### From the President—Sally Steele

Hello Navajo Members, Associates, and Friends!

Summer is about over, and Fall is in the air.....welcome September! As we enter into the last 60 days before the Presidential election, let's focus our minds, commitment, and energy on ensuring that Donald Trump is our next President!

I've heard from many Republicans who can't "in good conscience" vote for Trump because of his crass demeanor. Please, please, please go to page 6 of this newsletter and read the article about being on the fence. It is excellent and has gone viral across the nation, the article provides clarity, perspective, and is changing minds towards Trump. A Must Read!

Don't fall for "public shaming" because you support Trump. He won more votes in the primary elections than any other Republican candidate ever! And he had to compete against 16 other high profile politicians! Can all those people across the country be wrong? Trump has resonated with the silent majority and has hit a chord of support that is unprecedented.

Don't fall for "never Trump" movement which is quickly eroding. The never-Trumpers on cable TV have softened their voices and are giving credit to Trump for his changed demeanor lately. Even national pundit Mark Levin who was vehemently anti-Trump just announced that he is voting for him. Trump now has 83% support among Republicans and that number has climbed 5 points in the last month.

The most recent poll results show that Trump has closed the gap quite substantially and is either ahead, tied, or slightly behind Hillary. The good news is that he has positive momentum while Hillary support is dwindling because of all the negative findings that are being revealed daily. WikiLeaks has certainly exposed much of the deceit and scandal surrounding Hillary, and from what I understand.....there's more to come! Stay Tuned!

Keep a positive outlook, don't fall for the democratic political machine rhetoric and policies that is trying to destroy our values and beliefs and transform America into something unwanted and unrecognizable.

Warmest Regards!

Sally

## Campaign Precinct Chair Waskah Whelan

Hillary Clinton recently proclaimed with a sneer that "Alt-Righters" have taken over the Republican Party...

Who exactly are these Alt-Righters, What do they believe and what do they want?

#### **Alt-Righters are Natural Conservatives**

Natural Conservatives <u>instinctively</u> have a preference for homogeneity over diversity, for stability over change, for nationalism over globalism. Natural Conservatives are instinctively wary of the unfamiliar, preferring familiar institutions and societies with familiar norms and standards of behavior.

Establishment Republicans, with their overriding belief in the glory of the free market, might be moved to tear down a cathedral and replace it with a strip mall if it made economic sense. Such an act would horrify a natural conservative. They esteem western culture and believe it to be valuable and worth preserving.

Halting, or drastically slowing immigration is a major priority for the Alt-Right. To an establishment conservative, cheap foreign workers on H1B visas make perfect economic sense. Natural conservatives believe the preservation and protection of the American culture and way of life, not economic efficiency, is of paramount value.

Attempts by left-wingers to scrub western history of its great figures are particularly galling to the Alt-Right, who in addition to the preservation of western culture, care deeply about heroes and heroic virtues.

Donald Trump and the Alt-Right movement would not have been possible without the constant ridicule of American values by the progressive Left and a media that dismisses all who cherish western culture as racists. The backlash to these positions has helped fuel the Alt-Right Movement.

Because Natural Conservatives feel they have been abandoned by Establishment Republicans, they have lost faith in their former representatives and have turned to new ones — Donald Trump and the Alternative Right.

### **Programs**

#### **Cathie Johns**

**September 13**: Don't understand the propositions? Not sure how to vote? We have got the answers. Richard Rider, Founder and Chairperson of the San Diego Tax Fighters Association, will help us unravel the state propositions on the general election ballot in November. In addition, he will give us insight into where California taxes stand in relation to other states.

Richard's background is extensive: stockbroker, financial planner, business owner, retired military, journalist, and television commentator. He is a political activist that has helped save San Diegans millions of dollars, and an integral part on the Howard Jarvis Taxpayers Association. Richard is well-versed in the shenanigans that go on in Sacramento, and the deceptive practices used in writing propositions to confuse and misinform voters. You need to attend this meeting before you mark your ballot.

Tony Krvaric, Chairman of the San Diego Republican Party, will also be joining us to talk about the differing philosophies of Republicans and Democrats. A believer in individual liberty and limited government, Tony has been actively serving the San Diego community for decades.

