THANK YOU FOR YOUR PARTICIPATION!

Mr. Anderson is an excellent teacher. He is thorough and patient. He makes the information easily accessible and his calm and professional approach make the range qualifying not stressful at all. I highly recommend his class!

A well organized and complete lesson that prepared me for the CHL written test. In addition, excellent shooting suggestions that improved my accuracy and helped prepare me for the shooting exam portion of the CHL course. Mr. Anderson is professional, experienced and engaging in the classroom.

Mr. Anderson was prompt and professional. He covered the material well making the test a breeze. Paying for this class through Confrontation Management, LLC through Mr. Anderson was money well spent.

Paul was very knowledgeable and helpful in making me feel comfortable taking this class. I had no previous experience with hand guns. The class had manageable sessions. Paul meet us at the range for qualification. I would highly recommend using Paul to get your CHL license.

Instructor was very proficient in Texas Concealed Carry Law and did a great job educating the class on weapon laws, handgun use and safety, and dispute resolution. I feel well educated and equipped to protect myself and my family if an incident arises.

*I really liked the questions at the end of each session. They were a great assessment in understanding the material. Helped me realize I understood the serial codes, especially since the wording can be difficult. Thanks!*
