *Education Completion Certificate on the day of testing*. This prelicensing education must be completed **prior** to taking the examination.

Candidates who currently hold an active real estate license in Florida will not be required to show proof of education completion and will be automatically approved to test by the Rhode Island Real Estate Commission.

Acceptable Forms of Candidate Identification

Candidate must present **two (2)** forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government-issued and photo-bearing with a signature, and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (photograph and signature, not expired)

- Government-issued driver's license
- U.S. Department of State driver's license
- U.S. learner's permit (plastic card only with photo and signature)

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

Candidate photos will be taken at the test center and will appear on the official score report.

EXAM PROCEDURES

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and he/she will be photographed for the score report.

Candidates are required to review and sign a **Candidate Rules Agreement** form. If the **Candidate Rules Agreement** is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action.

Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the computer. The examination begins the moment a candidate looks at the first examination question. Candidates will be given 2.5 hours to complete the General Knowledge section and 1.5 hours to complete the Rhode Island state section of the examination. The examination will end automatically after the examination time has expired, and candidates will leave the test center with their official results or score report in hand.

SCORE REPORTING

When candidates complete the examination, they will receive a score report marked "pass" or "fail." Candidates who pass the examination will receive a score report that includes information on how to apply for a license. Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the general section of the examination, as well as information about reexamination.

RETAKE THE EXAM

The examination is divided into two parts: general and state law. Candidates who fail one portion of the examination and pass the other need only retake the portion that they failed and do so within one (1) year. After this time period, candidates must retake the entire examination.

REVIEW OF EXAMS

For security reasons, examination material is not available to candidates for review.

SCORE EXPLANATION

The passing score for the examination is set by the Rhode Island Department of Business Regulation. The general and state law sections are usually administered in multiple versions to enhance security. To ensure that no individual has an unfair advantage or disadvantage by taking a particular version of the examination, the actual passing score of the various versions may be adjusted to accommodate minor fluctuations in the difficulty level of the questions on each version. The passing score for all versions, however, is *reported* as a score of 70.

The reported examination scores can range from 1 to 100, but they are not to be interpreted as the percentage or number of examination questions answered correctly. With 70 as the passing score, any score below 70 indicates how close the candidate came to passing, rather than the actual number or percentage of questions answered correctly.

DUPLICATE SCORE REPORTS

Candidates may request a duplicate score report by completing and submitting the appropriate form found in this handbook.

TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens, or pencils.
- **Calculators are permitted only if they are silent, hand-held, nonprinting, and without an alphabetic key pad.** Financial calculators are not permitted. Calculator malfunctions are not grounds for challenging examination results or requesting additional examination time. **NOTE: Calculators are NOT provided by the test center staff.**
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen, or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family, or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. When the candidate enters and is seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise his/her hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building, he/she will not be permitted to proceed with the examination and may forfeit the exam fee.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency, and could include decertification, an exam being declared invalid, or a candidate being denied the opportunity to retake the exam.

PREPARING FOR THE EXAM

EXAM CONTENT

The content of the general section of the examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from real estate professionals were analyzed to determine the nature and scope of tasks they perform, and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that the examination reflects the actual practice of real estate. Questions on the general section are also reviewed and approved by nationally recognized real estate professionals.

The state law section of the examination has been developed to reflect the laws, regulations, and practice of real estate in Rhode Island, and has been reviewed and approved by real estate professionals in Rhode Island.

MATH CALCULATIONS

The information below is NOT available at the test center and should be memorized.

Candidates may use the following information in making mathematical calculations on the general section of the real estate examinations unless otherwise stated in the text of the question:

- 43,560 square feet/acre
- 5,280 feet/mile
- Round off calculations (where applicable)

The information below, if needed, will be contained within the test itself:

If a question requires the calculation of prorated amounts, the question will specify: a) whether the calculation should be made on the basis of 360 or 365 days a year; and b) whether the day of closing belongs to the buyer or seller.

PRETEST QUESTIONS

Many of the examinations will contain "pretest" questions. Pretest questions are questions on which statistical information is being collected for use in constructing future examinations. Responses to pretest questions do not affect a candidate's score.

Pretest questions are mixed in with the scored questions and are not identified.

The number of pretest questions are listed in the content outline heading of each examination for which they are available. If a number is not present then there are no pretest questions for that particular examination.