Shirley Kaltenborn will give a brief history of Republican Women in San Diego. Shirley has been a member of the Federation for over 30 years, and has taken many leadership roles including serving on the National Federation of Republican Women Campaign Committee.

**October 11**: Keeping the political ball rolling, Assemblyman Brian W. Jones will lead us into the November election with his insider's knowledge and expertise. As representative for 71st Assembly District, Brian has focused on reducing the size of state government; controlling and eliminating rules and regulations overwhelming the business community; lowering taxes on small businesses and families; serving as a government watchdog on behalf of taxpayers; and protecting the Second Amendment.

**November 15**: We will finish the year with an election wrap-up from Jason Roe, a businessman and political leader. Consultant, manager, and advisor to some of the most prominent members of the Republican Party: Governor Romney, Marco Rubio, Tom DeLay, and Bob Dole, among others. Active in the political field from Washington D.C. to California, Jason has served in varying capacities including <u>Executive Director</u>, <u>Republican Party of San Diego County</u>. He is the perfect person to give us an overview of the results of the election, and where we as a nation and the Republican Party are headed.

We are almost there; the election is just around the corner. Our speakers will keep us updated and informed. Make your reservations early, you don't want to miss any of the action in this pivotal election year. Reservations can be made at ncrwf99gmail.com.

## **MEMBERSHIP**

Please remember to pick up the new membership roster at the September meeting. This is a handy tool that includes other important phone numbers and even the club bylaws.

Navajo Canyon RWF name tags are available for you to order! If you've already ordered one, please check the Board at the Luncheon check-in for status.

#### Report Volunteer Hours

Navajo Canyon RWF ladies are dedicated to serving others through many different ways of volunteering. Please remember to submit your hours so that we can once again achieve award-winning results collectively as a club!

New Citizens Ceremony
San Diego Concourse
10am-noon

Trolley is easy from the East County. Take the green line to Sante Fe depot, transfer to the orange line through downtown and exit at the Civic Center. You can also take the Orange line into downtown coming west, still exiting at Civic Center. Go north into the concourse, see the colorful Republican Tent located right smack on the concourse, across from the other party and in front of Golden Hall. Sign-in and say Hello!

At about 10:30 a.m. a large group of happy, new naturalized citizens will come streaming out of the double doors to celebrate with their friends and family. We will be there to greet them and register them as Republicans.

By 12 noon, registrations will be complete, the tent will be packed up and the area cleared. Plan then to celebrate your day's accomplishments at lunch with your teammates.

#### **Glenda Boerner**

I hope you all had a wonderful summer break! It is only 2 months until the General Election! These two Presidential nominees are truly polar opposites. Our job, as Federated Women, is to work and promote the GOP candidate. This election is like none other, with personalities and policies dividing our nation. We must encourage a Republican win with our candidate support, and by sharing our GOP values and concerns every chance we get.

Take time during the next 2 months to help our success by working at GOP head-quarters (NC covers the 3rd Friday), joining me at Voter Registration events and volunteering with EIP (our own member, Ruth Weiss, would love your help with Election Integrity Project!). Every chance we can, we should be working to GOTV=Get Out The Vote! Don't let your Republican friends and those that care about the future of this nation to stay home. This election will truly determine the path of our democracy into future generations. VOTE REPUBLICAN

There are two Voter Registration events already scheduled in September. Join me downtown at Golden Hall for the New Citizen's Ceremony on Wednesday, September 21. Horton Plaza no longer offers free parking. There are paid lots and street parking OR join me and take the trolley. I can help you navigate the trolley world, contact me anytime! We desperately need more volunteers, especially those who speak Spanish (or any other languages). If you have friends with those skills who share our Republican goals, ask them to join us. The DemoRats across from our booth are VERY aggressive and steer people we are talking with away from us to their booth. Last month, we had 1800 new citizens and only registered 26! We need lots of people to help encourage our new citizens to our booth! Most of them don't realize they are Republicans! Don't let the Dems lie to them, HELP!

