**Rich Sarcone** called the meeting to order at 6:00 PM. The minutes from the previous meeting were reviewed.

**Treasurers Report:** Rich Morgante reported the latest bank balance of \$6,396.80.

**Club Events:** Dennis Tedesco discussed the proposed trip to the Corvette Plant in Bowling Green, Kentucky September 24-25. 21 members are interested in going so far. All would like to tour the factory; however, tour dates are not available until the beginning of each quarter. Dennis also inquired if, we were able to go to the museum, would it be possible to locate the "Brick" that the club purchased many years ago. It turns out the brick was located and we would be able to view it.

**Old Orchard Beach** has been modified this year and will incorporate a lot less activities. However, next year it will resume as before, or close to it since The Corvette Club of Massachusetts will sponsor the event moving forward.

**Spring Car Show (2026):** May 3<sup>rd</sup>. with a rain date of May 17. Anthony DeGrandi reported all preparations have been made. Gulotta House is our primary charity, however, The ASPCA of Briarcliff is interested as well. Since they would like to bring a bus load of animals for the purpose of adoption, the question is, do we think this is appropriate for our event. After some discussion the matter was tabled for our next meeting in April.

**Corvettes at Carlisle Event (2026):** Joe Covais proposed at a previous meeting that we purchase a BBQ grill rather than rent. The cost is the same and perhaps we can use it year after year and save money. Again, there was much discussion pro and con. Ultimately the matter was tabled for future discussion.

**New Business/Old Business:** Since our storage space (5'X5') is presently costing \$178.00/month it was proposed that we look for more competitively priced options. Somers Storage has a 5'X7' for \$120.00/month. One of our members will check with US storage for an additional quote. The Somers space is located on the first floor with an outside entrance which appeals to all for its convenience.

**Point of interest,** The principal owner of Mid America is retiring turning the business over to his son. Since he has acquired many items for his museum over the years, he decided to auction them off. He is going through a few outlets for this purpose. If anyone is interested in bidding, go online to Mid America to find out times and locations.

Meeting was adjourned at 6:38PM.

Our next meeting is scheduled for Tuesday, April 7 at 6:00pm at Curry Chevrolet, Central Park Avenue, Scarsdale.
