DESCRIPTION: This is not a vintage recurve, but a more modern bow. The X-200 is a similar design to the Howatt Coronado. Bow is in excellent minty condition. No delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor (very few) scratches on the limbs. This is a really nice bow in excellent condition. This X-200 sold new for around \$319.
