

**TEMPLETON AREA ADVISORY GROUP
PROJECT REVIEW COMMITTEE**

Addressing the Area's Land Use Planning Since 1994

MINUTES TO November 7, 2019 PRC MEETING

The meeting was attended by all PRC delegates, including Murray Powell, Jon DeMorales, and Bruce Jones. Also in attendance was Kelli Silzer Gonzales and Richard Gonzales, agents/owners of DRC2019-00221 Silzer Gonzales. Also eleven members from the community were present. Six letters had been received prior to the meeting regarding this project.

One project was reviewed as noted below:

Applicant: Kelli Silzer Gonzales

Project number: DRC2019-00221 Silzer Gonzales

Agent: Richard Gonzales

Nature of application: Proposed Minor Use Permit for the construction of a 2400 SF winery/tasting room (to include processing and case & Barrel storage) at 1195 Loose Horse Lane in Paso Robles.

Lead PRC reviewer: Murray Powell

APNs: 039-021-003

This project was scheduled for review with the understanding that it was no longer on Information Hold. However, several components of the application were not sufficiently complete for review, and the County still lists the project as being on Information Hold. Efforts have been made to obtain missing components, and this project will be rescheduled for review when all information is available.

Respectfully submitted,

Bruce Jones, Chair PRC Committee
