# UNIFORM DRESS CODE

We believe there is a direct relationship between being properly dressed and having productive work habits in school. The uniform for Victory Christian Academy provides a neat and orderly appearance for all students. The uniform policy has been carefully described in detail to provide clarity for parents.

Complete compliance with our dress code policy is required for each student. Parents share in the responsibility for making sure their child comes to school in the proper uniform each day. VCA reserves the right to forbid any items of clothing or jewelry if they are deemed inappropriate or may infringe upon student health and or safety. The school administration has the final authority on all uniform matters.
