

Not One More

As today marks two weeks since the tragedy in Parkland, FL, I will not do my usual word. I have decided instead to list every single victim in a K-12 school shooting starting with the Columbine shootings in 1999. The bulk of the information here comes from wikipedia.com and the list given on television by Shepard Smith of FoxNews. The perpetrators of these shootings are not listed or counted among the victims in this list. Yes, I do pray for their families and loved ones because that is how God would want it as well as a solution to stop another of these from happening. This list does not include any of the other mass shootings in the United States of America from before 1999 or after yet they are not forgotten. #NotOneMore
