

American Society for Quality Control

hereby Charters its

Evansville-Owensboro Section

to further the interests and objectives of the Society throughout its membership within such geographical area as may from time to time be assigned to said Section by the Board of Directors of the Society.

In consideration whereof, it is agreed:

That said Section shall be governed at all times by the Constitution and By-Laws of the Society and by the Society officers exercising powers vested in them by said Constitution and By-Laws; and

That this Charter may be surrendered at the pleasure of said Section, and shall be surrendered at the request of the Board of Directors of the Society following the finding by said Board of due cause for such request.