Finally, we are once again hosting a Voter Registration booth at the La Mesa Octoberfest. This year's event will start on Friday, September 30 through Sunday, October 2. I will be circulating a sign up sheet at our September meeting for this fun event.

## If You're On the Fence About Your Vote, This Pastor Clarifies How the Very Future of America is at Stake

Dr. Jim Garlow, Skyline Church—San Diego

I have been asked "the question" so many times regarding Trump or Hillary. By way of background, I have followed every national convention—Republican and Democrat—from the time I was age 9, and have attended most of the GOP Conventions from 1984 to the present. I have watched the news virtually every day from the age of 8. I have never seen anything like what we are observing.

In spite of the unprecedented nature of this election cycle, I will attempt to respond to "the question." I am not demanding that anyone else share my view. But I was asked. Here is my best attempt to answer as I am able to see things at this time:

# Chaplain's Words of Inspiration Ginny Wisley

Humble yourself in the sight of the Lord and He will lift you up

James 4:10

Wow we are back in full swing. It's September & the general election is coming fast. Although I am writing this from my home, my physical self is in Killarney, County Kerry, Ireland. I didn't want to write this as an email from the airport, which I have done before – oops!

Before I left I read an amazing book called "The Search for God & Guinness, A Biography of the Beer That Changed the World" by Stephen Mansfield. I learned a lot about a family that started their brewery & began a legacy that is unmatched to this day. Starting with negotiating a 9,000 year lease on a property on St. James Gate for 45 pounds a year on December 31, 1759 until now, the Guinness family is known for one of two things: brewing beer (still using yeast from the original "batch" (beer yeast regenerates, who knew?) or being in the clergy. As clergy they started Sunday Schools, gave to the poor, started an educational system & health care for employees & families. As a company they started a tenet\* that they still follow.

- 1) <u>Discern the ways of God for life & business</u>. Find out the will of God for your day & generation, then let God lead.
- 2) Think of the generations to come. We tend to think short term; the Guinness then & now think of those to follow.
- 3) Whatever else you do, do at least one thing very well. This has always been the way Guinness has been brewed & yes, it is good for you!
- 4) <u>Master the facts before you act</u>. The company only takes action when all available facts have been collected & studied, then they act quickly.
- 5) <u>Invest in those that you would have invest in you</u>. This is a complete reversal of today's business & political arenas, one that we should revert back to.

How does this relate to us in 2016? Reread them & see that this is what America needs to come to, these cornerstones that were established before our nation was a "twinkle in our fore father's eyes." By doing so, I see nothing but greatness in our future

Blessings to you all - see you in October.

Feel free to contact me with any "Chaplain-y" type needs: prayers, a listening ear, etc...that is part of this job.

Sunday, January 8<sup>th</sup> (Morning timeframe)

Registration info will be provided at September luncheon meeting and email will be sent to all members.

- 1) Learn safe firearms handling
- 2) Learn how to store your firearms safely
- 3) Learn to shoot
- 4) Learn a sport you'll enjoy for a lifetime

## We are Americans, by birth or determination.

Besides our gender, we share a mutual love of country and believe there is a better path forward. We want to see a sunset on our nation's decline, and beginning on Jan. 20, 2017, a New Dawn of Freedom, Security, and Prosperity for America and its citizens. We want to reclaim our status as World Leader – leading in Might and Right.

# We are inspired by Donald Trump's optimist mantra: Make America Great Again!

Our purpose for forming is to show and grow support for a re-imagined future of American greatness—greater than ever!

# HILLARY'S AMERICA THE SECRET HISTORY OF THE DEMOCRATIC PARTY

If you haven't yet seen "Hillary's America" by Dinesh D'Souza, we highly suggest that you watch it!

This movie takes audiences on a gripping journey into the secret history of the Democratic Party and the contentious rise of Hillary Clinton.

America is a nation of gangs, with the biggest, most powerful gang—led by President Obama, Hillary Clinton, and the Democratic Party—inhabiting the federal government in ways that are shocking and chilling!

Take a look at the chart and see which party Abolished Slavery, Gave Citizenship to Freed Slaves, Supported Right to Vote for All, and was against Obamacare! **PROUD TO BE REPUBLICAN!**
